For Devotion . . . We Dedicate

Mr. Henry Howard joined the West Chicago faculty in the fall of 1945 as the one instructor of the entire music program in the high school and elementary system. In 1947 with the increasing interest in school music, a vocal instructor was hired. Mr. Howard continued exclusively in the field of instrumental training. It was during this time that tonettes, pre-instruments for grade school students, were introduced under his direction.

On Thursday, March 18, 1954, the West Chicago Chamber of Commerce awarded Mr. Howard a plaque paying tribute to him for his "Contribution to the Community of West Chicago". This was the first such award ever made to a West Chicago citizen and was awarded to him not only for his services of that year but for his community spirit and untiring work ever since he arrived in West Chicago.

Mr. Howard directed the high school band from 1945-1956, and fielded one of the first marching bands in the Little Seven Conference. In the fall of 1956 he undertook the responsibility of the high school orchestra. Encouraging students to take part in solo and ensemble performances, Mr. Howard created the We-Go-Ego Club and is one of the founders of the many ensemble clinics and festivals in this area.

Hours upon hours of his time have been devoted in helping those students who plan on a career in music. It can be seen that his real interest and concern lie not in grinding out musical techniques but in the value of music to the student. Through the guidance and direction of this wonderful gentleman, the music department has become one of the finest. The thousands of students who have received instruction from Mr. Howard should feel greatly honored. The *Challenge* staff extends a very warm "Thank You", Mr. Howard, and may your future be as marvelous and full as your past.

Prepared To

We, the class of nineteen sixty-six have enjoyed our years at We-Go High School, years that for us bear many memories.

The Class of nineteen sixty-six entered We-Go High in the fall of 1962 full of hope and ambition. Our first advisor was Mrs. McGawn, and our first class project was the construction of our Homecoming float, "Whip 'em". Next was the election of class officers. That year we elected Winkie Smith, President; Spencer Reese, Vice-President; Chris Voelz, Treasurer; and Joan McAleese, Secretary. Our final class project of the year was the Freshman Class Party, "Jungle Fever."

In our Sophomore year we changed both our officers and advisor. Miss Peterson helped guide class affairs with the assistance of Spencer Reese, President; Beth Sweeney, Vice President; Chris Voelz, Treasurer; and Joan McAleese, Secretary. Our Sophomore float was a huge red lobster which was out to "Pinch 'em," and our Sophomore Class Party was the successful, "Beacher's Blast".

After a highly enthusiastic and hard fought election campaign, we entered our Junior year with another new set of officers. Kerry Nicholson was our new class President; Mark Staehnke, Vice President; Kenn Molinelli, Treasurer; and Nancy Neltnor, Secretary. Our Junior year took its theme from that of our float, which sent a rocket over the goal posts with the cry of "Let's Go." The Class of 1966 was the first since 1961 to present a Junior Class Play. The play "Ten Little Indians," a murder mystery, was directed by Mr. Jack Phillips of Glenbard West High School. The Junior Class also had the responsibility

for the Prom held on May 22, 1965, at the Baker Hotel in Saint Charles, Illinois. The Prom theme was "Misty Moonlight," which was carried through by a song of the same title especially written for the occasion.

". . . the most exciting election campaign in the history of our school . . . " is the way that our school newspaper, the *Centurion*, described the election for our Senior officers. For weeks before the election in April of 1965 there had been rallies and debates, and every available inch of wall space in the school was covered with posters. On the day of speeches, the auditorium was filled with cheering members of our class who rooted for their favorite candidates with applause, placards, confetti, horns, bells, and even a Pep Band! The election gave the Senior Class an entirely new set of officers; Tom Lewis, President; Dave Ransom, Vice President; Gil Willeumier, Treasurer; and Winkie Smith, Secretary. Our Senior advisor was Mr. Howard, and our Homecoming float was entitled, "We Compute a Victory". The Class of 1966 was also responsible for the Homecoming dance in partnership with the Juniors, and we presented the excellent "Que Sera Sera". The Homecoming Queen, elected from the Senior class, was Dorothy Dempsey. Our Christmas Dance was entitled, "Le Petite Noel".

