The smell of leaves, cool breezes, early sunsets, and of course, football. This is the picture set for the homecoming dance. A time when girls spend all day getting ready, while the boy's spend the last 25 minutes before the dance getting prepared, and yet everyone looks fantastic. The dance is a place where all classes are brought together for one night where they can enjoy great music, friends, and celebrate their school.

HALLOWEEN

One School, One Holiday, One Crazy Day To Remember

Usually Halloween is a time for kids to dress up and go get candy. Here at West Chicago High School, the students, and even the teachers, go all out and dress up.

Costumes appear all throughout the school. A person can spot eight students dressed as the Mafia or Mad-Eye Moody from Harry Potter. Pebbles from the Flinstones-, Snow White, Deadmau5, the Teletubies and of course Batman all make an appearance as well.

At WeGo, teachers give out candy to those students that dress for the most crazy day at West Chicago High. Halloween is a day to be completely out of the ordinary, and here at school, students do an amazing job by making this day absolutely abnormal.

Yearbook

For their first year as a club, the Yearbook crew had a rough beginning. The club started off strong with a surge of student interest, but struggled to keep afloat as the school year persisted. As club interest dwindled, a few hard-working students, **Brandon Castillo, Sara Opel, Shelby Murphey, Jessica Newman, Bryan MacDonald, and Adam Costa** stepped up to the plate to produce the yearbook within the last few months of school. **Gianna**

Puccinelli and Juleah Puccinelli, two freshmen students, dedicated their time to interviewing students to help provide the stories that help keep our yearbook, *The Challenge*, as the record of the 2010-2011 school year. The Yearbook crew looks forward to next year in hopes of reviving the club and keeping student interest throughout the whole year.

Journalism students worked many long hours to produce eight spectacular newspapers this year. The class was similar to an extracurricular activity because students often stayed after school to finish their work. They put a lot of effort into the layouts, pictures, and stories in each section of the newspaper.

"My favorite part of the class was just being able to

work with a group of people who became really good friends to me over the last four years. We of course had our moments, but it was great to learn from each other and be able to pass the torch onto the next class this year," said senior **Alexis Hosticka**.

The students dedication and ability to work as a team shined through in every article of The Chronicle.

Fall Play

The Complete Works of Shakespeare (Abridged)

"All The World's A Stage!" Wego Drama kicked off its 2010-11 season with the hysterical *The Complete Works of William Shakespeare (Abridged)*. The cast of 15 actors performed parts of all of Shakespeare's works in only ninety minutes! With audience interaction, men playing women's roles, and a slapstick finale, the audience was left calling for more. The crew created the magic necessary to bring color and life to these plays, by creating a modern-day Elizabethan stage that even glowed in the dark. Shakespeare is the arguably the greatest writer in the English language and this play was a true tribute to everything people enjoy about the work. It mocked and shocked everyone! Simply, it was an amazing beginning to the season.

"One Night In Bangkok And The World's Your Oyster." Chess was an additional show done this year by the Wego Thespians. This story of international conspiracies and forbidden love was set around the World Chess Championships. It was a movement piece done as a Group Interpretation, an artistic style where the actors all tell the story together without ever directly interacting on-stage.

The audience gets to experience the Cold War tale in a truly creative manner. It is a riveting story that makes everyone wonder does where is true loyalty: to your country, to your family, to your work, or to yourself?

The delicious smell of popcorn filled the air as students filed into the library. They were greeted by staff members dressed in costumes representing a character from their favorite novel. Students and teachers settled into tables and chairs with their friends and began reading books. Bags of popcorn were handed out to hungry kids throughout the room. English classes shuffled in and out of the library

throughout the day. Students enjoyed an entire class period of reading and relaxation. "It was great to be able to take a break from classwork and relax in the quiet library while diving into a good book," stated freshman **Juleah Puccinelli** when asked about her experience during Read Across America.

Winter Play

Ordinary People

"Sometimes, you have to feel lousy in order to feel better." The Company of Ordinary People wears that quote proudly on their t-shirts to explain the purpose behind the 2011 Winter Play. The gripping and gut-wrenching story of Conrad Jarrett was brought to life masterfully by the cast and crew. Conrad is coming to terms with acceptance after his brother's tragic death and his own attempted suicide. With heart and compassion, he learns the importance of forgiveness. The Jarrett family is "ordinary" in their struggles and how they most grow to overcome their pains. The audience learned a great deal about how everyone needs and deserves a good support system. This show was incredibly powerful.

Spring Musical *Aida*

"We All Live Such Enchanted Lives." The Wego Drama Season ended with the clever rock musical Elton John and Tim Rice's AIDA. This tale is set in ancient Egypt where there is war between the countries of Nubia and Egypt. The tale centers on Aida, the Nubian princess, who is captured and forced into slavery. She falls in love with her Egyptian captor, Radames, who is actually engaged to the Egyptian princess, Amneris. It is a true love triangle. These three must come to terms with their feelings, even if it may mean their deaths. The large cast, crew, and orchestra performed incredibly. They all stunned the crowd with many show stopping numbers. Through the power of song, they made the audience realize that "every story, new or ancient, is a tale of love at heart."

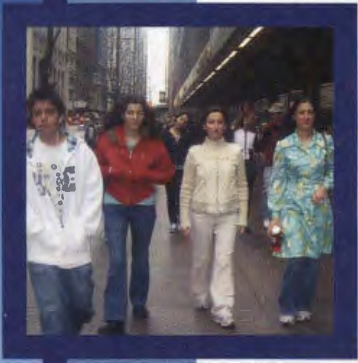

OLAS

OLAS is a great group for students to take trips together and experience not only Latin Culture, but the Chicagoland area. The group took several exciting trips such as a trip to the Shed Aquarium, Ice Skating, The Art Museum, and Downtown Chicago.

The group hosted a weekly Latin Dance class this year, and showcased their talents at the Winter Dance. They are an incredibly devoted group of students who care deeply about being involved and reating community within CHS.

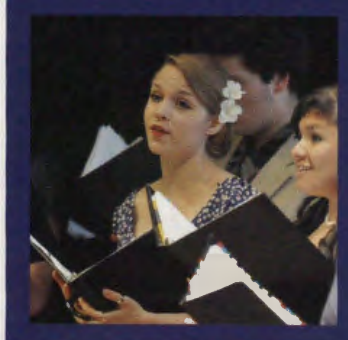

Habitat for Humanity

Habitat for Humanity is a club for students who like to be involved and like to work with their hands. This year, the club worked on several Habitat Homes in the West Chicago area. The group builds homes for families in need on their own time. The group was extremely dedicated and have made a huge impact in their community.

Band

Band students bonded and became a family during practices and performances throughout the year.

These three saxophone players focus intensely on their sheet music to ensure a flawless performance

Band members begin each year in the summer, practicing for football game halftime shows. "It's hot, sticky, and the mosquitoes are annoying, but this is the time of the year that brings the band together as a family," said freshman **Antonia Lobocki**. Everyone always has a great time together, and drum majors **Anthony Nolzaco** and **Joe Wais** keep the "family" in order.

