Teachers began the year without a contract after negotiating since the spring of 1986. They picketed occasionally before school hours and distributed leaflets, but did not strike. Negotiators from the Board of Education and the Teachers' Association continued to meet into the fall. Finally on October 26 a tentative agreement was reached, and a school closing was avoided.

Award assemblies were held for the second year. Here the Booster Club and teachers honored those who had excelled in various endeavors. Students of the Month were Joel Mains, Karen Swan, Melissa Goodman, Debra Pegel, Carrie Runyan, Tony Shemezis, Tammy Guzlas, and Scott Clausen.

A high point of the year was the Music Department's success in IHSA State Contest. Participants were named Sweepstakes Class A State Champions.

National and international news centered on more terrorist kidnappings and bombings, AIDS, a strike on an American ship by an Iraqi plane, unrest in South Korea, and charges of the sale of arms to Iran and the diversion of funds to the Contras in Nicaragua. In spite of these concerns, Americans celebrated the bicentennial of the United States Constitution, the foundation of our freedom (1787-1987).

The CHALLENGE staff chose the theme of popular or contemporary music because music is such a big part of our lives. We realize that in five, twenty - or even forty - years the sound or words of a song may bring back a special dance, game, friend, or mood. We hope that the pictures and copy in this book, along with the songs of today, will preserve a unique period in each person's life.