Now these four years have come to a close. They were happy, beautiful, and prosperous years, years that have given us great progress in our education as well as some lasting friendships. May our progress and friendships continue on and on throughout our lives.

BOARD OF EDUCATION

Of Our Education

Top: MR. WEYRAUCH, Superintendent
Right: MRS. TIMM and MRS. RHODE

The remodeling of our school this year has provided separate office areas for the school's main office and the Board of Education office. The functions of both of these had formerly been carried on in a single office area. Basically, the school office handles those matters dealing directly with students, teachers, and daily operation of the school program. The Board of Education office may deal indirectly with these activities through the school principal but concentrates mainly on the various functions relating to the employment of all staff personnel, purchasing, budgeting, payroll, building and grounds maintenance, construction, long range curriculum, building and site planning, and fiscal accounting.

A Uniting Force

This yearbook is very appropriately named for it represents the challenge made to each of us. The accumulation and organization of the facts and photographs in this book remind each of us of our challenge and how we met it.

If each of us has contributed more than his share and completes each task to the very best of his ability, in our daily school life, then we have met the challenge in becoming a worthy, contributing member of our community and society.

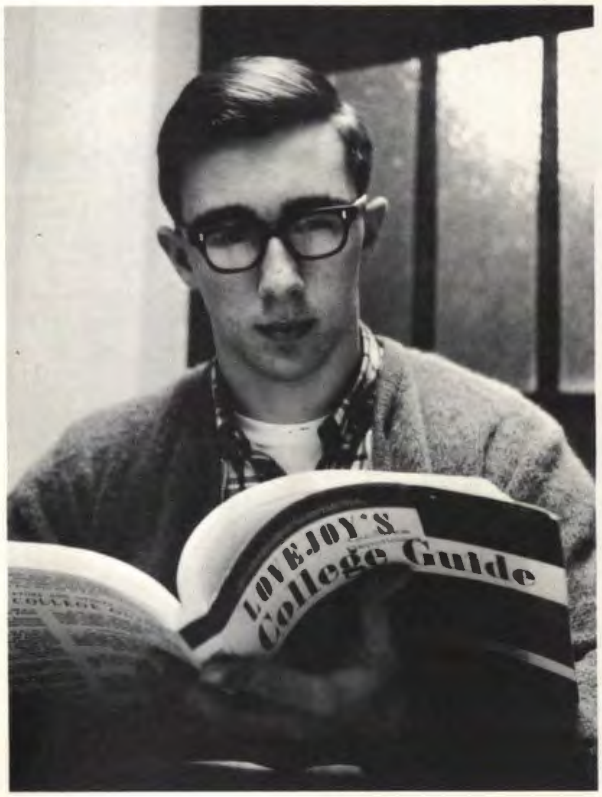
Assisting Students

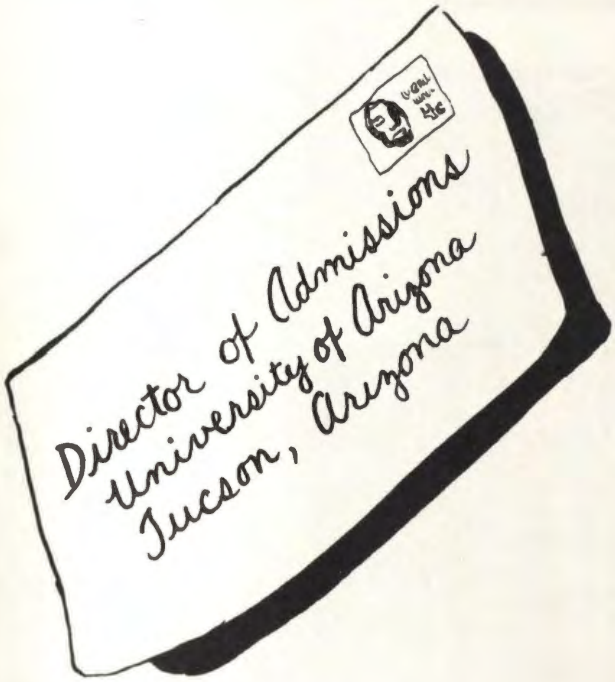
MRS. SCHUETT, Guidance Secretary

Where are we going? Why are we going? and How are we going? In seeking to aid students in these important decisions, the Guidance Department has greatly expanded its services and facilities. Pleasant surroundings within the guidance office offer the student privacy and a place to discuss his future. Through personal guidance and informative, written material, a student may plan the extent of his education in accordance with his needs, abilities, and values.

