different.

CHALLENGE

Community High School
West Chicago, Illinois

Editor Denise Fiene
Advisor Mrs. Katherine Coyner

September 6, 1970

the freedoms of summer float away

to leave with us the conformities of school.

The rush-routine haunts our being with schedules,
rules,

and the confusion of procedures.

For nine months the rush of classes, study and grades
propels us onward

to question ourselves,

our future, our hopes and goals —

the quest to accomplish.

Amidst the haste and boredom of routine

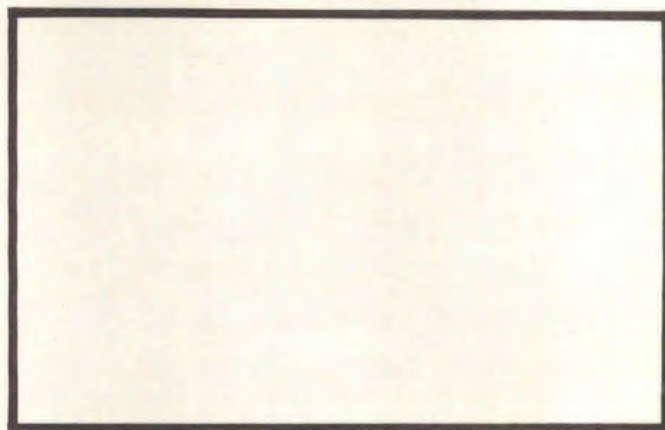

to which we must succumb

we are all separate

and individual,

standing one to another

in contrast.

With an optimistic outlook, 1970-71 began, promising a year different from the uncertainties of school year 1969-70. Activities were restored giving students a wide range of ways in which to express themselves. Students with similar ideas joined into numerous groups according to common interests. Still some students stood by themselves, seemingly apart from everyone else.

Changes appeared throughout the building, from new policies to new teachers to a new superintendent. Superintendent Saimon took a special interest in the school. He was often seen at school activities or talking to students for a moment or two in the hall. He displayed his athletic ability during the game against the Harlem Diplomats. At the NHS Banquet he conversed casually with students while sampling senior opinions.

This year witnessed increased experimentation in class teaching. Some faculty members searched for interesting ways to present material and others probed for new methods. Biology classes were run on a group lecture — individual experimentation basis. In many classes a trend grew toward independent learning for the individual student. The IRO program has offered students an opportunity to gain practical experience in the field of their choice. Now more classes are adopting the idea of learning through experiencing. Classes like sociology appealed to the student to make him more aware of the relevant things in our everyday world.

Present school policies strongly contrasted with those of previous years. One change was the new library policy, put into effect at the beginning of the school year by the new librarians. They limited use of the library to certain days according to study halls. Because of this action, students pushed for a return of the old library procedure and possibly a student lounge of some type. Out of this, talk-study hall grew into a realistic proposal which would offer students three alternatives for their free hours: quiet study, talk-study, or the library. Mr. Howard met with students in four class assemblies to discuss initiation of talk-study hall and reemphasized student responsibilities. With the creation of talk-study hall, students were allowed the freedom and responsibility of choice.

Last year a group of concerned parents united together for the purpose of restoring activities cut by financial difficulties. This year the Booster Club continued to contribute money for this purpose by such fund-raising events as the Harlem Diplomat Game. With the money Booster Club raised, it funded the All-School Play and the Spring Musical. New uniforms were purchased this year for the Cheerleaders and for the newly formed Pom-Pon squad with Booster help.