Once the school year starts, the band breaks off into

many different branches. There is symphonic band, concert band, and pep band, which performs for the winter sports. From October through May there is jazz band. Another section is pit band, which performed for the spring musical, *Aida*. There is also a concert winds portion of the band that joins the orchestra. Whether at sporting events, musicals, or concerts, band students always have fun together and perform great music!

Dance Production

Students showcase their hard work at the Dance Production Performance: Got Dance?

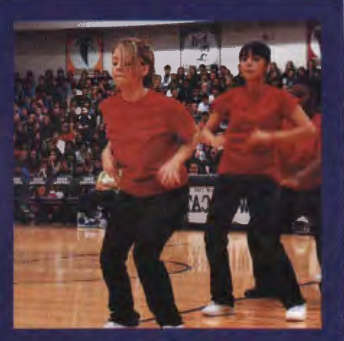

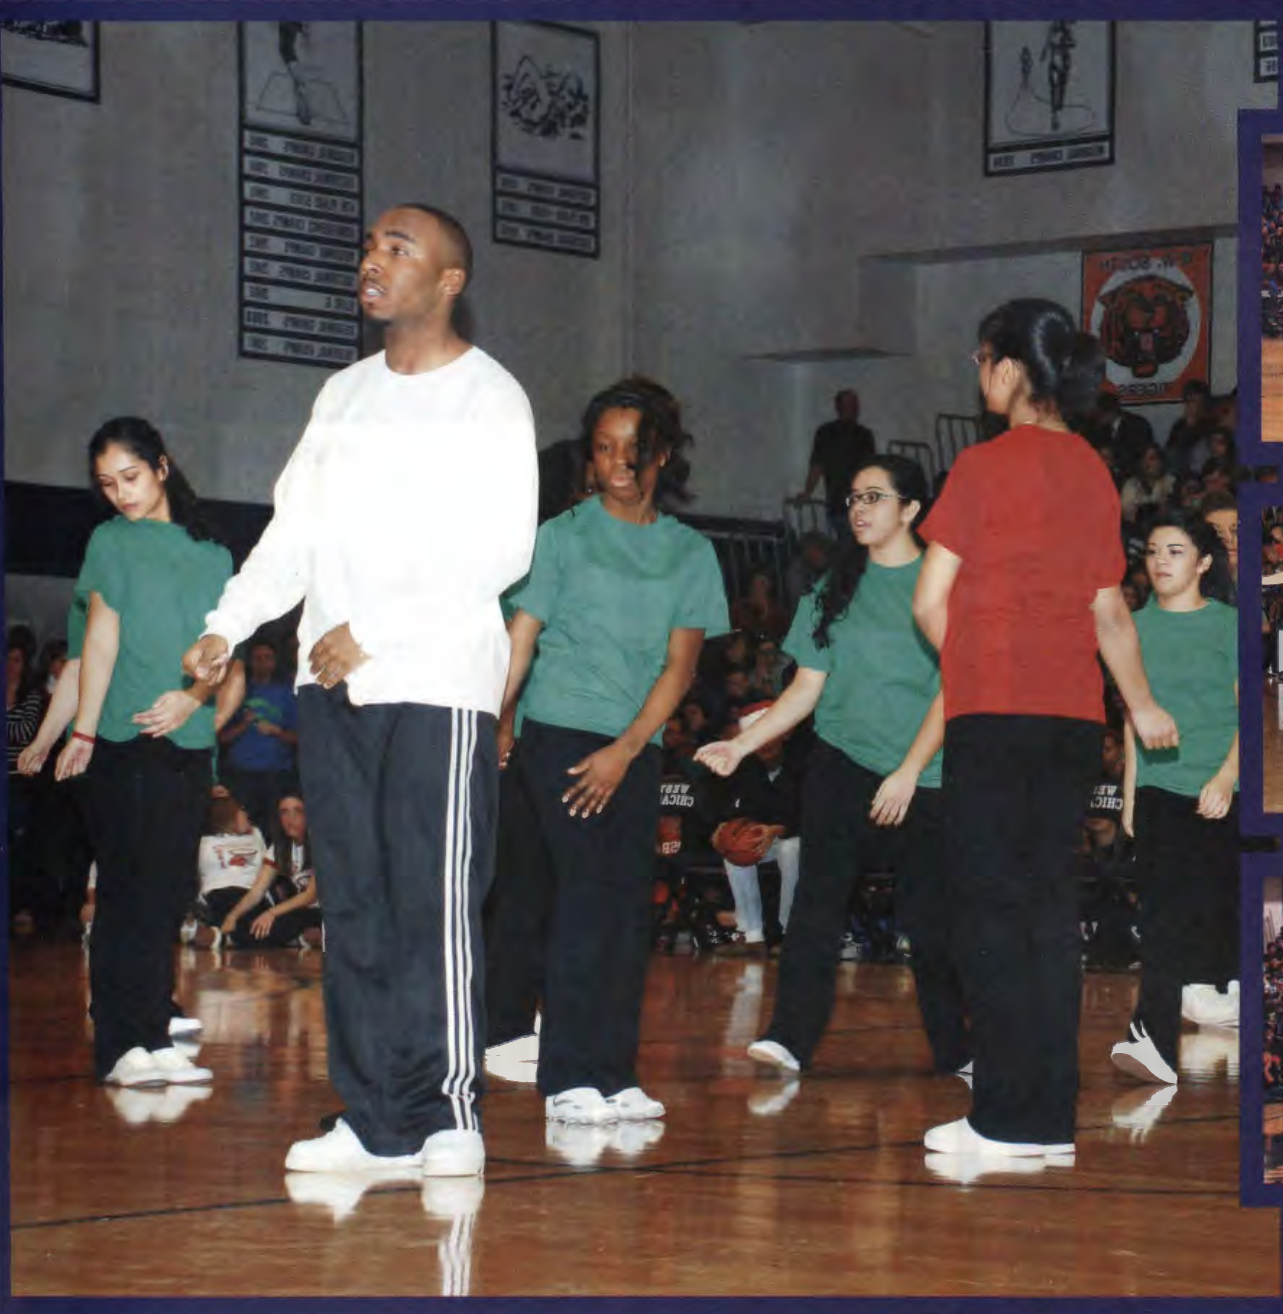

After trying out and making it into Dance Production, students take a semester long class that counts as Physical Education credit. These students work hard to put together one incredibly talented show devoted to dance. This year's theme was "Got Dance?" and the dancers proved that they certainly did. The night showcased dances from contemporary to hip-hop and everything in between. When asked about how

this year's production went, **Kayley Johnson** (sophomore) happily replied, "This year went really well, we had a lot of talented dancers. It was our instructor's, **Mrs. Wyller**, first year, and she was extremely helpful in adjusting our choreography."

