HÔME OF THE WILDCATS
1974 STATE 3-A
FOOTBALL CHAMPIONS

GOOD
LUCK
WILDCATS
FROM
OSWEGO

The year 1974 was a year of change and a year of excitement. It was the year that Pioneer 10 passed by Jupiter and out into the endless reaches of space carrying Earth's message to whatever may be out there. Perhaps the 2074 yearbook will include We-Go's first class with a galaxy exchange. This year we had foreign exchange students; Richie from Greece, Veronique from France, and Pato from Chile. 1974 also brought an end to the Arab Oil embargo and once again students could return to their gas guzzling cars. Along with the changing Administration in the National Government, 1974 brought a new administration to the High School. Dr. Kamm, the new principal, did much for student-administration relations by going into the halls and classes and being accessible to all on request.

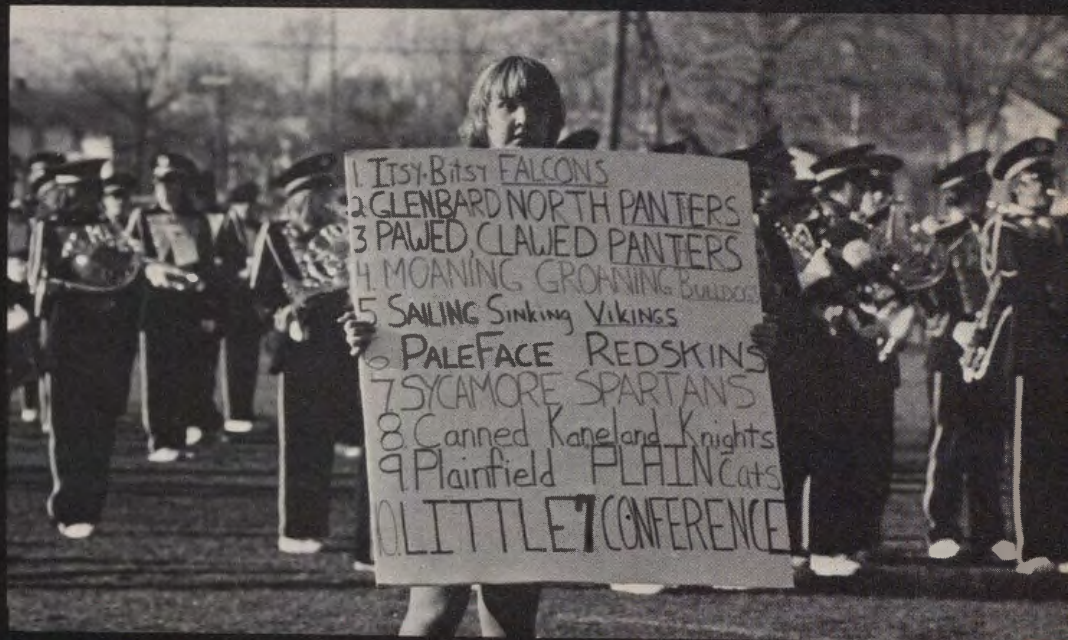

Many controversies came up which showed the students growing interest and concern about the school. One of the major topics for discussion was weighted grades and their necessity. They were eventually abolished by Dr. Kamm and the school board to the general approval of the student body. For the first time in many years, a new class, Consumer Education, was added to the graduation requirements. New sports were added, too. Soccer and Gymnastics. But more than anything else, 1974 was the year of the Wildcat. For the first time in history, West Chicago's football team went all the way downstate and brought back the State 3A Football Championship after an undefeated season. 1974 was a year of precedent being set and will be remembered for many years to come.