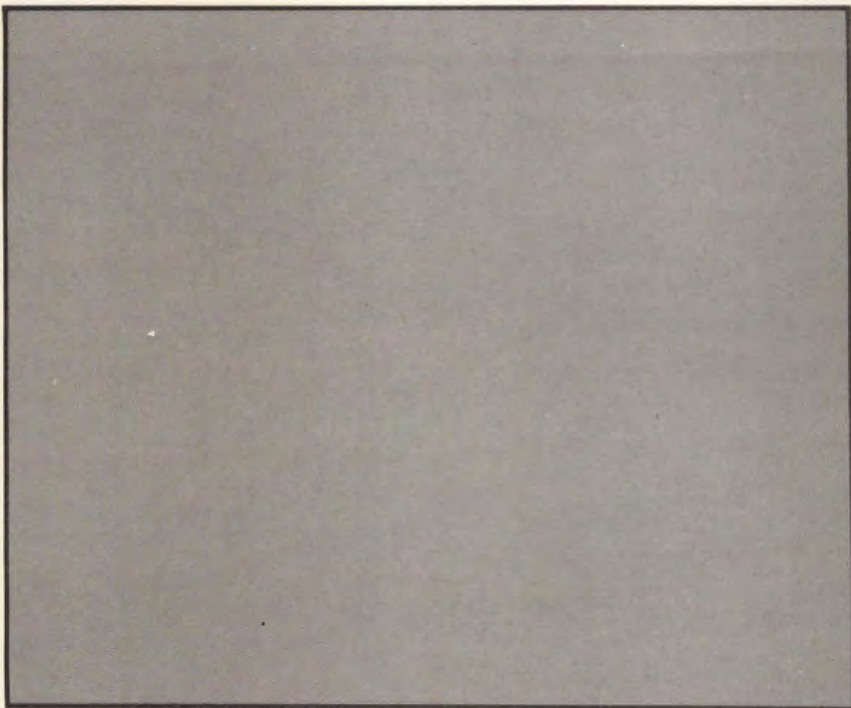

Booster Club helped to give Wego students the opportunity to display their talent through outside competitions. West Chicago took first place in the State Music Contest, for which Boosters paid participation expenses. Speech was another activity restored partly through Booster Club effort. Pat Fota became the first West Chicago student to progress through the district and sectional speech contests to the state finals.

Life is a web
of disappointment and
ecstasy —
each affecting everyone
differently.

Students together —
alone —
sharing time
contemplating yesterday
thinking of today
and dreaming of
tomorrow.

As students are different
from each other

So are their memories
of the year —

Yet to everyone

West Chicago Community High School

has meant something —
something remembered —
something commonly shared —

— Shivering on a cold October
night in football stands
while hoping for a victory.

— Rehearsing long hours
after school for dramatics.

— Being summoned by the dean
for cutting a class.

— Fighting off the boredom
of a 7th hour study hall.

— Sharing in the fun and mass
confusion of a class project.

Homecoming 1970 at We-Go High

Homecoming this year was one of the best in the history of our high school. It saw the return of many of the old traditions that were missing last year. The parade was the major readdition along with the marching band, Kittenetts, floats, and the cars carrying others involved in the festivities.

This was the second year for the Bug Races, which went over so well last year. Again, there was competition between classes and then finally between the winning class and the faculty car. This was the second year in a row that the class of '72 came up victorious, much to their delight.

Shortly after the Bug Races were completed, the reinstated Homecoming Parade took place. There were a total of 20 entries in the parade line-up.

First Place Senior Class

Third Place Junior Class

Second Place Freshmen Class

Fourth Place Sophomore Class

There were six floats in the Homecoming parade this year.

Seniors won first place with their float slogan of "All The Rhymes for Winning Times, C'mon Mothers Goose'Em, and We'll Huff and Puff and Blow 'em Down." This is the second year that the class of '71 has taken first place.

This year the Freshmen came up with the second place float. This is the first time in many years that we have had such an industrious Freshmen class. Their theme for their float was

"We-Go is Sho-In," from the nursery rhyme of the old woman who lived in a shoe.

This year the Juniors came up in third place with their float on the nursery rhyme of Goldilocks and the Three Bears. Their float carried the slogan "Cats Stole Their Victory."

Last but not least, the Sophomore class came in fourth place with their float on the nursery rhyme Snow White with the slogan "Who's the Toughest of Them All."

Festive Coronation and Dance

Homecoming 1970 in West Chicago saw the coronation of Pamela Dettmann as Queen and Edmund Thompson as King. Gracing the Queen's court were Terry Bowman, Margo Guerra, Donna Hensel and Virginia Hoppe. The king was selected for his outstanding dorsal, the foot. Coronation took place on Wednesday of Homecoming week to allow the Queen's reigning over all homecoming festivities.

Set in the aura of Never, Never Land, the Homecoming Dance took place in the high school cafeteria. The dance was held from 8:30 p.m. to 11:30 p.m. Music for romance was provided by Gene Yates and His Orchestra. The group tried out a few jazz numbers but soon saw that the couples were more in favor of the slow, graceful dances.

Presentation of the Queen and Court was at 10:00 p.m. Queen Pamela Dettmann was escorted by William Fawell. Terry Bowman was escorted by William Weyrauch, Margo Guerra was escorted by Keith Day, Donna Hensel was escorted by Brad Westrom, and Virginia Hoppe was escorted by Gregory Buikema.

Attending the Homecoming Dance this year were several couples of previously-graduated students. Registrars this year were Mr. and Mrs. Paul Netzel. Mr. and Mrs. Henry Dettman, parents of the queen, were also in attendance.

Wildcats Victory of the Year

October 16, 1970 was the day of the great Wildcat Homecoming victory. The fans were wild the entire evening as our Cats and Kits battled away with the Trojans of Cary Grove.