MR. PETERSON, Sophomore and Junior counselor, B.S. and M.S., Northern Illinois University
MR. DELAP, Junior and Senior counselor, Director of Guidance Services, B.A. and M.S., Southern Illinois University
MISS CORBY, Freshman counselor, A.B., Wheaton College, M.S., Northern Illinois University

In Making Decisions





MRS. SOTO, in the position of school nurse, also provides a form of guidance in emergency first-aid and instruction in good health habits. Periodically eye and ear tests are given where they may explain why a student is not doing classroom work up to his capabilities.

With State required physical and dental examinations, it is hoped that students will see the importance of regular health check-ups and make them a life time practice.

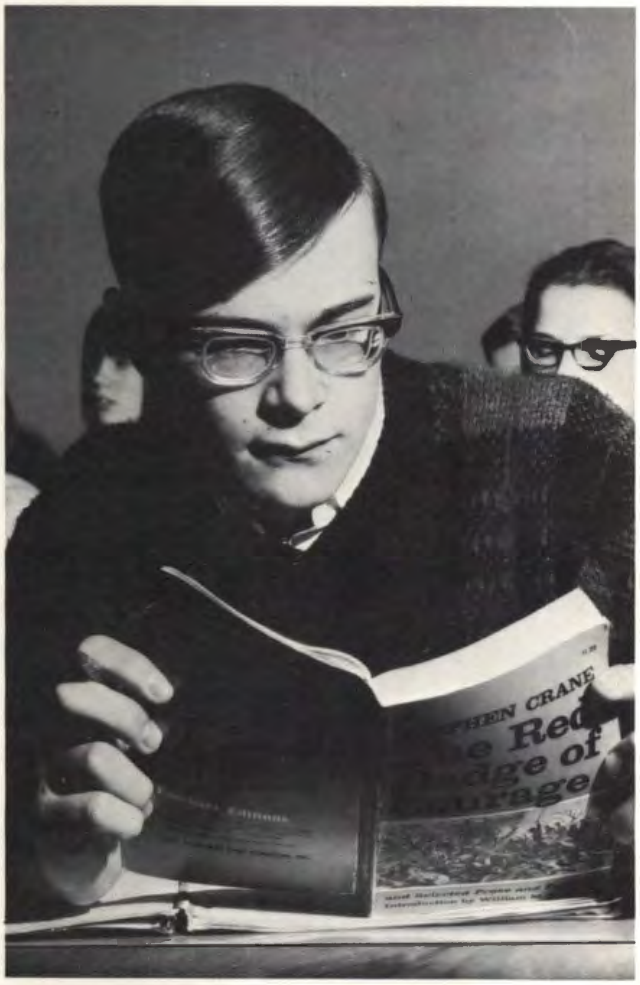
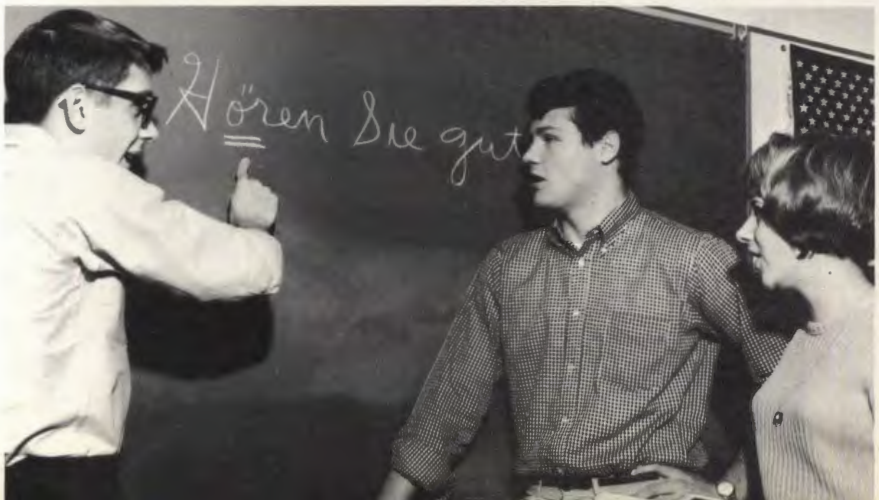
Starting With Preparation And Thought