Homecoming is Floats

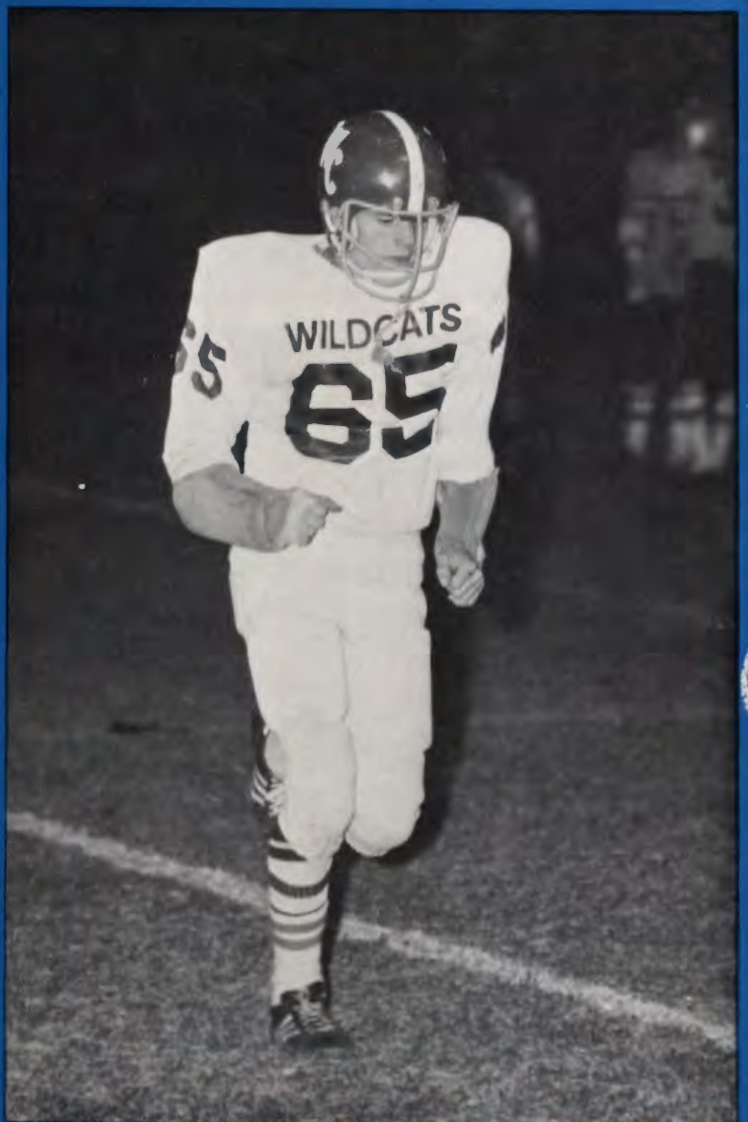

The faculty lost the Tug-a-War to the seniors, but only after great struggle.

Races, Queens, Bands,

Football, Parades, Kings

Homecoming "Surfing Sixties" was especially enjoyable. The week started out with the crowning of King, Virgil Tuck, and Queen, Debbie Burkhart, and her court, Cindy Cleaver, Gayle Christopher, Pam Braun, Cindy Davis; their escorts, Bob Dively, Scott Hall, Henry Antes, and Mike Novosad. The Sycamore Band added to the festivities by participating, for the first time, in our parade. Perhaps it was the cold weather that made the traditional bonfire even more appreciated. The week ended with our Wildcat football team beating the Sycamore Spartans 47-0.

But most of all Homecoming is to be Remembered

The 1974 Wildcats set history by being the first West Chicago football team to finish a season undefeated and the second team to win the Little Seven Conference. The Wildcats were also the first Class 3A State Champs in the state of Illinois. The Wildcats were coached this year by Defensive coach, Ron Hansen; Defensive line coach, Jeff Ainsworth; Offensive line coach, Bob Owens; and Offensive backfield coach, Paul Unruh.

The season was highlighted, not only by the Annual Awards Banquet, but also by being chosen WLS Team of the Week, appearing on the Ray Rayner Show, at the victory assembly after the State Championship Game, where our coach, Mr. Paul Unruh, was voted LSC coach of the year.

The 1974 Wildcats were a very closely knit team. Sports pages proclaimed that they "lived, loved, and won together." The players loved football and each other. They played with enjoyment and enthusiasm that is seldom displayed at any level of competition. The 1974 Wildcats were GREAT!!!!

Besides the team honors, many West Chicago Football players were singled out for individual honors. Following is a list of honors and the players receiving each.

ALL-CONFERENCE: Henry Antes, Jim Brach, Bob Dively, Bill Dettmann (unanimous choice), Bob Forbes, Scott Hall, Jeff Olson, Jerry Stockton.

The 1974 Wildkits finished third in conference with a record of 4-2-1. The coaches and the entire school were very proud of the fine progress the 1974 Wildkits made. Everyone feels certain the Kits, when they move on to varsity next year, will help carry on the championship tradition of the school.

The Freshman Team completed a 7-2 season. Their offense was effective as they out scored their opponent by scoring 337 pts. The defense also had a great season as they held their opponent to only 68 pts. The Freshman B Team were conference champs. Both coaches feel the freshman had an excellent season and could be the class to watch in the future.

The Skin of Our Teeth, by Thornton Wilder, started off this year's theatre program. The production was an exciting and unique one. The plot of the play is unusual in itself. It concerns what seems to be a typical American family that has such atypical experiences as: taking care of their pet mammoth and dinosaur, escaping a flood by sailing away on Noah's Arc, and surviving a futuristic war, once again, "by the skin of their teeth," making it an exciting and Unique production.