The year for the Sole Steppers was characterized by heart, hard work, and determination. After a tryout of more than sixty students, the team became the largest it's ever been. Twenty two talented students practiced twice a week under the direction of a new choreographer and two coaches, **Miss Cordes** and **Mrs. Winiarski**. The Winter Pep assembly jump started a busy season of competition. The Sole

Steppers competed at the DVC Spirit Spectacular, the Waubonsie Valley Dance Competition, and in Champaign, IL for a state-wide competition. In looking back at the season, sophomore **Amber Sylvester** states, "It was just alot of fun and you could really just let go."

The Wildcat's determination and effort helped them to improve the football team in many ways

Football season started off with a bang as the Wildcats won their first game against Plainfield North by one point in double overtime. The final score was seven to six. "It was only one win but it was an important win to us seniors and really helped us get some confidence going into the season," stated senior **Josh Stein**.

Each player always gave their all during the many long, tiring hours of practice. Offensive coordinator Coach Millington pushed the team to its limits with extremely strenuous workouts and drills.

The Wildcats were very dedicated throughout the entire season, and they never gave up.

The determination and effort of each athlete and coach resulted in a faster, stronger, and wiser football team than the previous year.

-Gianna Puccinelli

Football

As a team, girl's soccer pushed themselves to be the best they could be. The team worked hard together, but is grateful for the dedication that came from **Meagan Radloff, Kelsey Myers, Bianca Navejas, Andie Lazzerini and Shelly Molskow.** These girls played great defensively and offensively. The team came in 6th out of 20 which has been a huge improvement and reward. In a reflection of the team's success, **Sarah Opel** states, "Chemistry was probably the biggest and best thing on this team. We got along so well that made playing together much easier and more fun. Winning together as a team was amazing, but losing as a team made us stronger." The girls worked hard this year and they know that their success will not go unnoticed. Next year they expect that their strengths will be utilized and the team will learn from their past weaknesses.

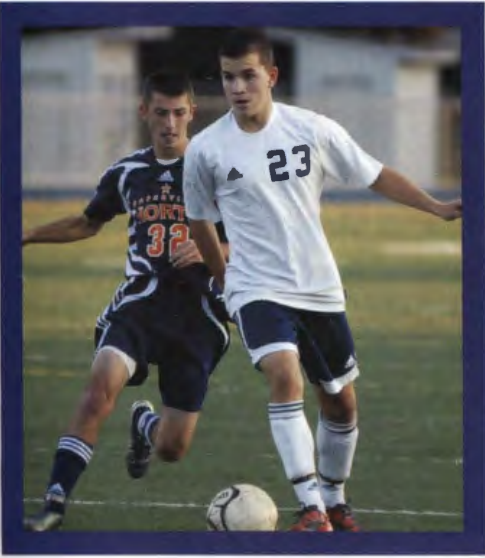

Girl's Soccer

According to **Chris Quintana**, this year's past season cannot define this team. The record was 7-9-6, with their losses continually only being by one goal. The captains **Adrian Porcayo** (Goalie), **Chris Quintana** (Defender), and **Jared Perez** (Forward) were the backbone of success for the team. These players motivated their teammates and held the team together during hard times. One memorable game for the team was against West aurora in the semi-final regional game. Cris Quintana had come back from his injury aiding in the winning game for the wildcats in overtime.

Boy's Soccer

During this year's girls cross country season, the team put every ounce of their energy into practices and gave their all during meets.

As a whole, the cross country team is very satisfied with the outcome of their season. Junior **Diana Serio** says, "Everyone had personal bests by the end of the season and made many large improvements. The dynamic of the team is the main reason for their overall success. Senior **Margaret Tikka** says "The best part about cross country is that every year the team turns into a family. Soon enough none of us would mind waking up at six in the morning every Saturday, because we did it together. We didn't mind running until we couldn't feel our legs anymore, because we did it together.

-Juleah Puccinelli

Through much hard work and dedication, each member of the Girl's Cross Country team obtained personal bests by the end of the season.

The girls stay focused while working hard and running laps together as a close-knit team.

Boy's Cross Country

The Cross Country season is always exciting. It's the best time of year for running, and the Wildcat boy's cross country team did it's fair share of running this past year. With motivational, and dedicated, leaders like **Gunner Sterne**, **Jeff Foreman**, and **Derrick Pietroban** the team had another successful year. The boys represented their home school well at DVC and all of their meets. As a team, the seniors will be missed for next year, but the team is looking forward to next year as their strong underclassmen keep making personal bests.