The facilities of our high school library have been greatly expanded. One area is devoted solely to reference books while the other can be used for shelving over 20,000 volumes. Two conference rooms are available for discussion groups. For concentrated study there are individual carrels. Lounge chairs provide comfortable seating, and there are 144 additional seats for reading and studying. The new professional library and special room for storing audio-visual materials are added services for teachers.

Communicating Is The



Beginning Of Understanding



Math – The Language

Of The Nuclear Era

A new technique for teaching general math students has been developed. Under the direction of Mr. Murphy, nine senior boys, all advanced in math, have a class of their own. The theory that students communicating with students could be more effective is the basis for this new program.

Two semester courses in statistics have also become part of the school curriculum. The first semester, descriptive statistics, deals with the methods of collecting, organizing and preparing the results of sampling for future use. The second semester, inferential statistics, is concerned with analyzing and drawing conclusions from the gathered information.

The remaining portion of the math department is comprised of classes in algebra, geometry, trigonometry and math IV.

Sciences Seeking Truth

The Science Department has left the old building and has moved into six modern classrooms located in the new addition. Each unit is furnished with new, up-to-date equipment and more than ample lab facilities.

A recent department project is the installing of a weather station. A rain gauge, barometer, and a recording thermometer are a few of the instruments which will be on display. Also some 425 books pertaining to science have been purchased by the library as an aid to students in their scientific studies. With these many changes and additions, a greater source of knowledge is now at the students' disposal.

Sociology is a study devoted to the problems within society. It covers such topics as alcoholism, juvenile delinquency, mental illness, marriage and divorce. Similar to sociology, Family Living, a new semester course, focuses on society's basic unit—the family. A large part of this course is given to discussions on dating, engagement, marriage and parenthood.

Training For A Desired Skill

The new Interrelated Cooperative training program is designed to provide a course on vocational training for high school students during their junior and senior years. The students alternate on a half-day basis between study in school and training on the job as an employee. During the time in employment, the student is learning the occupation while practicing the skills and getting some remuneration at the same time. His school time is devoted to the prescribed high school courses and to related, technical information on the occupation for which he is being trained.

Directing And Composing Music

DRUM MAJOR AND MAJORETTES
Cindy Zahn; Bonnie Juzwiak; Dick Kautz, Drum Major; Kathy Deutsch, Jamie Holloway

This is the first year that a Music Theory and Appreciation class has been formed. In theory the students are taugh the basic principles of musical compositions and are given an opportunity to apply them to arrangements of their own. In music appreciation the pupils learn to understand and value both the great works of art and the people who devoted their lives to expression through music.

Each student is an individual with his own road to travel. Although we meet together day after day in the same rooms with many subjects alike, our goals and abilities will never be the same. We must study and educate ourselves for what we are best qualified to do. It is through this flexible curriculum that most of us try to find ourselves. We have but one life to live, and we are largely the determiners of what we hope to become and shall become.

ACTIVITIES

Homecoming . . . 1965 . . . more students . . . . . more alumni . . . more touchdowns . . . more fun!

From the light of the bonfire, students could be seen enthusiastically spurring the Wildcats on to victory in the Homecoming game against Geneva.

Friday greeted the arrival of many parents, alumni, and friends to see the parade of beautiful floats, cars, and other entries.