Language Night of 1974 - Heritage Night - demonstrated some reasons for teaching languages. Latin students presented modern words rooted in Latin; German students presented Spanish explorers, and French students pointed out the influence of the French in the names of cities in Illinois. Following the skits, Louis Jolliet, in person of Mr. Reid Lewis, French teacher at Elgin Larkin High School, came alive to emphasize our heritage from the French in the development of Illinois, telling the story of the reenactment of the Jolliet-Marquette expedition 300 years ago. Following the presentation, everyone was invited down to the cafeteria for refreshments and festivities, which also represented the four different cultures. These cultures were Latin, German, Spanish, and French.

WINTER

The 1974-75 Wildcat Basketball Team finished the season with a dismal record of 2-20 overall and 2-12 in the conference for 7th place. Inconsistency of play plagued the team all year. They could play well for part of a game, but could not maintain the poise for the entire duration of a contest.

Under the frustrations and problems of a losing season, the team spirit held up through the year. The boys were characterized by their effort and good spirit.

1974-75 We-Go grapplers came back again for the fourth and last time to dominate the Little Seven Conference. Starting off with the Hinsdale Tournament by taking second. The team made their way to the Little Seven Championship Meet which was held here at We-Go. Taking the meet with 110½ points, West Chicago literally ran away with the meet as the next teams were Oswego and Morris with total of 51 points each.

After taking second place at Districts, We-Go sent six grapplers (Zane Bussler, Tom Reed, Don Deutsch, Larry Fry, Scott Hall, and Henry Antes) to sectionals. From sectionals we had Zane Bussler, a sophomore, take first, and Tom Reed and Scott Hall both taking third place finishes. Then, Zane proceeded downstate for a sixth place in the State competition. Congratulations on a fine showing. **GOOD LUCK IN THE FUTURE TO ALL WE-GO's GRAPPLERS.** Sophomores also made a fine showing by taking first in Little Seven Conference competition.

The All-School Musical,

"Little Mary Sunshine," turned back the pages of time to the early 1900's. As Heidi Miller told us in the Prologue, ". . . when Right was Right, Wrong was Wrong, and you could really tell the difference." The story concerned Troop 14 of the United States Forest Rangers in the Rocky Mountains and their quest for that notorious band of Indians, the "Kadotas." Their exploits, especially with the young ladies of Eastchester Finishing School, were hilarious. The Indians, who numbered only three, added to the complexity of the plot. Naturally, in an operetta of that day and age, love played an important part, so our "leads" had plenty to do in that Department; they were "Captain Jim" and "Little Mary," "Corporal Billy" and "Nancy Twinkle," "General (or Uncle??) Oscar" and "Madame Ernestine." And Right triumphed in the end, even to the "rehabilitation" of the renegade "Yellow Feather" in our Flag-waving finish. Oops! I almost forgot the "star" who stole the show — "Looie the Duck!"

THE BILINGUAL PROGRAM at WCCHS has been developed because of the needs evidenced by the school performances of the Bilingual Bicultural students. This year the goals of the program have been to (1) achieve fluency and literacy in two languages and cultures, according to their age level; (2) provide growth in self-esteem; (3) create an integrated learning environment with the entire school; (4) encourage parents to participate in decision making regarding the bilingual program. They feel these goals were satisfactorily attained, making this year a success.

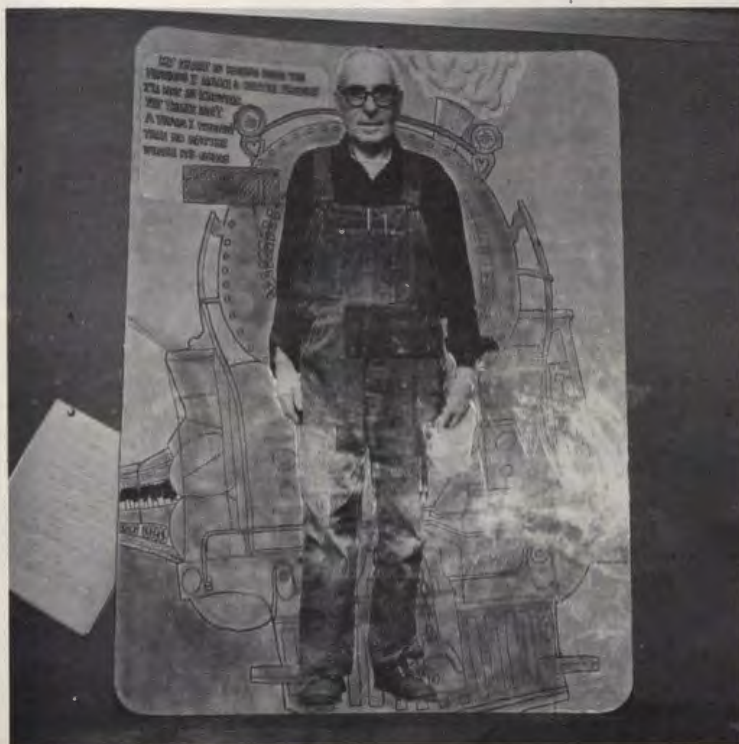

ART...!