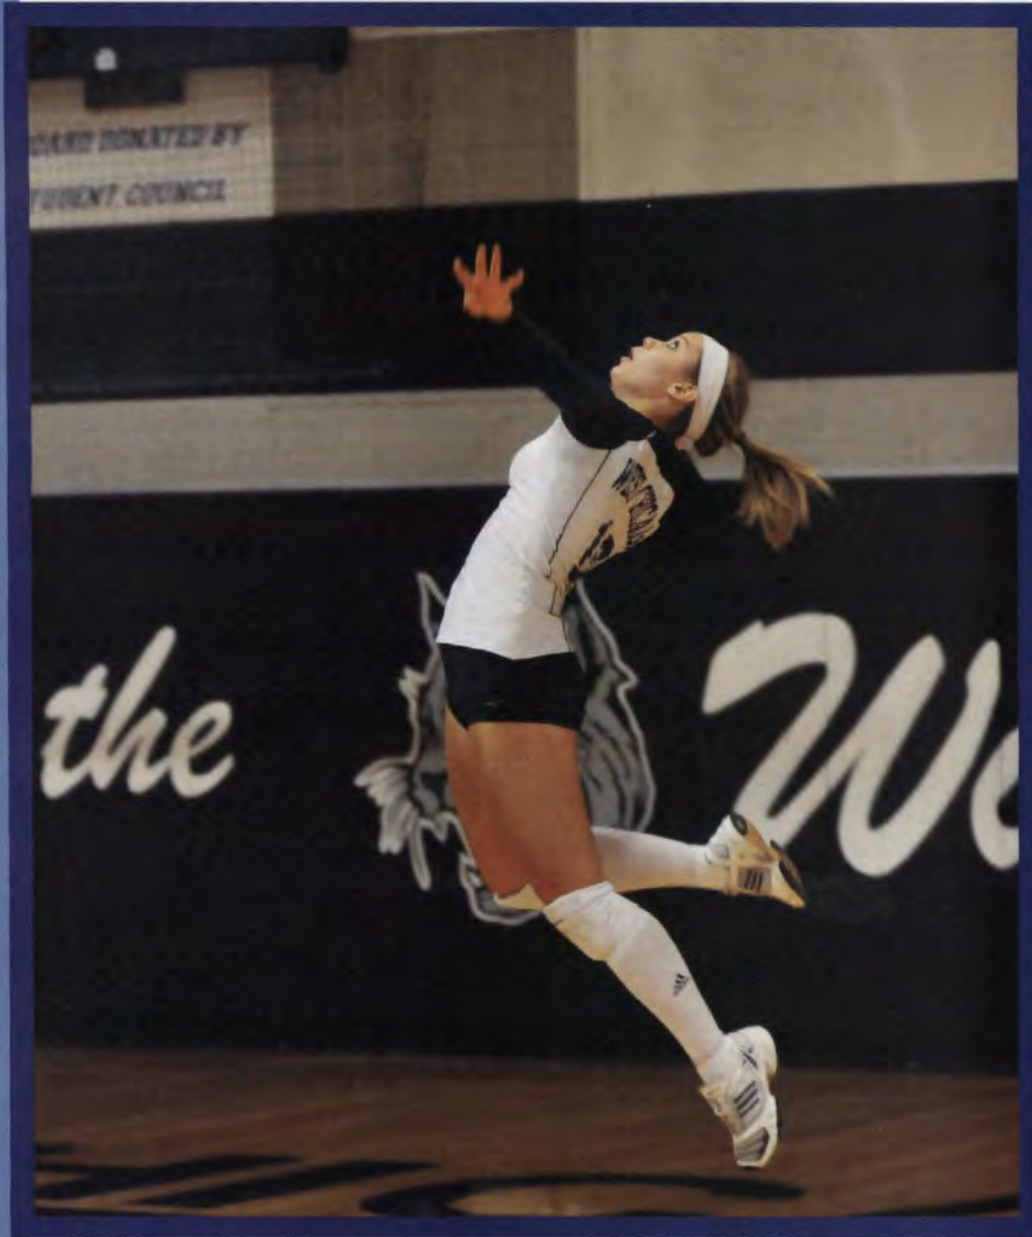

The girls had a very successful and memorable season, with their fans sticking by them throughout the entire journey.

Throughout the course of this year's volleyball season, the team mastered the delicate balance of work and play. They spent many long hours at practices, but made many memories along the way. "The Halloween practice was my favorite memory of the season. Coach Hasty dressing up in neon pink leggings as Lady GaGa is a memory that I won't forget, even if I wanted to!" said Junior **Julia Conard**

The girl's dedication during practice made for an extremely successful season. They won the DVC and then went on to become Regional Champions. Senior **Emily Paschke** says, "I'm very proud to be a part of a team that won the conference and a regional championship. It's been a while since the girls volleyball program has been acknowledged for their hard work and accomplishments. Putting in all that effort during the season makes it a very memorable experience."

Brenda Saucedo is preparing to serve the ball over the net.

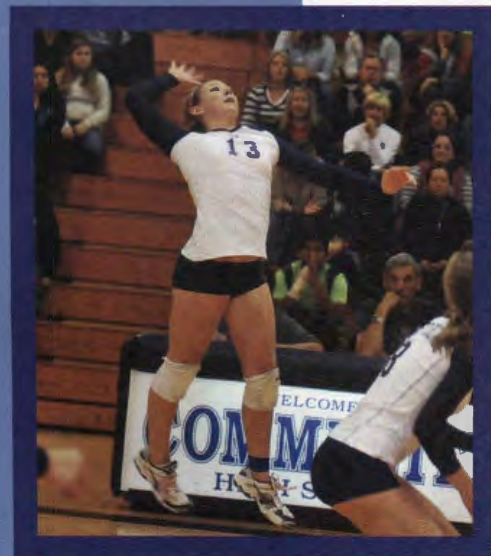

Emily Paschke reaches toward the ball, aiming to hit it over the net.

Andrea Skipor jumps to spike the ball onto the other side of the net.

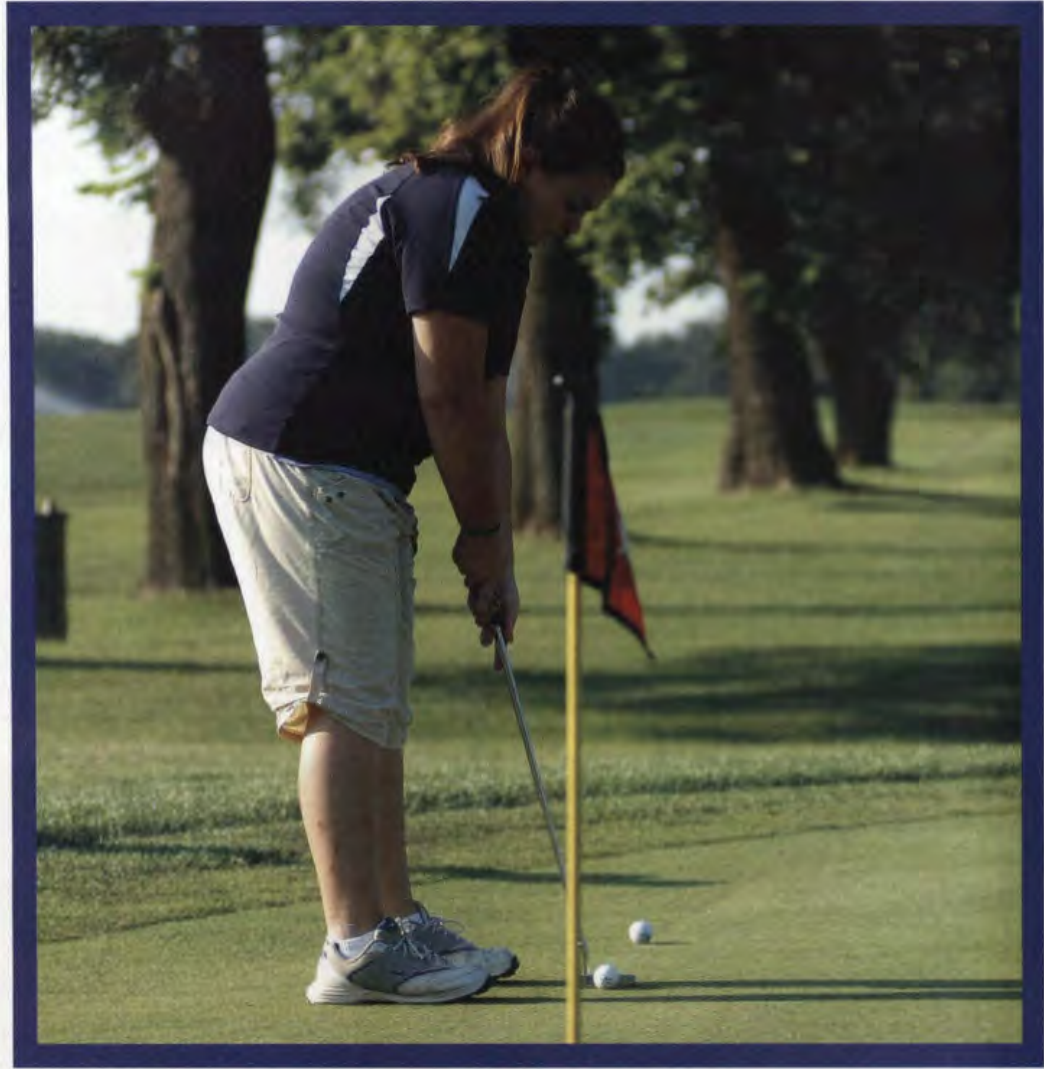

Jennifer Konchar jumps up in a better position to project the ball across the net.