To highlight the events that day the Wildcats defeated Geneva 32-2. Between halves, the band played while the queen and her court were escorted around the field.

In short, this Homecoming can be marked as one of the best in the history of We-go.

Student Council Aids Administration

Democratic experiences in a democratic society is the purpose of the student council. The liaison between student, representative, and council is as difficult to maintain as that of adult citizenry and government. Council programs, services, and projects for the benefit of the student body include homecoming activities, Rotary films, coat checks at basketball games, student handbook, and A.F.S. The Charity Ball in conjunction with G.A.A. and the Canned Food Drive before Thanksgiving carried through activities for groups other than our own students.

An investigation was made into new systems for election of Student Council's officers, a new committee was formed to promote scholarship, in which discussion was encouraged about possible student activity cards. The present officers and council completed the installation of the a la carte line in the cafeteria.

All in all, this year's Council has achieved much success.

Members of National Honor Society are selected by the faculty on the basis of character, scholarship, leadership, and service. They must be of the upper one-third of either the junior or senior class. Fifteen per cent of each class is chosen. Ten per-cent is elected in the junior year, and the remaining five per-cent is elected in the senior year. Faculty members are allowed to vote for only those students whom they have had a close association with, such as in a class or organization.

N.H.S. also sells refreshments at basketball games and has engaged in other service projects around school, highlighted this year by a successful shoe-shine.

S.P.Q.R. (Senatus Populusque Romanus—Senate and the Roman people) is the name of the Latin Club, which was formed this year. The purpose of the organization is to provide an opportunity for increased knowledge, understanding and appreciation of the Latin culture in a social setting.

Anyone who has had at least one year of Latin or who is studying the language now is eligible to join.

At each meeting, after the business has been conducted, a program is presented by members of the club. This could be a skit, reading, cross-word puzzle, story, film, etc.

The organization this year participated in the homecoming parade (pictured at left), sold refreshments at two basketball games, had a bake sale, a Christmas party, and caroled in the school halls and in town during the Christmas season.

El Círculo de Español

The Spanish Club plans and promotes activities designed to stimulate the interests of students of the language in the many fascinating areas of Spanish culture.

These activities include dinner in a Mexican restaurant complete with singing "mariachis", various films and reports on Spanish speaking countries, skits presented in Spanish by club members, and the annual Christmas party which always includes a gaily colored "pinata" filled with goodies which all members get a "crack" at.

Sprechen sie Deutsch? This year, along with many new additions to the school, a new club has also been added—"Die Grenadier des Wuntenden Helres", simple translation: German Club.

The meetings of the German Club always hold new and exciting adventures and facts for its members. At some meetings the members are whisked from their chairs to Frankfort or the Berlin Wall, via the movie projector, or they listen to an informative and invigorating speech by a native German speaker. Through these various activities the members of the German Club fulfill their club's purpose: To further the students knowledge about Germany and the German language.

Parlez-vous le Francais? Oui? Then French Club is for you, for only French is allowed to be spoken at the meetings. To learn more about France and the French people is their goal. Certainly France and De Gaulle are important in our modern world; thus learning about them is not only important but interesting as well. Plans include seeing a French play and dining out at a French restaurant.

Stimulating Interests

In the school year 1961-1962 the Modern Music Masters Society was established in our school. According to the preamble to the Modern Music Masters constitution, "The chief aims of the Society are to foster a greater interest in band, orchestral and choral performance, and to provide wider opportunities for personal music expression and service to the school, church, and community."

To be a member of the Modern Music Master Society there are three basic qualifications: an apprentice must have a "2" average in music and a "3" average in academic subjects; he must perform a solo or participate in an ensemble; and he must pass a written examination. Following the completion of these requirements a formal initiation is held.

Among the various events that M.M.M. sponsors, the two biggest ones are the annual "Kirnibazz" and the Parents Night Out dance. "Kirnibazz" is a combination carnival, circus and bazaar held in September, while the Parents Night Out dance is usually in May and all adults of the community are invited.