ART IS ALIVE at We-go. It's fighting a piece of wire that just won't seem to bend in the right way. It's kicking wood carving chips as you try to get through the crowd for tools or a piece of leather. It's trying to be heard over the screaming sabre saw or drill press to ask or answer a question. It's the place where ten different things are going on in three different places and all the same time. It's looking forward to the Little Seven Traveling Art Exhibit where five pieces of art were entered and Debbie Walker came out with an honorable mention. It's the hectic set up for the annual Spring Art Show, with cookies, coke, and coffee. It's the parents and people of the community seeing what is happening in art at their school. It's senior honors night with Kathy Moniz getting the art award. It's the string, leather, paint, clay, charcole, paper, and all the things that make art go. It's the quiet feeling of accomplishment knowing you have done something creative and well.

The Choirs' year started slow but became very active during November and continued until Baccalaureate on June 9.

The girls' Choir sang at both the Veterans Day Assembly and the Christmas Vesper Program. As usual, the Freshman Chorus sang at three concerts and spent the year learning and reviewing music fundamentals. The Concert Choir sang for a near capacity crowd during the Christmas Vespers on December 15. They also sang for all the General Mills employees for the ninth consecutive year.

On February 22, the Concert Choir was invited to participate in the 11th annual Choral-Clinic Festival on the campus of Illinois State University in Normal, Illinois.

All the choirs and eighth-grade chorus combined for a choral night which was presented on May 19.

Both the choir and the Madrigals Singers provided music for the community during the school year.

The year ended for the Concert Choir on Baccalaureate night, June 9. It was a busy but most fulfilling year.

THE ORCHESTRA made a lot of progress in many areas this year. We "grew" to 30 string players, aided by 33 experienced wind and percussion from Band, to a total of 63 members.

Early in the school year, we helped to present the annual Veterans Day Assembly. We especially appreciate the extra efforts of our Wind and Percussion sections, who were in the height of the football playoff season at the time. Then in December we participated in the annual Christmas Contest.

We considered our Winter Concert in February a "high point" because of the difficulty of music we performed, and also the quality of our performance. Then State Music Contest took our attention, with the string choir once again receiving a superior rating.

The School Musical, "Little Mary Sunshine", was more fun than ever this year. We played on a joint concert with the Elementary and Junior High Orchestras in May, to show how much growth was possible in eight years of Public school music. Our Final Spring Concert on May 27 was a time of reflection on a most satisfying year. We honored the nine Seniors who were playing their last school concert with the Orchestra. Our last public performance was at Honors Night on June 9, when we played the Processional and Recessional Marches for the Senior Class.

THE 1974-75 SCHOOL YEAR OPENED WITH A "BANG" FOR THE MARCHING BAND, as the football season was extended an extra month. Band members were proud of their part in school spirit, and traveled to Geneseo, Glenbard North, and Normal.

Our concert season went very well. Fresh off the football field, we played a series of Christmas assembly concerts in local elementary schools. In February we presented the Winter Band Concert, then State Music Contest for Solos and Ensembles kept us busy until March 8.

In April we presented a joint concert with the Beginners, Intermediate, and Junior High Bands from West Chicago. Our audience found out how much a student can grow, musically, during eight years' study in Public School Bands.

All of a sudden, here it was, time for our Final Spring Concert, when we honor our Senior Band members. When we saw the Senior Awards, with all those activities during four years written out on them, we realized just how much the Band and its members have done, in and for our school.

