CHALLENGE

CLASS OF 1952
WEST CHICAGO COMMUNITY HIGH SCHOOL

"Dedication"

*To Mrs. Marie W. Balzhiser and
Mr. Robert Haebich, we dedicate our
"Challenge", in sincere appreciation
for their efforts in guiding us through
act 1 in our role in life*

The Class of '52

In many ways, Student Life closely resembles the production of a play. The individual is important in each, yet success depends on the friendly co-operation of every person concerned. The right mixture of talent and enthusiasm, industry and sincerity will combine to make pleasant memories of our High School days.

And now the curtain is rising, and the Play is about to begin.