Girl's Volleyball

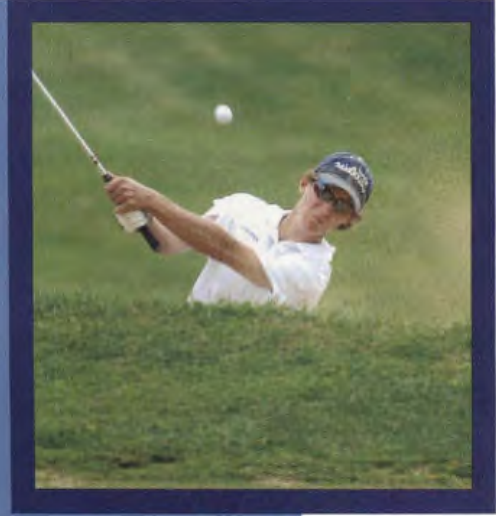

A group of players excitedly gather into a huddle to discuss a recent event that occurred during the game.

For the girl's golf team, this was their best season yet. Not only was this their largest team in CHS history, on average the team would place in the top three at their invites. The team attributes this past season's success to their dedication to working as a team. **Sarah Quealy** reports, "We had a lot of freshmen on the team this year, and they did very well. As a team, we just kept on improving as the season went on." Overall, in the DVC, the team came in 5 out of 8 which is an extreme improvement from years past. The girls look forward to next year as they continue to expand and prove their place in the DVC.

Girl's Golf

Boy's Golf

The boys' golf team had a very triumphant season this year. They put a lot of time and effort into each practice and gave their all each time they stepped foot on the fairway. They started out strong even in their preseason game in Geneva, placing 9th overall. After several strong wins the team struggled to stay a threat during the end of the DVC. Every team member proved that they had what it takes to compete in the DVC. Varsity placed fourth in DVC and also in conference. Senior **Robby Windisch** personally placed third in DVC as well. **Sean Fayfair** was named most improved player overall. The team's efforts during practices were well worth it considering their outstanding performance throughout the season.

Enduring early morning and late afternoon practices was well worth it for the Lady Wildcats. The sense of pride and accomplishment that each team member got upon winning each match was unmatched. Captain **Kelsey Malan** said, "The girls worked so hard this season. Between Coach **Moeaki's** guidance and our experienced players, it was a very positive year for the tennis team. Although this year we did not advance to sectionals, each player improved their abilities and that is the most important thing." With the drive of the underclassmen players and residing guidance from the graduating senior players, the upcoming seasons for the girl's tennis team will only improve further and further.

Boy's Tennis

Coach Moeki compassionately explains his expectations to Scott Weist

Thanks to dedicated team captains **Sam Rylowicz**, **Zach Michnick**, and **Noe Munoz** the boy's tennis team was able to stay competitive during the season. Overall, the varsity team was the smallest it has been in years (6 players), but the junior varsity team almost tripled in size this year. The team really looked up to their coach, **Coach Moeki**. Noe Munoz happily reported that Moeki "pushed us really hard to the point that sometimes I just wanted to drop and catch my breath, but I sucked it up and kept on working hard."

The team was impressed with its younger players such as Christian Robles, freshman, who although young is a very versatile athlete. He played incredibly well among his older teammates and proved that age is only a number in the game of tennis.

Some dream of success, while others wake up and work hard at it. This is the epitome of the swim team. They're in the pool by 5:30 a.m. until 7, then return for practice after school.

Meghan Ziffra says, "Preparing for meets takes hard work, mental focus, and will." Their hard work sure paid off. **Maya Skorupski** was DVC Champ in 100 backstroke, and **Kelly Dunn** was DVC Champ in 100 freestyle and received the Conference record. During sectionals, three relay teams qualified for state and **Kelly Dunn** was Sectional Champion. Overall, WEGO placed 6th in Sectionals and 13th in State. Dunn reflects on the season saying, "It was the hardest yet. The fact that we came together and had such success made all the hours spent in the pool and weight room worthwhile."

Each team member practices a total of four hours a day. This is the Boys Swim Team's reality. Each member is extremely dedicated and determined.

The team had a successful season this year, most likely due to their ability to become a family. "Each year our team size has gotten progressively smaller, which in the end, brought us closer as a team," senior **Anthony Nolazco** stated. The boys finished at fourth place in the DVC, with Captain **Neil Hummer** placing third in the 100 Fly. Hummer set a new school record of 5:01:00 in the 500 Freestyle with the team landing seventh place in sectionals.

With practice six days a week and countless hours of tiring workouts, there is no question that members of the girl's track team were extremely dedicated this year.

The girls did a variety of intense workouts every day to prepare for their meets.. They were cautious during each hour of practice to not stress muscles and to decrease risk of injury. The team's long hours of practice paid off throughout the season. Everyone improved in their skills and made personal records. Junior **Lali Valdivia** made it to state for the 400. The team had a successful season filled with fun, dedication, effort, and improvement.

-Gianna Puccinelli

Many hours of practice paid off for the Girl's Track Team as they made personal records this season

Girl's Track

Boy's Track

Success for the boy's track team is not individual, overall every member of the team made an impact. "If everyone on the team ran a personal best mark at a meet than there is no way we could have done better, and that happened at multiple meets; almost everyone had a personal best." runner **Gunnar Sterne** stated. Runner **Matt Bannon** qualified for indoor state. While **Jeff Foreman** and **Gunnar Sterne** qualified for indoor and outdoor, overall placed at indoor state with 3rd and 4th place finishes respectively.

The team felt extremely motivated in the fact that more freshmen and sophomores were on the team in comparison to years past which will only make the team stronger in upcoming years.

In an incredibly successful season, the girl's basketball team has nothing to complain about considering their 17-11 record. With their strong leadership upheld by seven returning senior girls, the team felt like they had not only the motivation they needed, but the support. Their highlights are definitely demonstrated in the Oswego East Holiday Tournament (second place) and the Lyons Township Thanksgiving Tournament (first place). But what really made the lady wildcat's feel like they were champions was when they beat long time rivalry Wheaton North. "We have not won against Wheaton North in a long time, it really is a good feeling" **Claire Monroe** happily responds. In addition to all the successes the team faced this past season, both **Mary Monroe** and **Claire Monroe** placed all conference at the end of the season.

Girl's Basketball

The Boy's Basketball season was filled with exciting victories. They overcame many obstacles and worked toward an impressive season.