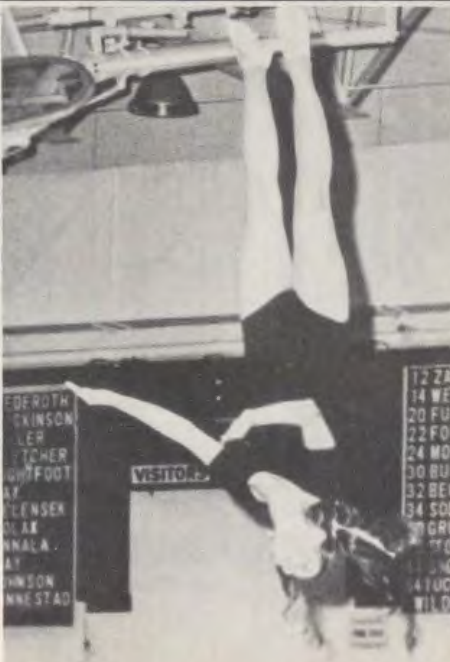

Reflections & Extensions, the Annual Dance and Gymnastics Show, was held on January 16 and 17 this year.

The dancers performed under the direction of Mrs. Barbi Henry and composed all the dances themselves. The dances included a "dance" to strip-type music and a dance depicting the "Life of An Everyday Housewife."

The gymnastics part of the show was directed by Ms. Lori Jordan. The girls performed routines on the uneven parallel bars, balance beam, and trampoline and also performed floor exercise routines and vaulted.

SPRING

everybody is a star

On May 2nd, Pep Club presented the 1975 talent show, *Everybody is a Star*. Once again, there was a lot of talent on the We-Go Auditorium stage. From magic acts to classical music, indeed, everybody was a star.

VARSITY BASEBALL TEAM: Steve Kovac, Dan Lawless, Steve Burgess, Garry Hansen, Bob Forbes, Bob Fultz, Steve Ferro. Second Row: Coach Ron Hansen, Chuck Kuftrin, Gary Tredup, Brett Bussler, Paul Hayes, Bob Zak, Tom Howell, Dave Holderman, Mike

Bob Diveley (6-3) and Tom Howell (5-1) were the leading pitchers. Three of those six wins were no-hitters for Diveley.

Leading hitters were Bob Diveley (.415), Bob Forbes (.362), Bob Fultz (.328), and Bob Zak (.318). Fultz was leader in runs batted in with 16, followed by Forbes with 15, Diveley with 14, and Zak with 13.

Diveley was selected by his teammates as Most Valuable Player, Forbes was selected Most Improved Player, and Fultz was elected Honorary Captain.

The Wildcat Track Team had one of the best seasons in the school's history. A goal set this year was to win a dual track meet, something that hadn't been done for some time. Not only did they win a dual meet, they also won a triangular meet over Morris and St. Francis. The team was led by five top quality seniors: Jerry Stockton, Randy Hill, John Crittenden, Roarke Anderson, and Mike Novosad. The Wildcats finished the season strongly taking a fourth place out of eleven teams at the Crystal Lake Invitational and placing fourth in the Little Seven Conference Meet. West Chicago set a new 880 relay conference record. It broke our school record set in 1936. Also at the conference meet, the 440 relay team placed first and Roarke Anderson won the 220 yard dash. Roarke qualified for the state track meet.

The 1974 - 75 school year was exciting for all the girls at We-Go. The Archery Team competed in a total of nine meets, coached by Ms. George. The Tennis Team took first place in conference; coached by Ms. Singleton. Chris Miltner, a singles player, won Districts, then went on to State competition. The varsity Volleyball Team took an undefeated first place in conference, while J.V. tied with Batavia for the second place title; all coached by Ms. George. Varsity went on to capturing the first place district trophy. The Gymnastics Team, coached by Mrs. Zmrhal, had five non-conference meets. Mrs. Zmrhal also coached the Bowling Team, taking second place in conference at Varsity level. Varsity Basketball earned first place in conference, J.V. Second; all coached by Ms. Singleton. Both teams were in an Invitational; Varsity placing third, J.V. second. The Badminton Team, coached by Ms. Singleton worked hard for their second place title. We-Go placed in six of the eight divisions at the conference tournament.

IT'S ALL IN THE STATE OF MIND — FROM THE COACH — MAY, 1966

**If you think you're beaten, you are.
If you think to dare not, you don't.
If you'd like to win, but think you can't,
It's almost a cinch you won't.
If you think you'll lose, you're lost.
For out in the world you find,
Success begins with a fellow's will:
It's all in the state of mind.**

