Thank you!

The West Chicago Community High School Yearbook, was produced by the Yearbook Club at West Chicago Community High School in West Chicago, Illinois, and was printed by Varsity Yearbook in Edwardsville, Kansas. Maureen Olofsson and Melissa Olofsson were the service representatives and Debbie Thomas was the Customer Service Advisor. The staff includes Grecia Salazar, Jessica Chavez, Erik Diaz, Luis Catana, Angelica Correa-Aviles, Zakay Cuevas, Fernando Calvillo-Morales, Ryan Howard, Natalie Conner, Alexa Correa, Lorena Arguello, Marisol Luis, Lam Truong, Robert Austgen, Valerie Garcia, Xochil Lopez, Rudra Gor, Ethan Godwin, Sharleen Correa, Yasmin Castro, and Jacqueline Chavez. The Advisors were Brigid Clark and Elizabeth Mastroianni. A special thank you to Paola Martinez Gudino, Dave Jennings, Brittney Walker and everyone else who submitted photos for this publication!

The cover is a Four Color Litho, with gloss lamination. The book's 160 pages were printed on 80 pound gloss paper. The 2024 volume was printed in all color. The font was set to 10 pt AHJ Urbano. Pages were submitted using eDesign. Our portraits and some candid photos were provided by Lifetouch photography, as well as staff and some students on the yearbook staff. Approximately 320 copies of the book were sold at price range of \$45.00 to \$55.00. In the portrait sections of the book, students were placed into grade levels according to their student identification numbers, which corresponds to their anticipated graduation year based upon the year that students entered West Chicago Community High School.

The Yearbook staff hopes that you enjoy perusing this book. Our dedicated team worked a full year creating this book and we hope that it represents the school year and the student body.

In August, we started with completely blank pages, we created the theme, designed every template, took many of the pictures in the book, and basically created the entire thing from scratch using the ideas of our student staff. It is a large task to try to incorporate every club, sport, and class into this book, and we tried our best to feature as many students as possible. This involved many interviews conducted, pictures taken, and pages edited. We did not leave anyone out on purpose as we attempted to capture the "world" of a typical student.

We also fully acknowledge that this book is imperfect. We did our best to avoid errors, but in a book of this size, that is an impossible feat. If you are a student who enjoys finding and pointing out our errors, please consider joining our staff next year. We could really use you! We would like to offer a special thank you to those students and staff who have supported our efforts this year. Some provided additional pictures; some provided information about their clubs and activities; some just checked on our progress throughout the year and expressed an interest in our club. Please enjoy our work. It was a pleasure to create this for you!