Students and staff enjoy the atmosphere of every WEGO basketball game, but this season in particular kept fans on the edge of their seats. To start of the season, the boys beat Lasalle-Peru in triple overtime. During their Christmas tournament, with one second left on the clock, a single shot through the hoop secured victory against Fenton. These victories are even more impressive considering how the basketball team was structurally different than those they competed against. Captain **Justin Mundt** says, "The majority of our games were played with five junior starters, whereas the other teams we faced consisted of only senior starters." Through hours of strenuous practices and guidance from their coaches, the boys were able to overcome this obstacle. Their determination and skill paid off, making this season quite noteworthy.

Cheerleaders are a huge part of WEGO. They are an ever-present force at football and basketball games, always encouraging the athletes to take home a victory. There were many bright spots in this year's cheerleading season. After placing seventh in the DVC competition for several years, the girls were able to secure a second place slot this year. Senior **Brittany Parisi** says, "It was one of the biggest accomplishments I have seen the WCHS cheerleading squad make. We were faced with many difficult tasks, but we stuck it out and finished strong." The squad also qualified for the ICCA state competition twice, and received eight place during the final competition. **Keegan Johnson** was the first senior to get a cheerleading scholarship for college. Overall, the cheerleading squad had a very successful season and accomplished great things.

Cheerleading

The squad hits a pyramid. "During halftimes the part I am always most worried about is the pyramid," said **Alexis Lange**, "but once we hit it adrenaline hits and I am ready to finish off the halftime strong."

Pom-Pom members continually captivated audiences with skillful dances throughout the year

The poms squad always performs impressive routines, whether they are on the football field or the basketball court. They entertain audience members with their dancing skills during halftime and occasionally on the sidelines of football games.

"Stepping out on the field or the basketball court is nerve wrecking and thrilling at the same time. That feeling is one of the reasons why I love dance so much!" said senior **Helene Sankovitch**.

The poms squad does a great job of encouraging school spirit by performing at all the pep assemblies throughout the year. They always motivate athletes to succeed with their presence at sporting events.

Each squad member practices many hours to perfect their routines. The girls have a lot of fun together, but also know when to be serious, which helps them to always perform at their best.

With the spirit of the previous season, the boy's of West Chicago Hockey team played harder than ever. **Luke Somen**, offensive player, secured the team's advantage on more than one occasion. **Conor Zapitul** was placed on the ice to aid in clutch situations- especially in St. Charles, which he recalls as meaning "a lot to me since I worked hard to earn my spot on the team." The overall season ended strong. The highlight of the season was making it to the third round of the playoffs, but losing in three overtimes to St. Charles. Player **Nick Shurba** looks back at the season with nostalgia, "The season was my best yet, we truly came together as a family. I can honestly say I will never forget these guys."

Lacrosse

The team's motivation and tremendous effort during practices paid off in the end of the season.

The saying "practice makes perfect" stands true for this year's lacrosse team. During the season, they participated in two hour practices for five days a week, working hard to perfect drills in order to perform at their best on game days. The team's effort and motivation paid off in the end.

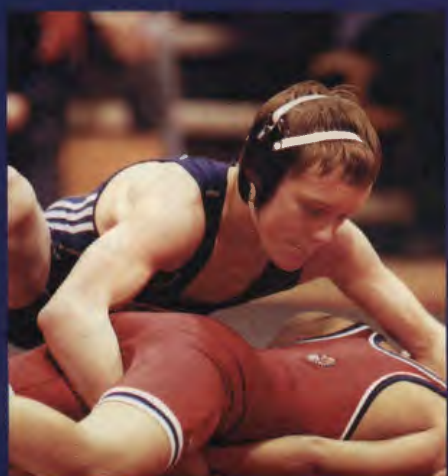

They were able to advance into the second round of playoffs, eventually losing to Wabounsie Valley. Wabounsie then went on to become the State Champions. Senior caption **Connor Zaputil** says the team "wasn't too upset" about the loss and encourages other students to pursue the sport if they have an interest. He says, "Lacrosse is a great sport to look into pursuing because it is so new and fun."

-Juleah Puccinelli

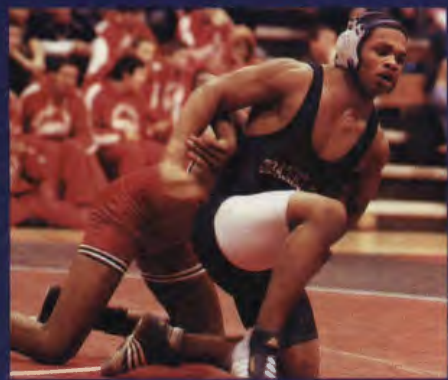

WEGO lacrosse players are gathering on the playing field forming a huddle.

The boy's wrestling team has seen a great improvement over the past few years and this year was no exception. West Chicago won its first conference dual meet in over 10 years against Glenbard East. Further, for the first time since 1993 the team was able to send two wrestlers to conference, **Robert Svestka** (sophomore) and **Tyler Svestka** (freshman). "Our team is becoming much better lately and we are all becoming good friends even outside the sport," Robert Svestka explains. The results of this season are no accident. The team has become extremely dedicated and hard working. The coaches are expecting nothing but the best from their players both athletically and academically, which is evident by what the Wildcats are seeing on the mats.