Mental Health Club, now in its second year, promotes social service by entertaining patients at Elgin State Mental Hospital once a month. These students sincerely perform a most beneficial contribution. The members play cards, games, or just talk with the patients. The highlight of these meetings was the Christmas party which included singing, games, refreshments and gifts. The time and understanding of these students was greatly appreciated.

Developing Their Careers

The F.T.A. is a nationwide organization chartered by the National Education Association. These students plan to fill a vital need in America by learning to be capable teachers. The main objectives of F.T.A. include stirring an interest in young men and women for teaching and acquainting them with the many problems that exist in this field. They also are striving to widen their knowledge of the scope of education in our school system of today.

CHALLENGE . . .

Deadlines and nightmares, page proofs and write-ups—these are just a few of the things the *Challenge* staff faces each year. As April 14th drew near, passers-by of room 309 found it buzzing with the sounds of typewriters, and camera clicks. (How does he spell his name—Simoneli? Simenella?)

To make the *Challenge* YOUR book—that was their goal. Photographers were led to numerous places numerous times to get coverage on each event. Brains were racked to hit upon good headlines. The Classes section was getting better and better acquainted with the Wallinger photographers in an attempt to make their section more appealing. The Activities section spent much time running down those elusive organizations, while the Curriculum valiantly pursued the faculty. Nary a football score or player escaped the note of the Sports section.

The Signature Dance and the final banquet helped to balance all that midnight oil burned and to spur the staff on to starting next year's book.

"Tars" de Sousa, Our Foreign Student

West Chicago Community High School's fourth foreign exchange student came from Natal, Brazil. Tarcisio de Sousa arrived late in the summer and was warmly greeted by his American family, the Henry Meyers.

Eighteen year old Tarcisio entered West Chicago Community High School as a senior and was enrolled in English V, American history, shop, speech, sociology and P.E.

Tarcisio has not limited his life just to classes, however. He has been active in Student Council, chorus, and helping out in the cafeteria lunch line.

His ambition in life is to become a doctor for his people. We here at We-Go sincerely wish him the best of luck for the future and thank him for bringing a part of his country to us.

The *Centurion* serves as the voice of the student in school affairs. The main job of the newspaper is to express student opinion on a wide range of subjects, from Creative Writing to Student Council proposals.

With a revamped format and a more dynamic editorial policy, the *Centurion* is fulfilling this demand while keeping pace with a rapidly growing school. This year, for the first time in its 42 year history, our school paper has set aside a separate page for editorial opinion. The *Centurion* also has sought to offer a wider range of sports coverage and has initiated an "Athlete of the Week" section to honor outstanding members of our school's teams. Another continued item is the "Outstanding Senior" section.

Each year a few select students are chosen to attend summer camps. Cheerleading, music, conservation, GAA and Girls and Boys State are those camps offered. From these camps it is hoped that these students will share and learn new techniques with the other participants from the state of Illinois. These camps have proved to be very effective and rewarding, not only to the students involved but to the entire school.

During the school year the Student Council of our school has the somewhat difficult task of choosing the Rotary Club Boys.

A Rotary Club Boy may be of the junior or senior class and is chosen for his scholastice standing, leadership abilities, personality, and athletic or musical talents. He usually can be found at meetings, in athletics, or burning the midnight oil at home.

Although not a prerequisite he should also be endowed with a tremendous appetite to enjoy thoroughly the meals served at the Rotary Club meeting. He might also improve his vocal abilities—the club meetings usually begin with an off-key version of some American folk songs.

Lion's, like Rotary boys, are chosen for their scholastic standing, leadership abilities, and athletic or musical talent. They too must be juniors or seniors. Eighteen boys are chosen by the Student Council. These eighteen are then divided into groups and assigned a month to attend the meetings. These are basically luncheons followed by a speaker or a film.

The purpose of this program is to introduce the Lion's boys to the leaders of our community and to acquaint them with the needs of our locality and how to face them.

FOOTBALL HONORS 1965

Besides having a winning season this year, there were several boys on the team who received honors.