The first game of the evening handed our Kits a tough job in keeping the Trojans back. On offense Scott Dierking made some spectacular runs gaining a total of 70 yards and 2 T. D.'s to his long list of credits. Joseph Hitzemann made the 3rd T. D. for the Kits but for all their hard work our boys had to take the only tie of their Championship careers with a score of 18 to 18.

The Varsity Cats had the best night of the season and they gave their fans something to cheer about as they defeated the Trojans with a score of 21 to 14. Randy Gibson had a terrific running night as he chalked up the yards against the Trojans. Ed Thompson also had a good night against the opposition; Ed carried the ball as Fullback. It was a cold night but the Wildcats were HOT.

Varsity Tried, But . . .

The We-Go Wildcats had a difficult season this year, but they showed great effort. With the new coaches, Mr. Unruh and Mr. Sterner, the team worked out constantly. The tri-captains, Steve Hensel, Mark Prutzman, and Ed Thompson helped to urge them on at the practice sessions.

Even though the team had great stamina, they couldn't get the points needed to win. The team's conference standing was two wins, five losses. They ended the season in sixth place, tied with Kaneland's Knights. Even though they only won two games, those two games showed that the team's spirit was still high and they had the ability to react fantastically when the pressure was applied to them.

In the Batavia vs. West Chicago game, the Cats broke a school scoring record when they scored 60 points. The most exciting and rewarding game for both spectators and players was the Homecoming Game in which the Wildcats fought against undefeated Cary Grove. West Chicago rallied from a two touchdown deficit to a 21-14 victory.

Bill Fawell was voted the most valuable on offense, Rick Mills received the most improved player award and most valuable on defense, and Ed Thompson was the most valuable overall.

We're Number One

"We're number one," was the Frosh-Soph Football team's thing. And, wow, how Coach DeMay and the team did their thing. It just seemed impossible to put a stop to the Wildkits desire for a victory after victory.

No doubt about it, Scott Dierking was out to show what he could do. No matter how hard the other team would try to get him down, he would hit back just a little harder. Even though he weighed 175 pounds, he was light-footed and quick with his hands to intercept the ball. "Steal, that ball, and run, brother run."

Scott's running was incredible to believe by both friend and foe. In the battle against Geneva, he really managed to astonish the crowds with his footwork by running 96 yards for a T.D. Out of the 280 points for the season, Scott scored 204. Garry Schmitt made 20 points, Kevin Kaelin and Pete Dombrowski both scored 18 points, Joe Hitzemann, 14 points, and Ken Fry 6 points.

But who was that 185 pounds 5'8" dark, handsome middle liner, blocking for the team? (Handsome?) That was Mike Guiliano, jersey number 51. Pud (nickname used by the team) was elected as "Mr. Defense." The Wildkits defense started out slowly, but improved to help the team to its undefeated season. Mike Guiliano lived up to the title as Mr. Defense with his outstanding record of 41 tackles for the season. Dean Dierschow and Mark Clandorf both showed excellent skills as defensive players. Dean ended the season with 38 tackles and Mark with 34 tackles. The opponent was only allowed an average of 14.5 points per game, while the Wildkits averaged 35 points per game.

Congratulations to the Frosh-Soph Conference Champs.

Conference Champs!

The Wildcat's Cross Country team enjoyed a very good year as they ran to an 8-3 dual meet record; they were 6-0 in Conference dual meets. They finished first in the Fenton Invitational. Their finest performance of the season was in the Conference meet; they finished four runners in the top ten places. Captains of the varsity squad this year were seniors Rick Engstrom, Dan Bussie, Don Brady and Al Kowalewski.

Rick Engstrom holds the team record of 14:54 over the 2.7 mile Reed Park course. Returning next year are varsity letter winners Mike Hanes, Joe Strock, Jim Madison, John Marcello and Freshman Jeff Buikema.

International Laugh-In

Did you ever wonder what Napoleon had up his sleeve? Well, all secrets were told at this year's Language Night presentation of an international Laugh-In, October 8. Skits, jokes, and even commercials were written by the performers, directors, and anyone interested in the show.

French can-can girls danced across the stage bringing with them news of the past, present and future. The Frito Bandito snuck up on a giant hat, stealing fritos from under it. No show would be complete without commercials, but who ever heard of Latin Lay's Potato Chips, and Latin Winston Cigarettes? To top it all was a big German Rubber Duckie.

Of course there was the joke wall, which ended in a rush for the cafeteria, where each language booth offered refreshments. The Latin booth filled cups of grape juice to go along with hard bread. The German booth offered delicious peach and apple kuchen. The Spanish booth had mexican wedding cookies, with sandria, a native drink. The French booth served cider with cream puffs, creme de menthe candies, petite fours.