Wrestling

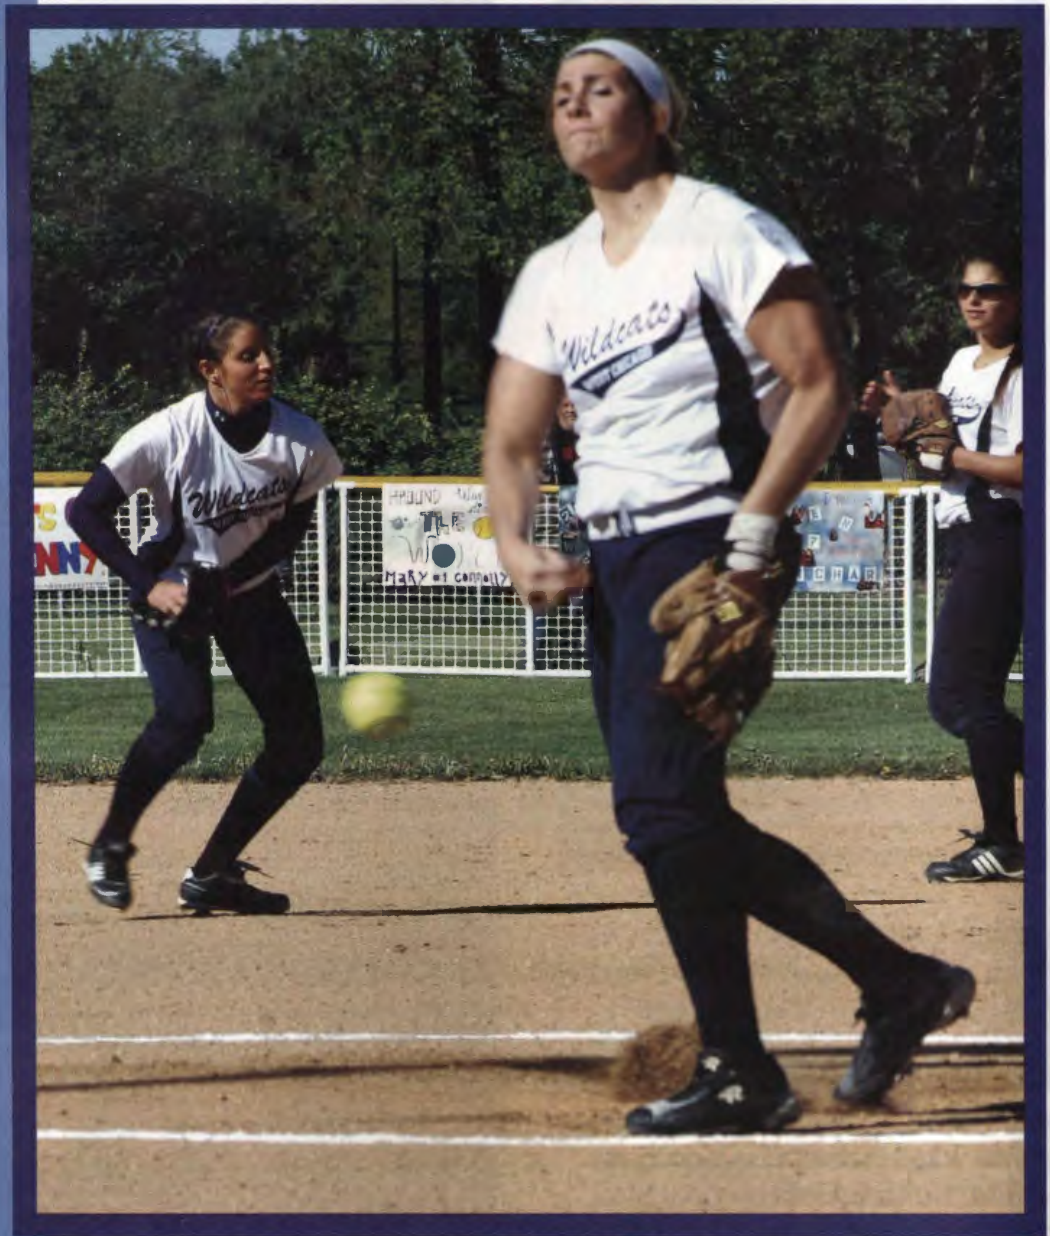

Badminton

Coach Caltagirone could not have been more pleased with his team this past season. Despite the season ending 2 (W)-13 (L) Caltagirone felt "The team worked really hard." Their most challenging game was against Oswego East where the team lost by only one match 7-8. The girls fought hard and came close to beating what Caltagirone called "a quality team." **Michelle Lopez** was able to make it to state this year as well, which was the highlight for this year's season. Leaders like **Michelle Lopez**, **Marlene Rojas**, and **Megan Pietura** were able to keep the team working hard through their practices and keep them motivated during games when they were feeling down. "I believe that we did really well overall this season. I definitely saw a lot of the badminton girls improve each game and I am really proud of everyone's hard work." said senior **Kathryn Kuszynski** member of the badminton team.

This year's Lady Wildcat Softball players were extremely proud of their accomplishments during the 2010-2011 season. The team was incredibly impressed with their new coaches ability to adapt and their returning varsity players. The team found that they bonded well especially with their newest members whom were a great addition. A memorable game during the post season was against Wheaton Warrenville South in which the girls won in the bottom of the 7th with clutch hits by sophomore **Amanda Gosbeth** and junior **Tarah Rayos**.

The girls were able to attend and become conference champions this year with players **Jen Konchar**, **Rachel Johnson**, **Rachael Venchus** and **Mary Connolly**. "Overall we had a great run this season and had a lot of fun as a team," stated **Mary Connolly** when asked to reflect on the year.

Although the season did not end they way this year's varsity team anticipated, it was still an incredibly satisfying season. Sean Elfstrom confidently states, "I believe we grew together and had a great experience as a team. Our captains, **Jerrick Habecker, Dane Sauer, Colton Reif,** and **Scott Danes** kept us motivated and consistently gave us feedback."

This couldn't be more true as evidenced in the first game of the season where the team was taking a huge loss by the seventh inning, only to make an enormous comeback with hits from **Jerrick Habecker, Hunter Serrato,** and **Matt Zajac.** A newly motivated **Sean Paler** shut out Tinley Park to take home a 10-8 win.

The season ended 11-20, but the boys had a great run thanks to their devoted fans, friends, family, and Coach McCarthy. They were able to take a trip of a lifetime to Kentucky for the Battle of the Bluegrass Tournament which is was not only a great learning experience, but helped the team be at their best.

The boy's volleyball season was intense to say the least. The boy's competed with compassion and dedication until the end of the season, but were unable to overcome their record of 17-15. "I felt that the team improved over the season. We came back from a 1-6 first round in DVC and went 4-3 the second round, beating Wheaton North, Glenbard North, West Aurora, and Naperville Central for a fifth place finish overall in the tough DuPage Valley," **Coach Hasty** reported proudly. The team had strong leadership under players **Leo Bartyzel**, **Justin Malandruccolo**, and **Adrian Porcayo**. The team also saw no quit in their fellow teammate **Liam Flaherty** who pushed himself to the limit. The boys demonstrated their drive in the St. Charles East Tournament and the Waukegan Tournament where the boys think they really began to improve. At the end of the season the boys placed 5th out of 9 at DVC. The boys do not look back at the season with disdain though, they played as hard as they could every game, and that is all that matters. Justin Malandruccolo echoes that mantra, "Always stay focused on the current play because volleyball moves too fast to be thinking about mistakes on previous plays."

