Dedication

In recognition and appreciation of thirty-three years of continuous service as a member of the Board of Education of Community High School District #94, the 1965 CHALLENGE is proudly and respectfully dedicated to Ridell A. Kelsey. Mr. Kelsey has served as President of the Board for the last twenty-two years.

Throughout these years he has been sincerely concerned with the best interests of our students, the faculty, and the citizens of the community. His sense of humor, fairplay, and seriousness of purpose have marked his years of service to the district. Mr. Kelsey, the CHALLENGE, representing all the students that have been graduated during your tenure, thanks you for your dedication to the cause of public education these many years.

CLASS HISTORY

We, the Senior Class of 1965, entered high school in the fall of 1961 as freshmen. Mike Lepper was our first president; Sue Kerner, vice-president; Paula Kuhl, secretary; and Jane Barclay, treasurer. Our float was "Little Chance on the 13th," and the class party, "Sweatshirt Swing," was a big success.

The following year brought a change of officers with Don Mertes as president, Clint Scherf (who unfortunately moved away and was unable to serve his term) as vice-president, Lynn Quilico as secretary, and Bruce Willeumier as treasurer. Our float that year was entitled "Lick 'Em," and our party was a successful playnite.

Our junior year brought about the second term of Don Mertes as president; Sue Kerner regained the vice-presidency; Sue Ryan was secretary; and Dennis Wold, the treasurer. The Homecoming float was "We've a Victory."

The beginning of our senior year brought flashbacks of the preceeding year's campaign for class officers, which received much comment in the *Centurion*. It was an election with balloons floating from the balcony and placards and yells acknowledging the candidates. The Class of 1965 was the first class in a long while to have an elected executive board. The year also began the third term of our president, Don Mertes, with Frank Lenertz as vice-president, Jama Bennett as secretary, and Dennis Schuett as treasurer. Our class took first place in the float competition with the theme "If I Had a Hammer, I'd Hammer Out a Victory." The Senior Class was assisted by the juniors with the Homecoming dance. The traditional Senior Christmas dance was entitled "Crystal Cotillion."

The 1962 *Challenge* wrote about the Class of 1965, "Our slate is clean. The record is ours to write, not only with the grades we make . . . As freshmen, our voice is weak, but it will grow stronger." It can truly be said that the Class of 1965 has written a respectable record through hard work both academically and socially. The voice of the Senior Class has truly grown stronger and is heard by all with respect.

Superintendent and Principal

The growing student body and expansion of the school has greatly increased the responsibilities of the principal. When the duties of both superintendent and principal were too much for one man to carry out efficiently, Mr. John Weyrauch became superintendent. Replacing him as principal is Mr. John Jorstad. Working together they hope that a continually improved curriculum, as well as sufficient services and facilities will adequately provide students and teachers the best educational environment possible.

Deans

Miss Thomassen

The increasing enrollment each year increases the problem of attendance, tardiness and discipline. The Dean of Boys and the Dean of Girls now handle these problems quickly and systematically. They serve as a contact between the school and the parents and between the school and social agencies.

Mr. Jahns

Guidance

The function of guidance in a school is dependent upon the leadership of a professionally trained counselor. In WCCHS we have Mr. DeLap, Guidance Director and Senior counselor; Miss Atchison, Freshman counselor; and Mr. Peterson, Sophomore and Junior counselor. These counselors work with the students, faculty, and parents to develop and promote services to assist individual students in self-understanding and effective personal development. The assistance may be offered to students individually or in groups, but it is available to all students. The counselor attempts to deal with the emerging needs of the students as

Mr. DeLap

well as to help plan a comprehensive program of services that will contribute to the adjustment of students to new situations. This planned program attempts to make it possible for a student to understand himself through test results and through the analysis of previous experience. The counselor plans college nights and other activities that will provide students with facts about their environment relative to both educational and vocational opportunities and requirements. Other functions of the guidance program are articulation with the feeder schools, orientations of new students, placement, and follow-up of dropouts and graduates.

Studying our nation's history and its relationship to that of foreign and economic affairs is a means of future advancement and better understanding between men. Through courses as social studies, world or American history, and American government students are introduced to a man's continual struggle for a better way of life as well as his beliefs in the natural environments around him.

The learning and application of a foreign language can be a rich contribution toward a student's education and experience. Through the study of the various languages it is hoped that Americans will have a more direct communication and understanding with other nations.

Offered this year for the first time is a course in German which stresses the basic elements of the language with emphasis on speaking, reading, and writing. Offered again this year are classes in Latin, Spanish, and French.