A Capella Choir Performs

The A Capella Choir forfeited their lunch hour December 18 this year, to sing an hour and a half for all of the men and women on their lunch shifts at General Mills. It proved to be an exciting and rewarding experience. The Choir returned with light spirits and many boxes of General Mills products.

The Christmas Vespers Concert was performed by the Choir, its Madrigals and the Girls Glee Club on December 20, 1970. The Freshman Chorus and Orchestra had their own performance on Tuesday, December 15. Other performances directed by Mr. Benner, were: the Choir's annual presentation on Veteran's Day, when they sang the "Song of Democracy", their Winter Concert February 23, and their Spring Concert June 1.

This year our high school was given the honor of having the State Music and Frosh-Soph Winter Concerts held at our school, in which all of our music students competed with over 20 other schools.

Vocational Training

Interrelated Occupations is designed to prepare both boys and girls for entry into the vocational world, with the aid of classroom and on-the-job training. The student attends related classes in the morning and then goes to his job chosen from one of five areas of vocational training: business marketing and managing, health, industrial oriented, applied biological and agriculture, and personal and public service. The jobs range from chef-training at a local hotel to secretarial work.

I.R.O. manages football concession stands and is a member of VICA (Vocational Industrial Clubs of America) and meets monthly for a social meeting.

At the end of the year, the students attend a state convention of VICA in Springfield. Then the year is topped off by the annual Employers-Employee Banquet, given by the group members to honor their employers, officers, and outstanding members of I.R.O. At this time, an I.R.O. member-of-the-year is announced.

Cooperative Training

C.W.T. is a cooperative work training program divided into two areas. The first is a work-related class in which the student learns general skills and information needed in finding and keeping a good job. For the second part, the student is involved in actual off-campus work experience in the community. This involvement helps prepare the student to find gainful employment upon graduation.

New this year is the first contracted training program at W.C.C.H.S. It is a cooperative cosmetology class, a two year program run in coordination with the Tricosis School of Cosmetology in Elmhurst. This is designed for girls in their junior and senior years. The girls learn all aspects of cosmetology and are given the opportunity to practice these skills on customers. At the end of the senior year, a girl may become a licensed beauty operator.

I.R.O. student on the job: Henry Escobedo at Pheasant Run.

