Every day here at Community High School, students are growing individually, as a school, and as a community. Not only are we Learning, Living, and Leading, but we are Laughing, Loving, and Looking Ahead to our bright futures. Students and staff here at CHS spend our years supporting each other and becoming a family. Here's to another unforgettable year, Wildcats!

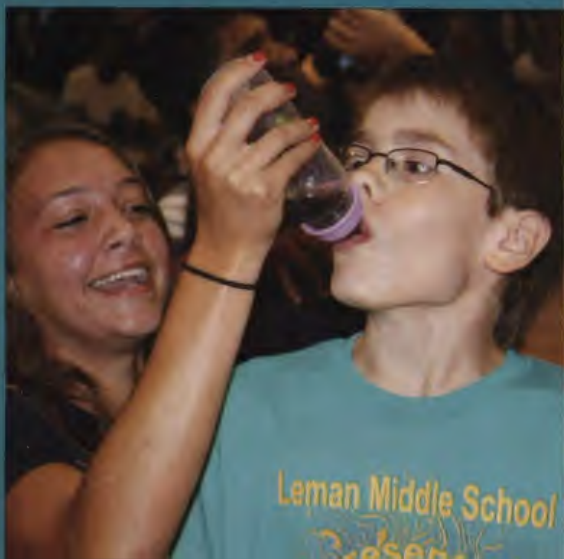

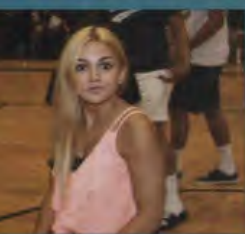

Fall

Wego In With Pride

Welcoming the freshman class to CHS, the WeGo family demonstrated its pride by letting the senior girls bottle feed the freshman boys for a warm welcome. The teachers, however, received a chilly welcome with the ice bucket challenge, although they were able to force some students to suffer with them thanks to Student Council. Wrapping things up, everyone enjoyed some back-to-school grocery cart races and a few rounds of lovely live karaoke. This year's Wego in With Pride assembly showed school spirit and incorporated games no one will soon forget!

Homecoming Week

Homecoming week is all about pumping up the students of WeGo for the great year ahead of them. The week is filled with a plethora of different activities, games, assemblies, parades, and of course, the crowd favorite, the Powder Puff game. This year, Homecoming King Colton Sammons and Queen Aimee Schofield were announced. Wildcat students and teachers alike all love this week because this is when our school erupts with WeGo pride.

POWDER

PUFF

This year's Powder Puff was legendary. Like trending on twitter legendary. The senior class walked off the field with their second victory, this time against this year's juniors. Up against a tough fight from the Class of 2016, the seniors pulled through and came out on top. Unlike any other year, both teams had to coach themselves, making plays and perfecting them. This was definitely a challenge, but both teams proved to be pretty awesome Powder Puffers.

Homecoming Assembly

Aimee Schofield and Colton Sammons (above) were this year's Homecoming Queen and King. Congrats to them both!

This year's Homecoming Assembly had its memorable moments. From the pom boys to the senior class defeating the juniors, it was an intense and successful assembly. The performers all did an outstanding job and left the audience wanting more. The games were not only fun to play but also fun to watch! When Wego does Homecoming, We only Go big for it!

The Squad

This year, our squad was extra upbeat thanks to DJ Vito, who came to some games and played some music with us. Whether we were at home or on the road, the squad was loud and ready to cheer on our fellow classmates in the sports they love to play. Win or lose, the squad always comes together to promote WeGo pride.

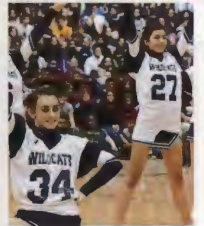

Cheerleading

Looking back on the season, Varsity Coach Meghan Klein views it as a successful year. Cheering at both Sophomore and Varsity football/ basketball games, the Varsity cheerleaders put in a lot of time and hard work "While this was very demanding, we felt honored to cheer for both teams." Although there were no official captains for the team, Coach Klein said that two girls who took leadership of the team were Christy Perez and Arleth Segura "These young ladies were extremely dedicated and did whatever it took to accomplish goals throughout the season I was very pleased with their commitment and overall dedication for the program." When asked about the challenges and accomplishments this season handed them, Coach Klein said that the one main challenge was the overall make-up of the team. "This year was a transitional year since we had a few girls who have never cheered before While this was challenging in the beginning, it turned out to be one of our greatest accomplishments." And as for looking into the future, Coach Klein looks forward to competing after taking a break from competitions this past year. "I also look forward to working with the incoming freshman We definitely have a lot of talent coming in! This next season should be our best season yet!"