Varsity Football

West Chicago's 1964 football team suffered a setback this year, losing all eight of their games. Injuries were a large problem during the year.

In the first game of the year, West Chicago lost to an improved Crystal Lake team, 20-6. The moral of the 'Cats was broken when they lost 13-7 to a weak St. Charles team. Mooseheart beat We-Go during Homecoming week by a 19-0 margin but Geneva had a rough time beating the 'Cats even though the game ended 14-7 in the Vikings' favor. The Wildcats played their closest game of the year against Kaneland. In this game We-Go was winning 13-7 until the Knights threw a 20 yd. pass for a touchdown late in the fourth quarter and won 14-13.

Jim Lootens was voted Most Valuable Player and also made the All-Conference first string team. Honorable Mentions went to Bruce Smith, tackle; Bill Coates, fullback; Sheldon Haag, halfback; and Steve Coates, center.

Junior Varsity Football

A Junior Varsity football team was organized this year for the first time and it had a very successful season. The team was undefeated until the last game when they lost to St. Francis 14-13 in the last two minutes of the game. A strong running attack was a key to the team's success and the defense also did an outstanding job.

The purpose of the Junior Varsity team is to give boys who play little Varsity ball a chance to participate in games.

Coach Hansen; Coach Kerner; Coach Ream.

All-Conference Honorable Mention: Steve Coates, guard; Sheldon Haag, halfback.
 All-Conference (first string) Jim Lootens, end.

FROSH-SOPH FOOTBALL

The 1964 Wildkits' record of 5 wins, 2 losses, and 1 tie, was the best Frosh-Soph record since 1953.

Captained by Paul Fairbank and Jerry Hansberger, the Wildkits improved with each game. After dropping their first conference game to Sycamore, they defeated Saint Charles, Geneva, Mooseheart, and Kaneland. Batavia, the eventual Frosh-Soph champ, defeated the Wildkits 7-6 in the last three minutes of the game. A good Oswego team forced the 'Kits to a 13-13 tie, ending the season.

One of the outstanding characteristics of this team was the teamwork displayed by every player.

Freshman Football — 1964

FRESHMAN FOOTBALL

The We-Go freshman football team compiled a 1 win—5 loss—1 tie record for 1964.

The team opened the season with a 7-7 tie with Batavia followed by a 6-0 victory over Oswego. The remaining 5 games were hard fought battles, but the freshmen could not score consistently enough to win. The Mark Lepper-Jim Becker combination resulted in eight touchdown passes, and Larry Smith scored three touchdowns from the ground.

First row: Larry Smith; Pete Bambacht; John Nicholson; Ed Abell; Dave Navarro; John Burke.

Second row: Jerry Kudrna; Lee Vaughn; Richard Browne; Mike Sweeney; Charles Deutsch; Rand Mosby; Gary Karwoski; John Havlin.

Standing: Jeff Walker; Hal Dietz; Johan Vold; Joe Jarosz; Don Kautz; Coach Coulter.

VARSITY CROSS COUNTRY

The 1964 Varsity team was composed almost entirely of seniors—Steve Turner was the only junior runner used. (Mike Pratt and Don Kautz, seniors on this cross country team, were the top varsity runners for the last three years.) In competition with teams from schools much larger than We-Go, the varsity's record was 1 win and 9 losses. For their dual meets, they placed 6th out of 16 at the Ridgewood Invitational, and they were 16th out of the 21 participating teams at the District meet.

Frosh-Soph Cross Country — 1964

FROSH-SOPH CROSS COUNTRY

The Frosh-Soph team, led by Luis Pannarale and Steve Smith, compiled a 5 won—5 loss record this year. This record might have been improved upon if the Frosh-Soph harriers had not been in competition with teams from larger schools, if the boys in the team had not suffered so many injuries, and if more spectators had attended the meets.

This team was composed mostly of sophomores, leaving few experienced runners for next year.

First row: Jim Lambe; Bob Neumann; Steve Smith; Bill Smith.

Second row: Ed Kocher; John Von Dorn; Jack Gilmore; Bob Weinbauer; Hal Stanely; Luis Pannarale.

Third row: Dick Casey; Bob Buehler; Tom Lester; Rich Neff; Bob McEwan; Mike Schieve; Coach Coulter.

VARSITY BASKETBALL

This year's Varsity basketball team finished with an overall record of three wins and twenty losses. They finished seventh in the Conference with three wins and eleven losses. They will be remembered as a team that never gave up regardless of the odds.

Top scorer for the season was Junior, Ron Kveck, with 288 points, followed by Sophomore, Ruben Macais, with 274 points. Ruben also led from the free throw line with a percentage of .783, while Junior, Gil Willeumier, led in rebounding with 173 rebounds.