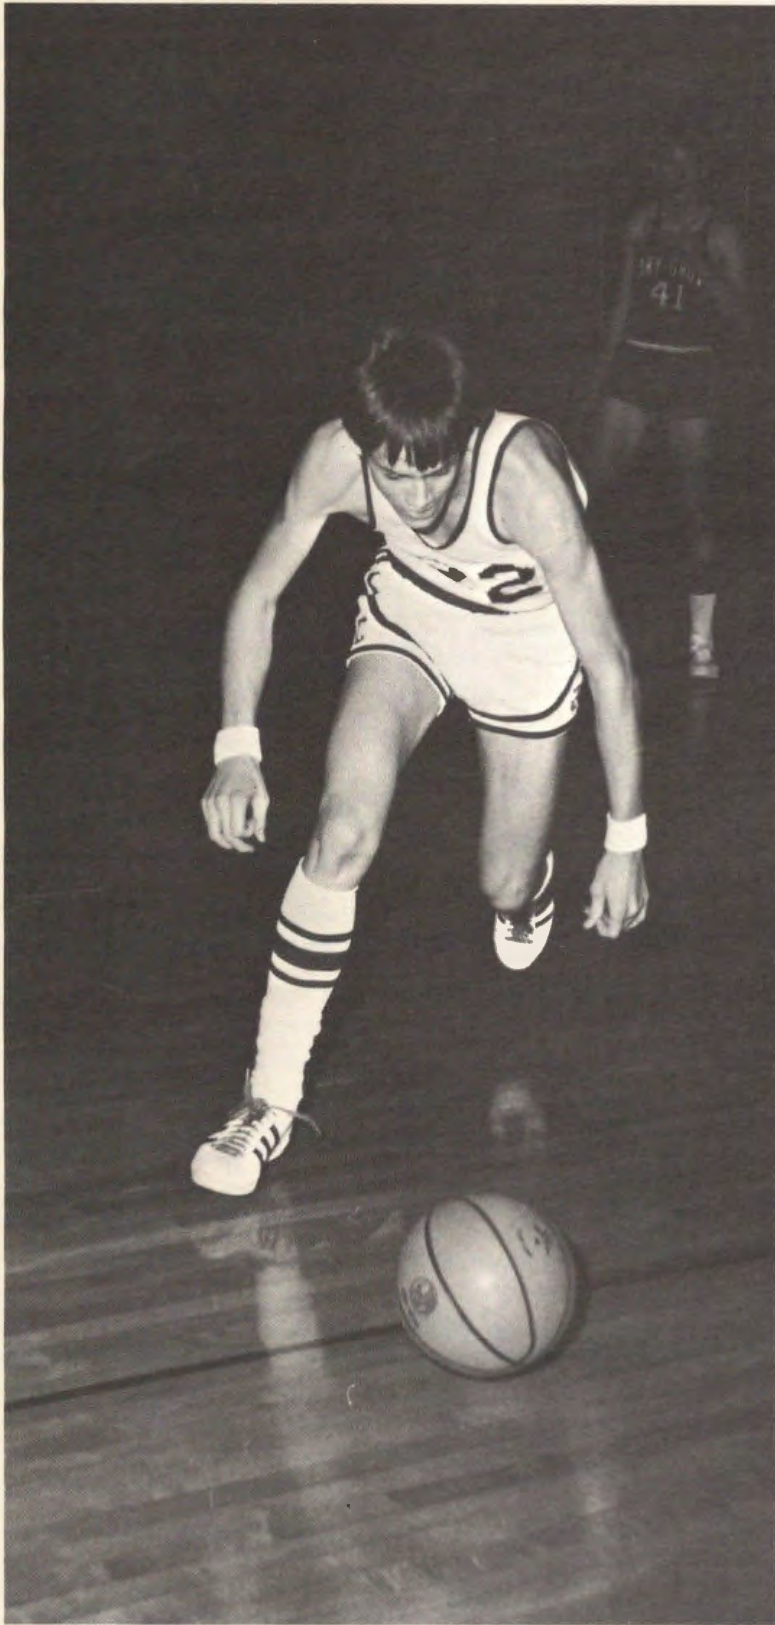

Mike Tesch uses drafting skills at Sidwell Studios.

Dave Altman map-drafting at Sidwell Studios.

Shoot Two, Big Team

The Varsity Basketball Team started slowly, losing quite a few close games the first half of the season. At the start of the second round, Aivars Baumanis was brought up to Varsity from the Sophomore Team. Aivars proved to be an advantage for the Wildcats. The Wildcats showed a steady improvement, winning seven out of the last eleven games. Orval Jordan led the team in scoring with 505 points. O. J. was again named to the first team — all-conference. Jeff Baker was elected to the second team — all-conference.

The Sophomore Basketball Team just couldn't seem to get going. They had a disappointing year winning four and losing nineteen. They finished last in the Little Seven Conference. High scorer for the Wildkits was Ken Fry with 216 points during the season. High average per game was Aivars Baumanis with a 13.2 average. Leading rebounders were Aivars Baumanis and freshman Gregg Hoffman with 142 and 124 rebounds respectively.

Senior-Faculty Game 1971

In the battle between the senior "hicks" and the faculty "aristocrats", the latter came out ahead by a score of 95 to 67. The seniors' "spirits" were high, but the faculty got it all together and proved that their months of practice had not been in vain.