Boys Cross Country

According to the boys Cross Country Captain Bob Draughon, this season was fantastic! "We had a remarkable turnout this past season both at summer camp training and the season itself. We had tons of personal records from everyone from all different levels." When asked what he hoped for next year, he said, "We are hoping for just the same, for each person to give it their all and break their records and hopefully, in the near future, have some state qualifiers!" He went on to say, "I personally am hoping to set some groundwork for the school and athletic department as a whole so that we may improve in a positive way in our abilities and character." Way to go boys, we can't wait to see what you've got in store for next season!

Girls Cross Country

Girls Cross Country had an excellent season this past year, having had two girls qualify for sectionals. According to junior Shelley Parat, "This season was different because we had the second largest team in the school's history. But of the 34 girls on the team, only 12 had been on previously so it was a lot of fun teaching the new girls the traditions of the team." Next year Parat hopes the team "continues to grow with new additions and everyone continues to try their best and improve at every meet." Great job this season girls and good luck next season!

Football

This season for football was much better than it had been in a long time. According to senior Michael Otwirk, "We had a smaller team this year strength wise so competing with teams that were bigger than us was definitely a challenge. We made up for that disadvantage with our athletic ability and knowledge of the game." Offering advice to next year's team, Otwirk said to, "listen to the coaches and do as they say. If future players simply follow what the coaches say, then success will follow." Good luck on your season next year, boys!

Boys Golf

This year boys golf had yet another great year. Through trial and error the boys each improved and developed their skills along the way. Having so many young players on the team next year is looking good for the boys. The team played their hardest and gave it their all, along the way however they had their fun moments too. These are the best years to learn and improve golf skills which these boys took advantage of. Golf is an enjoyable and relaxed sport that takes skill and practice.

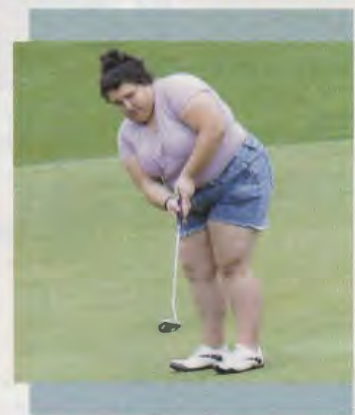

#GolfStrong

Girls Golf

Even though at first there were limited players on the team, girls golf pushed through it and were able to gain some new players along the way. This year girls golf did a great job and put forth their best efforts. Team captain Alex Dimas said "It was great getting to know all the new players and each girl improved throughout the entire year!" as practice makes perfect, player Kayla Goffinet said "I learned that you don't have to run on the golf course because Kempinski will yell at you" So not only does golf have benefits of getting 10th hour off or P.E. exempt but you also have a fun time playing the sport and learning new things about each other and golf.

Poms

The poms season got off to a great start this year at the annual poms camp where they took home three awards. Senior and captain **Lizzy Mastroianni** said, "This was our best season yet! All the girls worked so hard and improved so much. This was my favorite season because there was so much positive energy, great work ethics, and success!" When asked if she had any advice for the girls next season, she said, "Always have a positive attitude and practice all your dances and enjoy it, because it's over before you know it!" Co-captain and junior **Hunter McComb** is very hopeful for next season because, "our team was only a couple points away from placing in the top three and we know what has to be done this upcoming season to receive a bid to the State Competition." The seniors will miss performing during halftimes and competitions and the friendships they made, but wish the poms of next year good luck!

