The West Chicago Public Library District (Library) will comply with the Identity Protection Act, 5 ILCS 17911 *et seq.* The Identity Protection Act requires units of government to approve and implement an Identity Protection Policy to ensure confidentiality and integrity of Social Security Numbers which agencies collect, maintain, and use.

Procedures

Social Security Number Protections

Whenever an individual is asked to provide the Library with a SSN, the Library shall provide that individual with a statement of the purpose or purposes for which the Library is collecting and using the SSN. The Library shall also provide the statement of purpose upon request. A sample statement of purpose is attached to this Policy.

The Library shall not:

1. Publicly post or publicly display in any manner an individual's SSN. "Publicly post" or "publicly display" means to intentionally communicate or otherwise intentionally make available to the general public.
2. Print an individual's SSN on any card required for the individual to access products or services provided by the person or entity.
3. Require an individual to transmit a SSN over the Internet, unless the connection is secure or the SSN is encrypted.
4. Print an individual's SSN on any materials that are mailed to the individual, through the U.S. Postal Service, or any private mail service, electronic mail, or any similar method of delivery, unless State or Federal law requires the SSN to be on the document to be mailed. SSNs may be included in applications and forms sent by mail, including but not limited to, any material mailed in connection with the administration of the Unemployment Insurance Act, any material mailed in connection with any tax administered by the Department of Revenue, and documents sent as part of an application or enrollment process or to establish, amend, or terminate an account, contract, or policy or to confirm the accuracy of the SSN. A SSN that is permissibly mailed will not be printed, in whole or in part, on a postcard or other mailer that does not require an envelope or be visible on an envelope without the envelope having been opened.

In addition, the Library shall not:¹

1. Collect, use, or disclose a SSN from an individual unless:
 - (i) Required to do so under State or Federal law, rules or regulations, or the collection, use or disclosure of the SSN is otherwise necessary for the performance of the Library's duties and responsibilities;
 - (ii) The need and purpose for the SSN number is documented before collection of the SSN; and
 - (iii) The SSN collected is relevant to the documented need and purpose.
2. Require an individual to use his or her SSN to access an Internet website;
3. Use the SSN for any purpose other than the purpose for which it is was collected.

Requirement to Redact Social Security Numbers

The Library shall comply with the provisions of any other State law with respect to allowing the public inspection and copying of information or documents containing all or any portion of an individual's SSN. The Library shall redact SSN's from the information or documents before allowing the public inspection or copying of the information or documents.

When collecting SSN's, the Library shall request each SSN in a manner that makes the SSN easily redacted if required to be released as part of a public records request. "Redact" means to alter or truncate data so that no more than five sequential digits for a SSN are accessible as part of personal information.

¹ These prohibitions do not apply in the following circumstances:

- (1) The disclosure of SSN to agents, employees, contractors, or subcontractors of a governmental entity or disclosure by a governmental entity to another governmental entity or its agents, employees, contractors, or subcontractors if disclosure is necessary in order for the entity to perform its duties and responsibilities; and, if disclosing to a contractor or subcontractor, prior to such disclosure, the governmental entity must first receive from the contractor or subcontractor a copy of the contractor's or subcontractor's policy that sets forth how the requirements imposed under this Act on a governmental entity to protect an individual's Social Security number will be achieved.
- (2) The disclosure of Social Security numbers pursuant to a court order, warrant, or subpoena.
- (3) The collection, use, or disclosure of Social Security numbers in order to ensure the safety of: State and local government employees; persons committed to correctional facilities, local jails, and other law enforcement facilities or retention centers; wards of the State; and all persons working in or visiting a State or local government facility.
- (4) The collection, use or disclosure of Social Security numbers for internal verification or administrative purposes.
- (5) The disclosure of Social Security numbers by a State agency to any entity for the collection of delinquent child support or any State debt or to a governmental agency to assist with an investigation or the prevention of fraud.