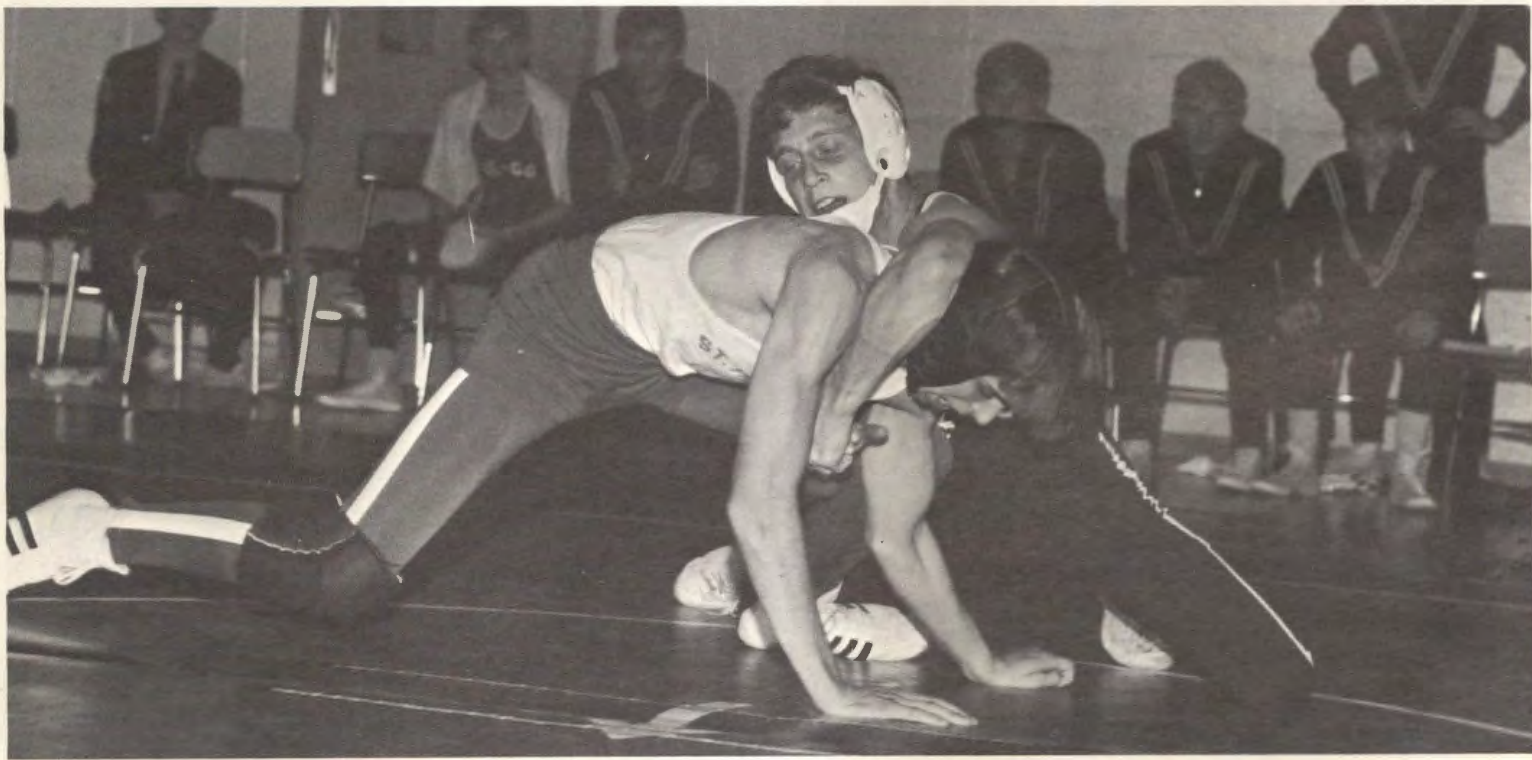

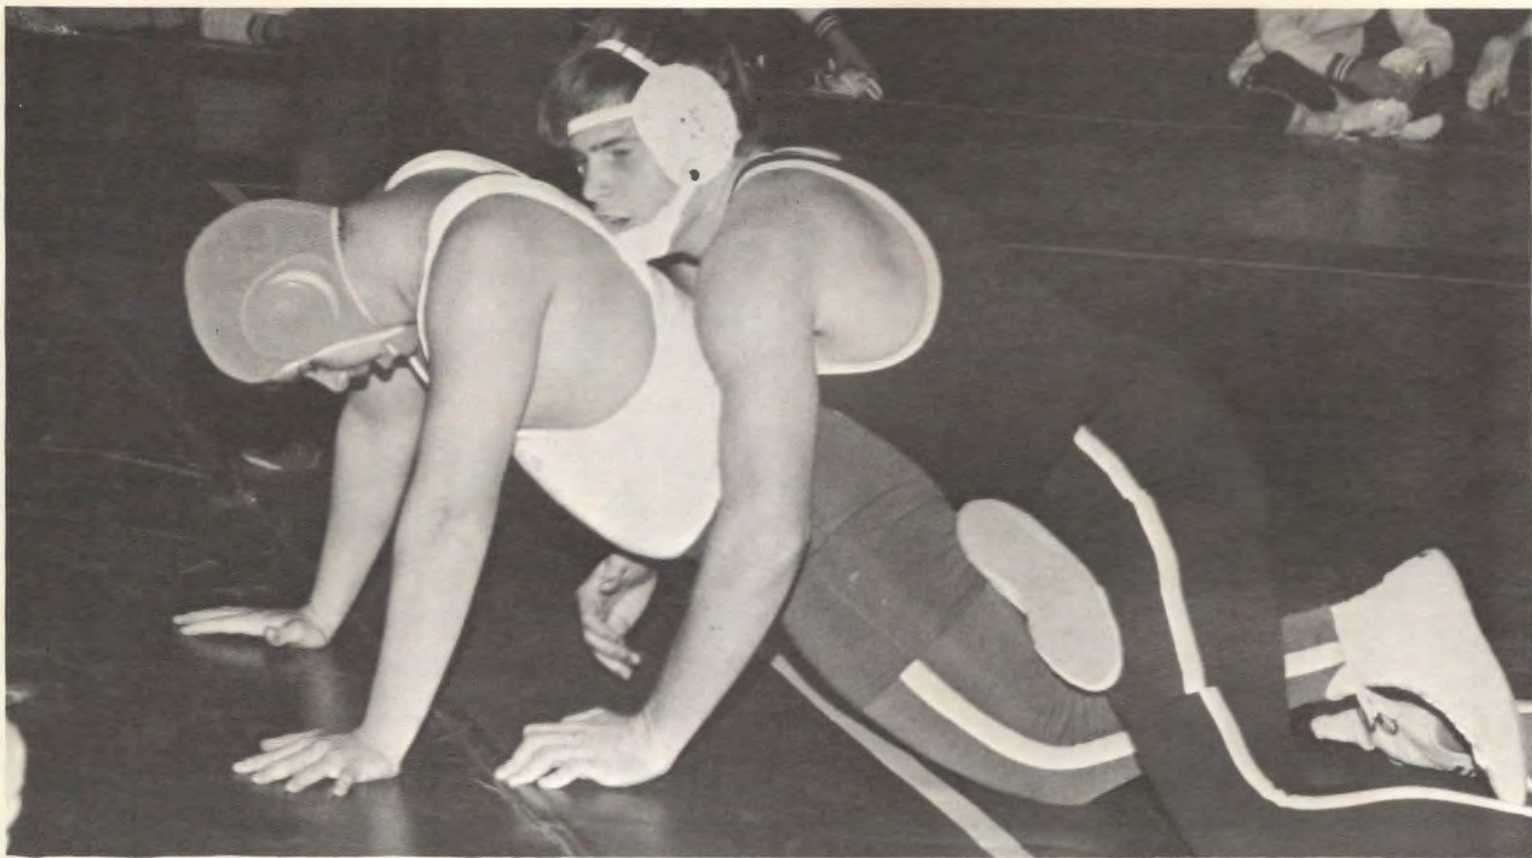

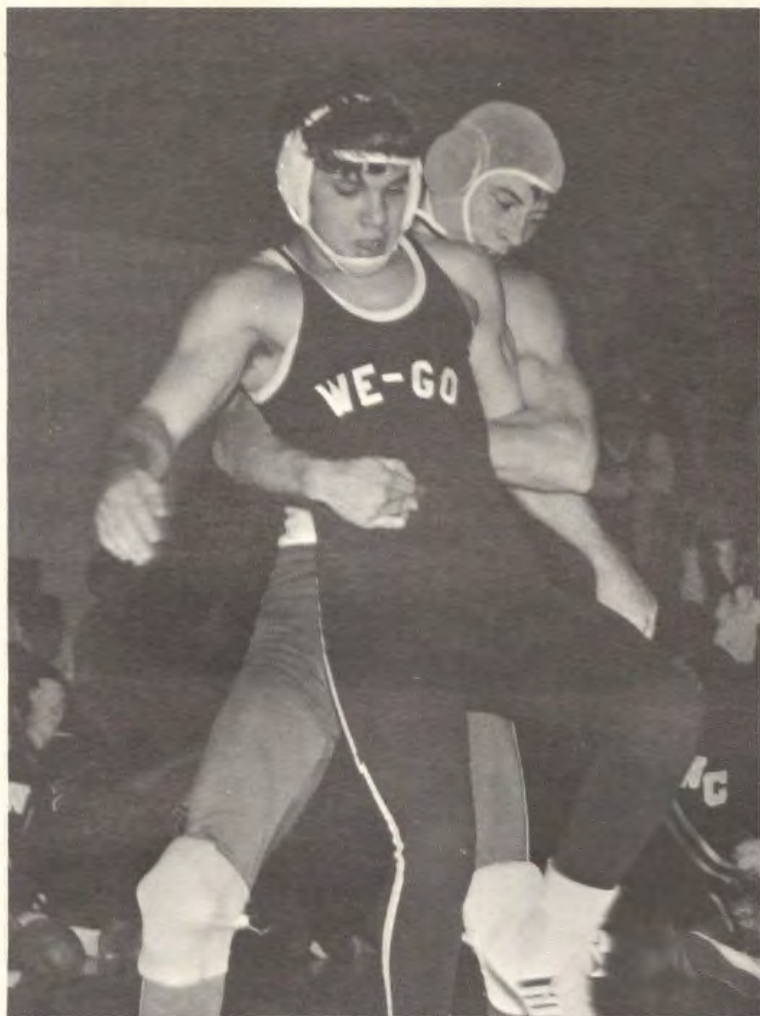

A Capella Choir Visits University of Illinois

The A Capella Choir of West Chicago Community High School was asked to attend a "Lecture Concert" at the University of Illinois' Krannert Center for the Fine Arts. It should be noted that our choir was the only high school choir to attend this concert. The A Capella Choir performed a number of songs for an audience of student teachers studying in the field of music. The student teachers asked questions of both Mr. Benner and the members of the choir about the field of music at the high school level.