Boys Soccer

After a tough season, the boys were able to advance to Sectionals for the first time in almost 20 years by winning the Regional Championships against the number one team, St. Charles East Morton, the number one team in the state, was also defeated Coach Jose Villa said, "We hope to continue to compete for regionals and beyond as well as competing for a championship." Other achievements such as becoming All-Conference players were reached this year by our three seniors: Jesus Fernandez, Antonio Velazquez, and Oswaldo Estrada. Congratulations on winning the Regional Championship and good luck next year boys!

Girls Swimming

The girls swim team had an exceptional season this year! The co-op with Batavia created many memories and accomplished a lot for both Batavia and West Chicago. Overall, the team sent four girls to State three individual events and one relay. The 400 meter free relay that broke the record on the board at sectionals got second place to qualify for state. One of the swimmers from Batavia also placed in first for the 100 meter backstroke. When asked about Freshman on the team, Junior Lindsay Bruce stated, "New swimmers are great, they add tremendously to our little family." With all the new swimmers the girls hope that the once little team will be able to become faster and send more girls to State. Lindsey believes that this is one of the best season they've had in awhile. The girls expect even more accomplishments for next year!

#Chlorinels

Girls Tennis

The girls had a tough season this year but fought hard with their small team. The top two doubles teams placed in a few different tournaments this year. Captain Edith Munoz advises "If you truly want to get better, you have to practice, not only during practice but outside of practice as well. Take Lessons. Go hit some serves. Because the only one that's holding you back is yourself. Every match matters, so commit to it and give it your all." From her experience as tennis captain, Edith knows that practice makes perfect. Although most of the team is graduating, the girls hope that next season will bring in fresh faces and skills.

Girls Volleyball

This year for volleyball went very well Junior Ronni Katarzynski said. "We pushed ourselves so hard and fought until our tanks were empty." This season, the girls made sure to focus not only on the game, but on bonding as a team as well. Of the team bonding, Katarzynski went on to say, "It held us together when we were going through tough times. Next year I'm hoping we come in with the bonding aspect already in place so we can focus more on the volleyball aspect." She finished by saying "West Chicago varsity volleyball is ready for a change, we want to become a threat."

Winter

WINTER PEP ASSEMBLY

What better way to defeat the winter by having a great game like bubble soccer. From bouncing to falling to flying and "oh mying" Wego had a blast with the bubble soccer game and not only did the audience have a great time watching but even the participants had even more fun playing. Not only was this game a hit but so were all the performers who really gave a show. Student council even gave their own showing of the Wildcat statue and gave the students a shocking reveal. These are the times we never forget!

Variety Show

This year's Variety Show was full of diverse acts and amazing talent. The competition was especially fierce this year having first and second place only been separated by a few votes. Ultimately, first prize went to The Lofty Ones with last year's winners Indigofera coming in a close second. The Lofty Ones was made up of freshman Danny Weber, juniors Christopher Stibal and Stephen Lewis, and seniors Jacob Gillespie and Matthew Loftus. Congratulations to everyone that participated and made the show such a fantastic success!

Hoopscoring

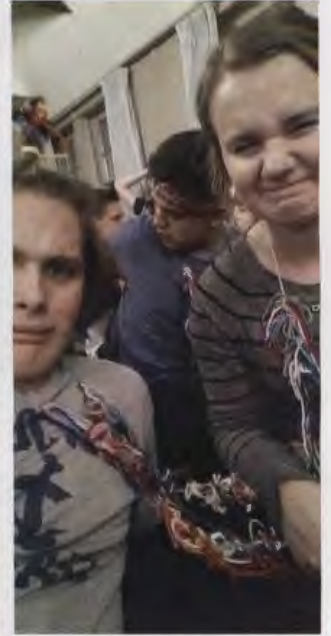

Snowball is a weekend retreat offered to all grade levels where you can go and learn more about each other and about themselves. In Snowball, students can express their true feelings without any judgement. Leader Ben Skipor says, "Not only do you become closer to each other, but you get to see teachers in a different setting than in a classroom." Snowball brings you great food, great friends, and some really great memories.

Boys Basketball

Even though this season for boys basketball didn't go as well as they hoped, the team grew together and fought hard through every game. Although the season was a tough one, the team played their hardest in every game and made sure to put up a fight. When asked if he had any advice for next year's team, senior Alex Mitchell said, "Stay aggressive and play with a little swagger."