VARSITY WRESTLING

The Varsity wrestling team compiled a season record of five wins and seven losses. The team suffered from the loss of key wrestlers due to injuries, hampering chances for a conference championship. However, they placed second behind St. Charles and Oswego by 10 points in the conference meet.

Tri-captains Bob Madison, Dennis Wold, and Mike Pratt were impressive in their last year of competition. Bob Madison and John Runowski, both seniors, were the only two We-Go wrestlers to survive District competition and to go on to the Sectional tournament.

FROSH-SOPH WRESTLING

The Frosh-Soph wrestling team had a great season this year winning nine of the thirteen dual meets and tying one. Undeclared at the Sophomore level were the team captain, Steve Smith, and Dirk Bender. The team after compiling this great dual meet record went on to win the Little Seven Conference title. The individual first place winners at the meet were Steve Smith at 103 lbs., Loren Vantreese at 138 lbs., Dirk Bender at 145 lbs., Randy Pratt at 165 lbs., and Carl Schweizer in the heavy-weight division. We hope this is an indication of the type of wrestling that can be expected in the future years.

Boy Cheerleaders

BOY CHEERLEADERS

The 1964-65 school year saw two additions to the regular cheerleader squad. The two boys were added to complete the squad and also to give the much needed motivation for the spectators. Gymnastics, a much needed skill, was introduced into various cheers, which have shown the talent possessed by both the boys.

In the future years, we hope to continue using boys and increase the number so that both the Frosh-Soph and Varsity squads will have boys.

Story of Our

Johan Vold was born May 19, 1947, in Grimstad, Norway, where he lives with his father, mother, and twenty-year old sister Kirsh. The school he attends in Norway is the Dahlse Gymnasium.

The abilities and interests of Johan range from athletics to academics. In Norway he is a member of the Red Cross First-Aid-Corps, in which he makes use of his ability to ski. He is adept at foreign languages, Norwegian, German, English, French, and understands Swedish and Danish.

Johan's American family is the Simmons who live at 739 Elmwood Drive. He and Craig room together in the downstairs bedroom. Johan shares and evidently enjoys all the normal and special activities of this American family. Without the help of the student shares and an American family such as the Simmons, our school would not be able to take part in the foreign student exchange program.

Foreign Student

Johan's subjects at West Chicago High include English, speech, American government, physical education, and his favorite subjects, physics and math. Johan is a member of the track and cross country teams, Student Council, and the American Field Service Committee.

When Johan returns to Norway, two more years of school at Dahlse Gymnasium face him. He also will attend college since he wants to become a doctor.

When asked how he feels about our school, the people, and the American way of life, Johan replied, "These questions cannot be answered in a couple of sentences, but I am very happy to be here; I am really enjoying my stay."

Johan Vold will not be easily forgotten because his warm personality, intelligence, and charm have won the hearts of all who know him. Good luck, Johan.

STUDENT COUNCIL

Our busy Student Council started out the year co-ordinating all homecoming events. This year the Council decided to have "Song Titles" as the general theme for homecoming.

During the rest of the year the Council's duties varied from checkroom duties to sponsorship of a foreign student. The Student Council had a very successful year selling over seven hundred dollars of foreign student shares. The Student Council also undertook the monumental task of re-writing their entire constitution. The Student Council has had a very successful year under the direction of Mr. Holcombe.

Sponsor, Mrs. McGawn; Vice-President, Mark Staeknke; President, Susan Dempsey; Treasurer, Ken Molinelli; Secretary, Nancy Neltnor.

This is the first year that our school has had a French Club. It was organized by Mrs. McGawn as a means of helping the students learn more about France, the French people, French customs, and, of course, the language of France. No English is allowed to be spoken during French Club meetings, and as you can imagine, this can be very frustrating sometimes. The program of the year will be to follow "Le Toui de France," which is the annual bicycle race of France, comparable to our World Series.

Spanish Club is for both students taking Spanish now, and those who have had two or more years of Spanish. The purpose of Spanish Club this year is to learn about Argentina, and at the same time, to promote fun. Plans include several films on Argentina and appropriate field trips to Mexican restaurants, etc.

Varsity Club is a club for our school's athletes. Only those boys who are sophomores, juniors or seniors are allowed to join and even then only after they receive a varsity letter and maintain a "3" average.

The duties of Varsity Club are to usher at all home basketball games, wrestling meets, school plays concerts, and to sponsor the annual Senior-Faculty Game.