Paul Neder was named to the Daily News All-Chicago area team. Also Rick Hagen and Doug Truitt received honorable mention on this team. This is the first time a boy from our school has made this team. This trio also received honorable mention All-State.

Football has once again come back to West Chicago. The Wildcats bounced back from a disappointing 1964 season to a successful 1965 season. A record of 5 wins and 2 losses was good enough for 3rd place in the conference. The overall record for the season was 5 wins and 3 losses. This was a proud record.

The boys started out by losing to a strong Crystal Lake team 6-0 in a rain storm, and the results could have gone either way. They bounced back after this game and overpowered Plainfield, 20-6. The following week they spoiled Mooseheart's homecoming by a score of 32-13. Doug Truitt scored 4 touchdowns in this game to tie the record for the number of touchdowns scored in one game. The game was costly, however, when we lost the services of Robin Herman for the rest of the season.

West Chicago enjoyed its homecoming with a win over Geneva, 32-2. After winning the first three conference games, the Wildcats were at a peak as for spirit.

Batavia had beaten Sycamore and were chosen to win the Little Seven Conference. The Wildcats surprised the entire conference that night by upsetting Batavia, 12-7. This was the best Football game seen around West Chicago for many years and was also one of the biggest upsets.

The next game, Kaneland, was again a costly one even though we won 7-0. Paul Neder was injured and had to miss the Oswego game. His absence was noticed because at this point the 'Cats were 5-0 in the conference and were in first place. The team was looking ahead for West Chicago's first football championship, but there were disappointing weeks ahead. Oswego and their brilliant quarterback, Parker, passed over us for a 33-7 win.

The following week Sycamore played us for the championship and came out on top, 27-13. One intercepted pass and one fumble cost us the game.

The Wildcats can look back and say they played for the championship, the first playoff in many years. This team did an outstanding job and deserves much credit.

For Tomorrow

FROSH-SOPH FOOTBALL 1965

The Frosh-Soph football squad was composed of twenty-nine sophomores and three freshmen. It took a few weeks for the team to really look like a polished unit, but over all the boys did a real fine job.

Some of the more outstanding boys were Randy Pratt and Russ Schweig at tackles, Jim Becker at end, Lee Vaughn at guard, and Mike Sweeney at fullback. Mike Schikora and Dan Webb, both freshmen, did very capable jobs at quarterback and lefthalf positions.

Randy Pratt with 63 tackles and Lee Vaughn with 57 tackles led the defense. Jim Becker with 49 points and Mike Sweeney with 29 points led the offense.

First Row: Bruce Enders, George Sterber, Gary Shepard, Richard Folino, Steve Gallay, Mike Middagh, Dave Keeley, Paul Escobedo, Bill Brach, Steve Doggett, John Ward, Gary Moravec.
Third Row: Coach Gilmore, Coach Grubbs, Stan Martin, George Reynolds, Alan Carlson, Ed Doyle, Richard Runowski, Dick Fessler, Mike Wilson, John Bowers, Tom Freund, Orrin Benjamin, John Nixon, Bill Kuntz, Chuck Bahr, Paul Fotre.
Third Row: Mike Tinnes, Chuck Tuck, Rick Youngberg, Kent Adamson, Leslie Bailey, Rich Engelhard Tom Fawell, Rudye Dresch, Dean Westrom.

FRESHMAN FOOTBALL

The 1965-66 Freshman football team consisted of the largest turnout of boys in the history of West Chicago. 52 boys, in all, tried out for the team. One more game was added to the schedule this year giving the team 8 chances for victory. The team's final record was 3 wins, 4 losses and 1 tie. In conference competition we were 3-2-1.

Six boys did all the scoring this season. They were Rick Folins, Richard Fessler, Jack Weyrauch, Rudy Dresch, Ariel Mayorya, and Tom Freund. Twenty-two members of this year's squad were given a new special award for performance, and 47 boys in all received awards. The team began to work together as a unit for the last four games. These remaining games were played very well, and we scored 93 points to our opponents' 36.