Girls Basketball

Having switched conference divisions this season, the girls didn't know much about who they were playing but they soon came up with a game plan to take on the new teams. The varsity team was young, having two freshmen as well as others who hadn't played many varsity games. Overall, the season went well! Senior and Captain Hailey Sartore offered some advice for next year's team, "Always show up to the games and when you're there, remain focused. Take the coaches' criticism and use it to make yourself a better player, person, and athlete."

**#We'reAllIn

Badminton

Badminton had a fantastic season this year! For the first time in 40 years, the girls were the conference champions of the River Division Overall, the team was 12-2 in duals, they placed third in sectionals, and senior and co-captain Evelyn Almonte qualified at the state level. When asked if she had any advice for next year's team, Almonte said, "Keep working hard and trying to improve your individual game either by participating in another sport or doing club badminton. Champions are made in the offseason." When her co-captain Amy Dinh was asked the same question, she said, "Just play your best every time you get on the court and you'll never be disappointed." Coach Bill Lech says he has high hopes for next year.

Boys Swimming

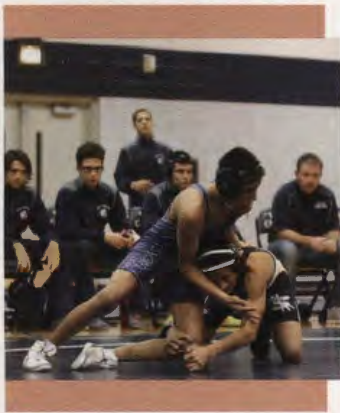

The boys swim team had a great season this year having paired with Batavia for the second time to form the West Chicago Batavia Co-Op Swim Team! Out of all of the very talented freshman that joined the team, one placed at state for both of his individuals. This year, according to senior Thanh Le, "the team had a lot of fun bonding with each other and coming together." As for next year, even though he won't be there, Le expects "an even greater season and for more boys to qualify for the State Competition." Way to go, boys!

Wrestling

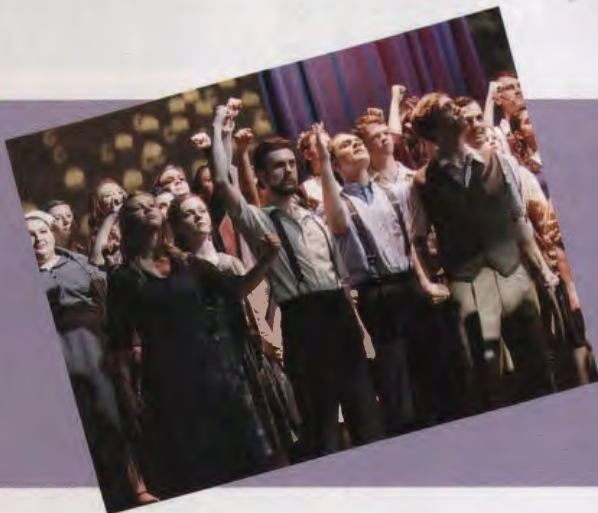

The wrestlers this season improved greatly from last year, going from a record of 3-17 to a record of 13-14. In addition, the team had two all conference wrestlers, three sectional qualifiers, and one state qualifier, Emmanuel Garcia, or mostly known as "Tiny". According to junior Luis Perez, "We made a lot of progress this season and worked really hard, ultimately placing 10th in conference. Overall, it was a lot of fun, probably the most fun season so far, and I think almost everyone on the team would agree." Coach Dragonetti has high hopes for next season saying, "... with a lot of new faces on the team, the program looks bright for next season and years to come."

Spring Assembly

Throwing a blast into spring, this assembly was full of fun surprises. Amy Goldsmith was the real one throwing some fast curve balls however Pep club did want to add to the fun so a nice fish was there at the end of a game to leave the students smelling fresh and clean. One legged badminton though left a few bumps and bruises for the participants in that. It was a great way to end the year.