NATIONAL HONOR SOCIETY

The purpose of National Honor Society is stated in a four-point motto: Character, Scholarship, Leadership, and Service. Everything the organization does aspires to these goals. Members are elected from the upper one-third of the junior and senior classes. They are elected by the faculty both on the basis of a candidate's all-around proficiency and his personal knowledge gained through contact with the candidates. Fifteen per cent of any one class may be elected; a maximum of the per cent chosen during the junior year, the balance to be decided in the senior year. N.H.S is a service organization. Members address freshman classes annually, urging the new students to work toward N.H.S. by improving their study habits. An initiation assembly and banquet are held each spring. This year their first float "Fools Rush In" won third prize in the Homecoming parade. A picnic is annually staged in early summer to conclude the year's activities.

“Noise Club”

Math Club is an organization whose sole purpose is the study of mathematics. The members of Math Club have an opportunity to expand their knowledge of math going into more specific fields than time would allow during class. To those interested in higher mathematics, Math Club provides the opportunity to work with equally interested students in a desired aspect of math.

Seated: Advisor, Mr. Yunker; President, Dennis Schuett; Advisor, Mr. Howard.
Standing: Secretary and Treasurer, Mary Neder; Vice President, Mark Staehnke.

F.T.A.'s main objective is to promote a greater interest in the teaching profession. Each year F.T.A. sends several members to F.T.A. camp during the summer. Its main fund-raising projects are bake sales and "bow days." The money earned from these projects goes toward a scholarship for a senior definitely planning to enter the teaching profession. At several of the meetings F.T.A. has guest speakers. These sessions acquaint our members with the actual experiences of teachers. In the fall of each year the teachers are honored during American Education Week. F.T.A. also plans special projects during National Teaching Career Month.

Modern Music Masters

Modern Music Masters is a music honor society, which was started in our school in the year 1961-62. According to the preamble to the Modern Music Masters Constitution: "The chief aims of the Society are to foster greater interest in band, orchestral and choral performances and to provide wider opportunities for personal musical expression and service to the school, churches, and community."

In choosing apprentices five characteristics are taken into consideration: scholarship, character, co-operation, leadership, and service. An apprentice must have a "2" average in music and a "3" average in academic subjects. He must also perform a solo or participate in an ensemble and pass a written examination. A formal initiation is held after the apprenticeship when the apprentices are presented with a pin and life membership card.

The big event of each year for Tri-M is the annual "Kirnbazz," a combination circus, carnival, and bazaar. This is the main money-making project, which provides funds for sending worthy music students to music camp.

The 1964-65 Challenge Staff began working on this yearbook in early spring of 1964, when editors were selected. Rick Fitzsimmons is the first boy to be editor-in-chief in many years. Jackie Meriam filled the newly created post of executive editor, and John Balong was selected as Business Manager. These new editors immediately began planning the yearbook with guidance from Mr. Severe, the advisor. Five editors and Mr. Severe attended a three day yearbook conference at the University of Illinois in early fall and received many new and practical ideas in yearbook planning.

Soon thereafter section editors began planning and putting together their sections. After a year's hard work and a final rush to meet deadlines, the 1965 Challenge was finally completed and presented to We-Go students before the annual Signature Dance.

The Centurion, our bi-monthly newspaper, functions as the voice of the students of our school. At the beginning of the school year the editors, under the direction of Mr. Morrison, the advisor, formed an editorial policy which brought many controversial issues before the student body. The Centurion received much response from the students to these issues in the form of letters to the editor.

The paper continued to report current school and community news, feature articles ranging from light, humorous, stories to literary works, and serious informative articles.

Camp

A few outstanding people are chosen every year from each club to attend certain camps. This year, (upper row) Don Mertes, Jeffrey Voelz, Dennis Schuett, Glenn Dau and David Miller were selected to represent our school at Boy's State at Springfield, in order that they might gain a better understanding of how our state government operates. The next group, selected by the band, orchestra, and chorus to attend music camp, is Gerald Juzwiak, Carol Vincent, Vlasta Blaha, Kathleen Jordan, Dee Ann Miller, and Muriel Kueker. Craig Simmons and Terry Bodine (center) were selected to attend conservation camp. Steve Hersee, Kathryn Neumeister, Paula Kuhl, Rebecca Havlin, Maryanne Thompson and Suzanne Harrison were sent to cheerleading camp to learn and practice the more advanced cheerleading skills and crowd psychology. G.A.A. camp was attended by Marilyn Hodson and Catherine Freund, this year's president and vice-president. Outlined at F.T.A. camp were the fundamentals of teaching and it was attended by Tom Klug, Jama Bennett, and Michael Mahood. Diana Hitzemann (far right) attended Red Cross camp.