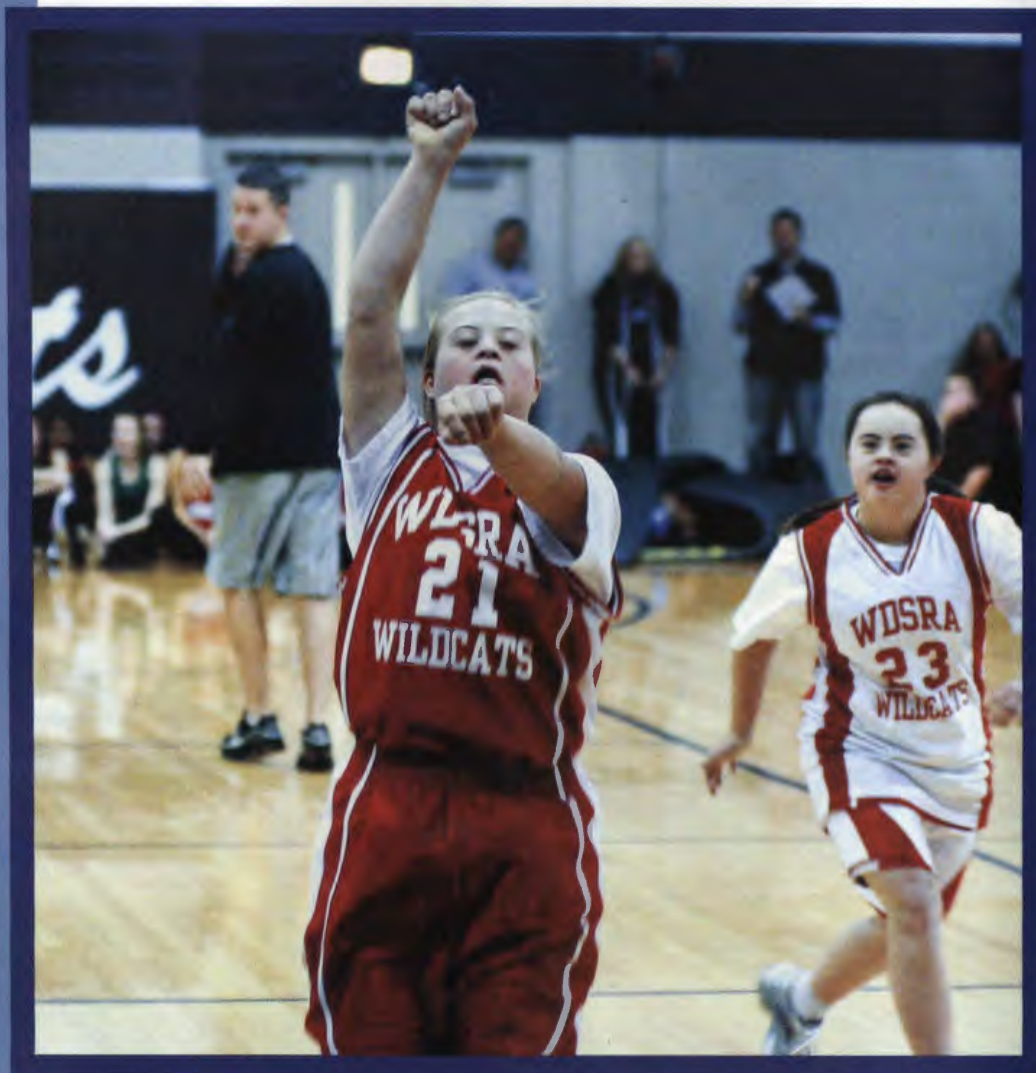

Boy's Volleyball

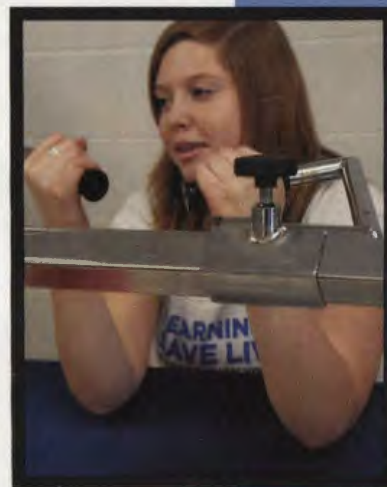

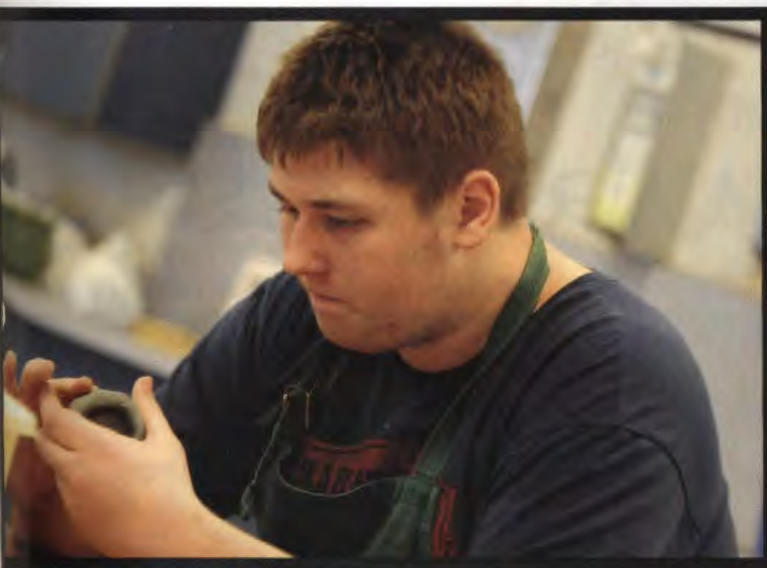

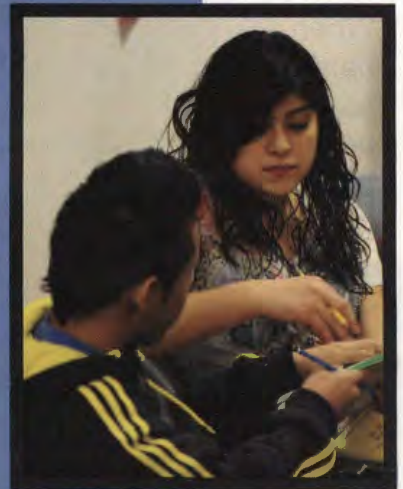

The Buddy Basketball team members did a great job this year overall, but the students and staff at West Chicago will never forget the intensity the team brought to the court during a game against the staff at the winter pep assembly. The team sought any and all opportunities for runs to the basket, blocked their opposition relentlessly, and relied on one another for passes to outscore the teachers. West Chicago has watched the Buddy Basketball members thrive over the season and could not be any more impressed with their devotion not only to the sport, but to each other and their school.

Just another day

The ladies gymnastics team has had an outstanding year throughout 2011. They began competing on Thursday the second of December during 2010 at Naperville Central High School. With a wonderful turn out, competition continued through out the schools of Wheaton Warrenville South and Glenbard North. The girls finished their amazing year at the DVC Championship on Friday the twenty-eighth of January. The team works together and helps each other continue during difficult times. When asked of the team's hard work, **Caitlin Lawson** was eager to reply, "I truly love being a part of the gymnastics team. All of us are full of devotion and energy."

Friday night is not only about football games, it's about the entertainment of a good game and a showcase for a variety of talents. "During football games, we perform three songs, which differ from game to game. The routines consist of complicated flag spins and tosses, all while moving to different specific spots on the field," explained junior **Anna Spyrison**. Color Guard also reminds CHS that being a wildcat is about working together, and being proud to be a wildcat. Member **Megan Bruington** states, "Games are a lot of fun, your energy is pumping and you can't wait to go out there to show the crowd what you have been working on during your summer and the beginning of the school year." The girls work hard over their summer and all season long, looking forward to the devotion of fan's energy.