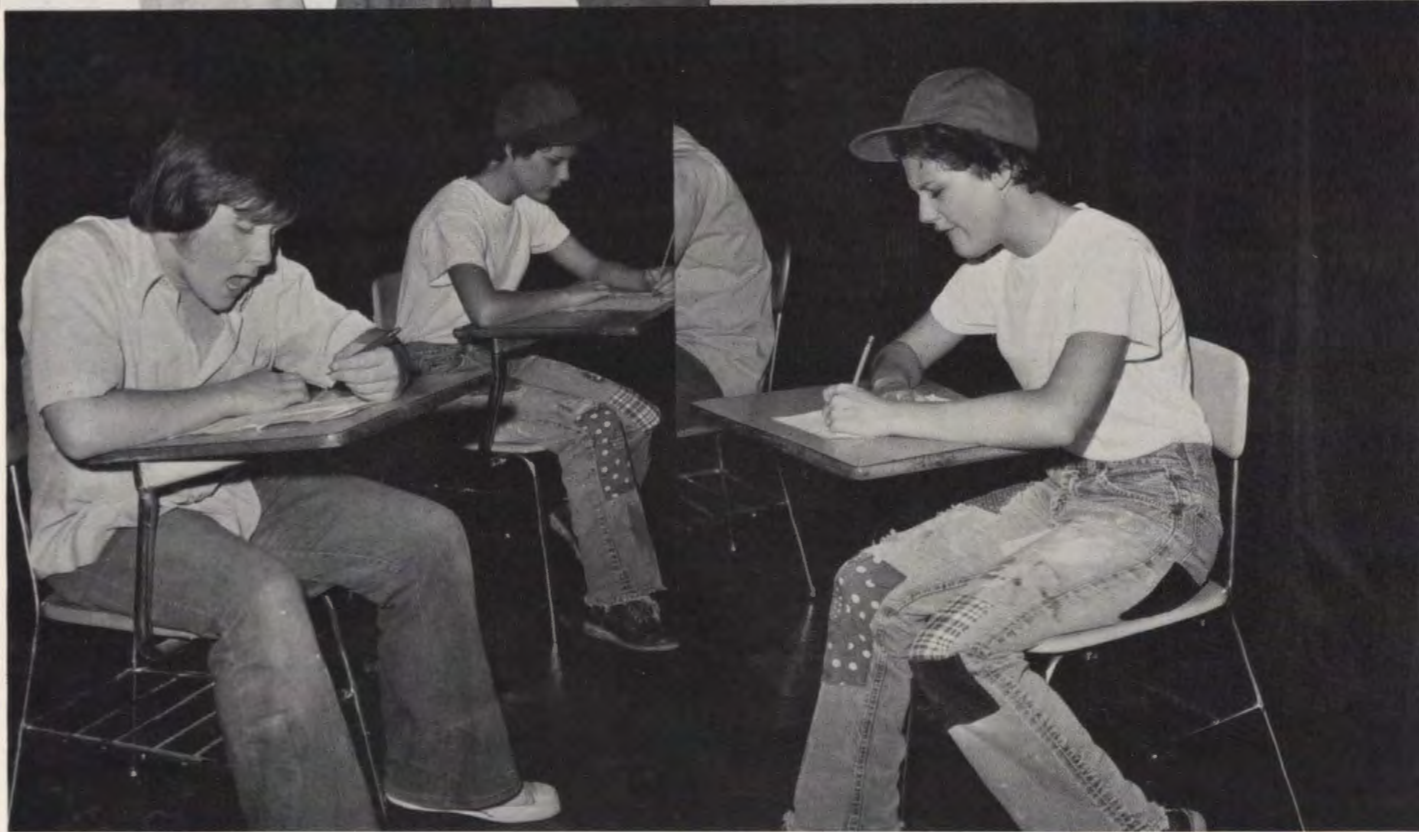

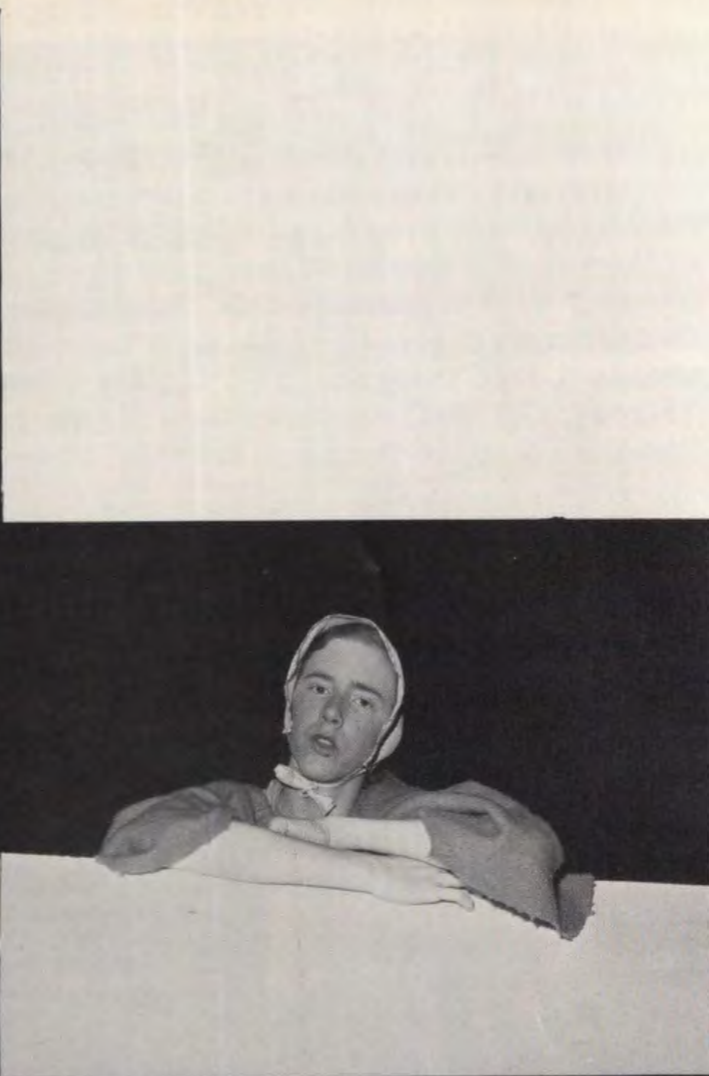

**Full many a race is lost
Ere ever his work begun.
Think big, and your deeds will grow:
Think small, and you'll fall behind:
Think that you can, and you will.
It's all in the state of mind.**

**If you think you're outclassed, you are:
You've got to think high to rise,
You've got to be sure of yourself before
You can ever win a prize.
Life's battles don't always go
To the stronger or faster man,
But soon or late the man who wins,
Is the fellow who thinks he can.**

The One Acts—"Diversity" was the title of this year's one-act play night. The one-acts are directed by Thespian members, but any student may act in them or work on a crew. Thespian, Angela Cliff, directed "Parcel Pick-up," while Ann Hardy directed "The Salesman". Also, two short comic skits were directed by Kerry Musser. All of the plays helped to create a diverse and enjoyable evening.

TENNIS: This year's varsity tennis team, although fairing poorly in dual meets with a 2-14-1 record, did quite well in tournaments. They finished third in the Little Seven Conference, with Fred Toms in singles and the doubles teams