## 2015-2016

# Cheerleading

When asked about the 2015-2016 season, Varsity Coach **Meghan Klein** views it as, overall, great! "This was our first year back into the competition scene and we did an amazing job. We put in a lot of work this year and it definitely showed on the competition mat!" Some highlights from the year included increasing their numbers on the team, becoming a competitive team, and growing closer together as a cheer family. Although scheduling practices became more difficult, the team managed to get through the year successfully, making memories through Friday night football games, Buffalo Wild Wings team dinners, and competitions.

# BOYS GOLF

Boys Golf had a successful season this year. According to Coach **Nick Kempski**, "We placed 2nd at the Conference Tournament, narrowly missing first. The kids worked hard all year and continued to get better. They showed that to everyone at Conference." A major accomplishment that happened during the season was that **Jason Gimre** and **Dominic Lobocki** both earned All-Conference. When asked about next season, Coach **Kempski** is looking forward to "continuing to develop young players and lean on the older players for leadership. We try to get better everyday and do the best we can on the course."

Unfortunately, no one took pictures of the Boys Golf team on the course, in their element after their senior night was canceled and rescheduled. Trust us when we say they looked really, really good. We invite you to draw a picture of them on this page, or track 'em down and get their signatures!
