

How do we get to 1000 Books?

If you read five books per week,	you'll read 1000 books in 1,400 days	which is 200 weeks	Or about 47 months	And that's less than four years!
If you read one book every day,	you'll read 1000 books in 1000 days	which is about 143 weeks	Or about 33 months	And that's less than three years!
If you read two books every day,	you'll read 1000 books in 500 days	which is about 72 weeks	Or about 17 months	And that's about a year and a half!
If you read three books every day,	you'll read 1000 books in 334 days	which is about 48 weeks	Or about 11 months	And that's less than a year!
If you read four books every day,	you'll read 1000 books in 250 days	which is about 36 weeks	Or about 9 months	And that's less than a year!