of Mark Hodge-Bob Ryan and Steve Oren-Joe Murphy contributing second place finishes. In addition to this, Ryan-Dodge finished second at the eight team Addison Trail Invitational. Fred Toms added a first place finish at the Oswego Tourney. The Most Valuable Player for the varsity was Fred Toms, while Steve Oren was the Most Improved Player.

The Frosh-Soph. team too had a poor dual meet mark because three of the top players were used as varsity substitutes. The Sophomores completed the upswing by finishing second in the conference.

Graduation

On June 11, 1975, friends, relatives, and teachers attended graduation ceremonies at the Bishop Gym. Following the traditional Pomp and Circumstance, class President, Tim Hein presented the school with a football plaque and a donation to the Cancer Research Foundation. Dr. Rodney Berg addressed the class on a relevant topic, "Lifelong Learning." The class was then awarded their diplomas, thus marking an official end to their high school years.

CLUBS

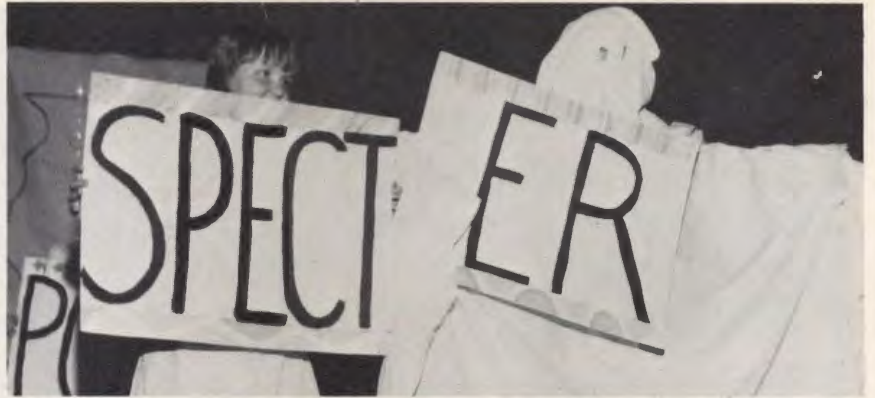

F.H.A.: Miss Baechle, Irene Boorsma, Rosanne Lindell, Cheri Whitaker, Debbie Wienecke, Terri Campbell, Lisa Black, Mrs. Kozlowski.