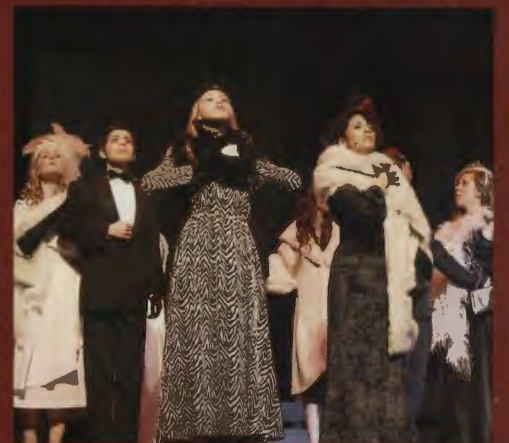

Prom at the Shedd

Baseball

The baseball team saw much more success this season than they initially thought they would. The team made it all the way to the **Regional Semi-Finals**, but unfortunately lost to Geneva. The team was full of extremely talented players this year; in particular, **Connor Dall** and **Fred Gosbeth** who both earned **Division I Baseball Scholarships**. Coach **Dan McCarthy** hopes next year's team will, "continue to compete every time we step on the field by playing consistent baseball," he went on to say. "We have to develop some of our younger pitchers to compliment some of our seniors that pitched varsity innings this past year." Senior **Peyton Seidler** offered some advice for the team next year. "Make every second important in baseball because you never know when you will be done playing."

Lacrosse

Lacrosse had a slow start this year, but the boys really picked it up by the end of the season. They accomplished a lot this season, having two first and second team all-conference players as well as two honorable mention players. The team also had the third ranked midfielder on their team and even made it to the second round of the playoffs. When senior Jake Paler was asked if he had any advice for next year's team he said, "Go out and practice your stick skills whether it's playing wall ball or throwing around with a friend." Great job this season Lacrosse, and good luck next year!

#LAXto

Softball

This season for softball was definitely a tough one, losing two key players, Jenna Foreman and Amy Goldsmith, to knee injuries fairly early on. The girls didn't let that stop them though; they kept fighting right through it! Senior Tatiana Rich offered some advice for next year's team. "Keep your heads up and carry that wildcat pride with you to every field you walk on no matter what happens!"

Girls Soccer

The season had its ups and downs, but the girls enjoyed every second of it. A major accomplishment this year was the team coming in fourth in UEC Conference. Team Captain Kayla Kirkwood recommends "That the girls go hard every practice, every game, and not take one day for granted. In order to get improvements, you have to put in a lot of extra work and a lot of heart." The returning team members hope for an even better season next year, and hope to improve even more. Congratulations on a great season this year, girls, and good luck next year!

**#OurGoals

Boys Track

The season went better than expected and the boys greatly improved throughout the season—they continuously placed better than previous years. Some major accomplishments include every relay team scoring at indoor Conference, the freshman-sophomore team breaking the school record for 4x4, Co-Captain James Kubik qualifying at the State level for pole vault, and Co-Captain John Kulikowski achieving the All-Conference Award. Co-Captain Joseph Skipor advises, "Go to off season training and summer running camps." Co-Captain James Kubik says, "Set goals, lots of goals, throughout the year. Look up to past athletes, and strive to make it to the State meet." Co-Captain John Kulikowski recommends, "Keep working hard, stay persistent, and remember that the season goes by quickly." Returning members hope to see new additions that keep the team strong.

Girls Track

This season the Girls Track team had many new additions, reaching its highest number in years. There were many personal bests throughout the season, and there is a lot of potential in the next year to come. "Years from now, the medals we win and the times we get won't matter as much as the memories we make," says Captain Michelle Franch. There was a lot of team bonding that happened, especially at pasta parties. All the graduating seniors wish the girls best of luck next year. Always remember "Create the Moment, and Turn Over." ~Coach Nelson

Boys Volleyball

Boys volleyball was very successful this year. In conference they went 5-1 and ended up placing second. Throughout the season the boys went 21-16. According to junior and Co-Captain Justin Thiede, the team "...had a great group of guys doing great things. We had a lot of learning experiences and with that came great accomplishments." When Senior and Captain Isaias Flores was asked if he had any advice for next year's team, he said, "I can envision next year's team learning a lot of advanced skills, techniques, and ideas that without a doubt, will help them to strive for success. I know they will be a better prepared team since the juniors on varsity will be ready to rumble as a unit."