VARSITY CROSS-COUNTRY

This year the varsity cross-country team came up with good individual performances. An outstanding runner was junior, Luis Pannarale, who finished 3rd out of 75 runners in the Jr. Division of the Crystal Lake Invitational. In the Ridgewood Invitational he finished 12th out of the 105 runners and was number 1 varsity runner for most of the season. The varsity team didn't win a dual but have high hopes for next year as they only lose two varsity runners. The two are Steve Turner, who finished 4 yrs. of cross-country running by being number 1 on the team in the last few meets, and Ron Kveck, a senior, out for the first time this year.

First Row: Luis Pannarale, Ed Kocher, Mike Shieve, Brian Grames, John Von Dorn, Steve Smith.
Second Row: Coach Coulter, Rich Casey, Steve Turner, Bob Ulbricht, Ron Kveck, Tom Lester, Sam Ruch, Manager.

FROSH-SOPH CROSS-COUNTRY

This year the frosh-soph runners proved to be a team. The individuals who performed well were a Sophomore, Rick McEwen, and two Freshmen, Gordon Evans and John Casey. McEwen was the 42nd at the Ridgewood Invitational. He ran about half the season on the Varsity team. Casey and Evans finished 15th and 16th at the Crystal Lake Invitational and were two of the top runners on the frosh-soph team.

The frosh-soph team won 5 of 11 dual meets and finished first in our only triangular meet.

JUNIOR VARSITY BASKETBALL

This year's Junior Varsity basketball team compiled one of the better records of this sport. Ending the season with an overall mark of 11-6, the boys displayed great skill which could make the difference on the varsity next season.

Jerry Hansberger was the leading point maker with 120 points but was followed by Jim Becker with 111 and Paul Fairbank with 95. Holding the position of top rebounder was Bob Ulbricht with 109 while Jim Siekmann had 101 and Dale Price 66 rebounds. In the shooting percentages Jim Becker and Bob Ulbricht led the team with .400 and .390 respectively. Jerry Hansberger also had the highest percentage of the regular team at the free throw line—71 per cent.

VARSITY WRESTLING

This year's Wildcat Wrestlers had a very satisfactory season with an overall record of 9-5 in dual meets.

We-Go brought home a second place trophy from the Little Seven Tournament after Bill Wenger, Jack Gilmore, Dirk Bender, and Randy Pratt won first place medals. At the same meet Rich Casey took second while Steve Tinnes, Ken Wangberg, and Bill Domzalski took thirds. Another trophy was added to our collection when Bill Wenger took an individual first to help We-Go take third place in the Elmwood Park Invitational Tourney.

Again taking third place, at the Hinsdale District Tourney, the 'Cats advanced four boys to the Sectional Tournament. Bill Wenger, Jack Gilmore, and Randy Pratt won districts firsts while Rich Casey won second.

To end the season, Randy Pratt, a sophomore wrestling at 165, captured a third place at the sectional.

FROSH-SOPH WRESTLING

The 1965-66 Frosh-Soph Wrestling team began slowly against non-conference teams. However, as the season progressed and their skills developed, the picture changed to one of a more confident, winning team. Against the conference teams their record was 2-3-1 and overall 5-8-2. The conference tournament at Geneva showed We-Go in fourth place. At this meet John Burke at 103 and Henry Covarrubias at 154 captured second place awards, while Tom Freund at 120, Bob Clark at 133, Jack Weyrauch at 138 and Lee Vaughn at 145 took third place wins. Dave Navarro at 112 and Gary Cotie at heavyweight placed fourth.

FRESHMAN WRESTLING

With a large turnout at the beginning of the season, the freshman wrestling team was able to develop some fairly good wrestlers. In the Batavia Freshman Tournament, John Casey, Jack Weyrauch, and Tom Fawell took first place at 103, 138, and 145 lbs. respectively. In the same tournament Tom Freund took second at 120 lbs. Some of the Freshman wrestlers occupied first-string positions on the Frosh-Soph team for part or all of the season. Nevertheless, the team was lacking in the heavier weights as there were few boys who came out for this division.