FUTURE HOMEMAKERS OF AMERICA is a service organization which strives to better themselves as a group, and as individuals through community and school projects. This is the first year the club members have made an effort to get F.H.A. going. Their first activity was a bake sale in the cafeteria. Next year the interest and activities are expected to increase. Look for us next year! Sponsors: Barbara Baechle, Patti Kozlowski; Pres. Rose Lindell; Vice-Pres. Debbie Wienecke; Treas. Nancy Hocko; Board member: Amy Baranowski.

Language Night — Heritage Night — in September marked the beginning of the Language Club year. Each club presented a skit showing contributions to America from the people whose language was being studied. Christmas parties, language contests, trips to see plays, and visits to ethnic restaurants added interest to the everyday learning of the language.

Latin words are still used today.

¿ Habla Espanol?

A typical Roman centurian.

Frau Jenks, hard at work.

Parlez-vous Français?

Mrs. Wissing and Mrs. McGawn at a casual moment.

The Latin Banquet is an annual activity, enjoyed by present and former students of Latin who in costume play the role of the Romans and their slaves in the first century B.C. The first year students are the slaves who wear tunics. They perform in dances and tumbling and other acts to entertain their masters. They serve the delicious meal to the others reclining on their left elbows, as was the custom. The food is great and fun is had by all.

PEP CLUB'S main purpose is to promote school spirit. This year was definitely no exception. Having the **NUMBER ONE FOOTBALL TEAM** really gives you the incentive to work. We had many pep assemblies which turned out super. We also sponsored a concert and Homecoming week activities. The whole year really proved to be a great success with Mrs. Helen Dye, the advisor. This years' officers were: Debbie Wilson-President; Trudi Theis-Vice President; Gayle Christopher-Secretary; and Debbie Dierschow, Treasurer.

VARSITY CLUB

is composed of juniors and seniors who have earned a varsity letter in one or more sports. This year they have been doormen at basketball games, sponsored the donkey basketball game and various other activities.

AIDES

The Inter-Related Occupations Program (IRO) allows juniors and seniors the opportunity to develop their skills and abilities in their career interest, through an On-the-job training program provided by a participating local business firm.

Supplementing the training phase is the IRO classroom phase, which provides related occupational information, and the IRO club phase.

The IRO club is affiliated with VICA (Vocational & Industrial Clubs of America) and has as its annual activities operation of football concessions, State VICA conference and contests, and hosting of the Employer-Appeal Banquet at the end of the school year.

STUDENT COUNCIL: First row: Karen Sargent, Sharon Smith, Wendy Cleaver, Bob Johnson, Kelly Bicchinella, Julie Gustafson, Colleen Courtney. Back row: Kim Galloway, Ann Schibur, Marle

Devereux, Kim Marcum, Chris Gaddis, Wendy Soderquist, Mary Weyrauch, Linda Nichols, Ann Liebezeit.

Student Council

began the school year with the planning and preparation of Homecoming, which proved to be a success. During Homecoming, Student Council sponsored a contest for naming the drive south of the cafeteria. The sign "Wildcat Alley" was dedicated during Homecoming, but was stolen. Money was raised for the sponsoring of an A.F.S. student. Student Council also revised their constitution. Co-advisors were Mr. Wicks and Miss Hayes. President: Bob Johnson; Vice-president: Sue Cheehy; Secretary-Becky Brauer; and Treasurer-Barb Elslager.

Veronique Sournies and Aristos (Richie) Masmanides.

Craig Romoser, Joann Benesh, and Judy Shepherd.

Community High School was host this year to three foreign exchange students: Aristos (Richie) Masmanides-Greece was this year's AFS exchange student. Veronique Sournies-France served as a Rotary exchange student for the school year. Patricio (Pato) De La Maza spent January through March here as an OPEN DOOR exchange student.

During the past school year, four seniors have served as exchange students abroad. These students were: Joann Benesh (AFS-Australia), Craig Romoser (AFS-France), Judy Shepherd (OPEN DOOR-Argentina), and Cheryl Mitz (Rotary-Rhodesia).

This was another busy year for Thespian Troupe #2440. Highlights include attending a drama festival at Niles East High School in Skokie, an auditorium clean-up party (complete with food, dancing to live music, and lots of work) topped off with the thespian one-acts.

In producing the Bridge, the staff aims for better communication among administrators, faculty, and students. Offices changed at the semester break. Penny Tuinstra and Brae Berndt were editors-in-chief, Mrs. Ruth Kloubec was in charge of production, Mrs. Debbie Hladilek was the layout advisor, and Miss Mary Patterson was the advisor.

Business manager, Larry Fry, and Sports Editor, Paul Hayes discuss an article.