When the Lecture Concert had concluded, the A Capella Choir took a tour of the new Krannert Center for the Fine Arts, and then it was homeward bound again. Between the excitement of the concert and the snowstorm which greeted their return, the choir will not soon forget their day at the University of Illinois.

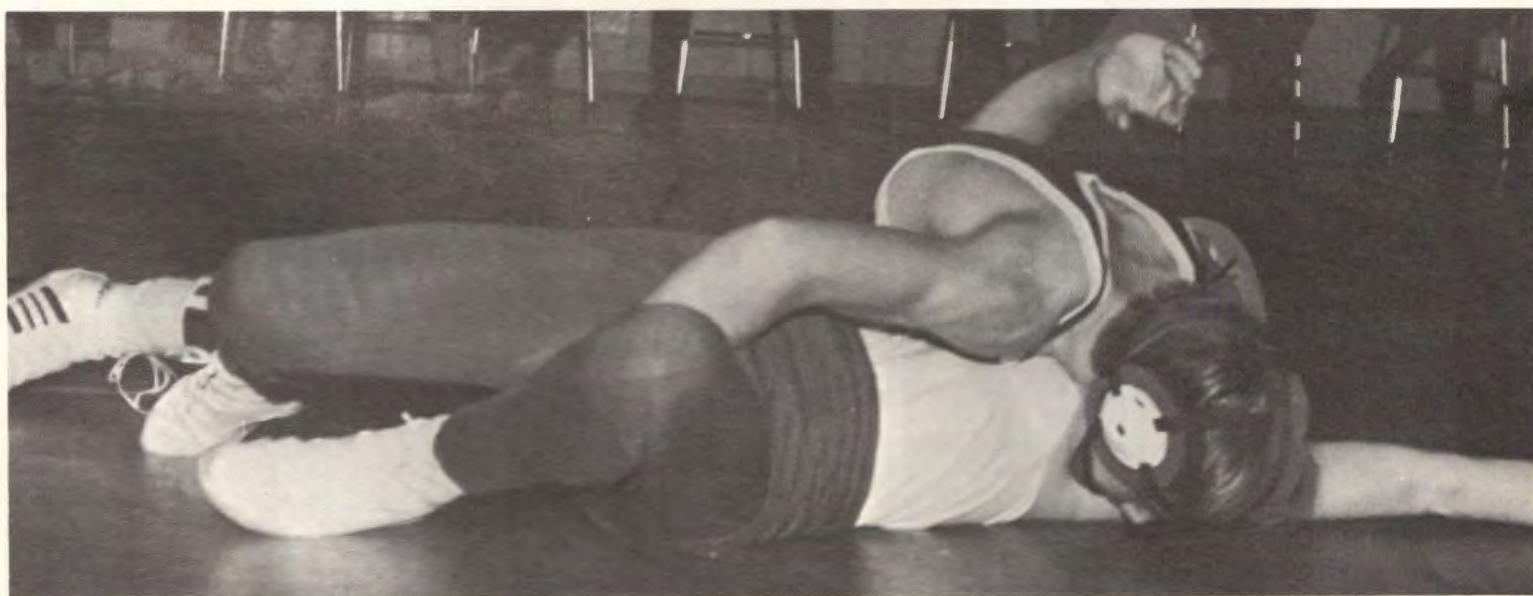

Varsity Takes Third Sophs Pin Championship

With Freddy The Fish, Coach Grubbs and Coach Owens, both Varsity and Sophomores squads couldn't help but start out with victories over St. Francis; Varsity 47 to 5 and the Sophomores with 43 to 20. That night the Grapplers displayed to the fans the art of sticking, or in other words pinning the opponent in their first match, by pinning one Spartan after another.

Varsity went on from there to defeat Oswego in a match that resulted in a We-Go victory 27 to 14. Against Geneva the Grapplers won 40 to 6. The teams final season record was 6 wins, 8 losses. They placed third in both Conference and District. Captains Ed Thompson and Al Kowalewski were elected most valuable. Tom Davis was most improved. Peter Dombrowski, Randy Gibson, and Rick Lukens were elected next years tri-captains for Varsity.

The Sophomores team decided that they weren't going to settle for anything less than the Conference Championship. They were led by two outstanding captains, Chuck Zalesiak and Dave Spohn. Dave achieved a zenith point of success by going through the season with a 23-0 mark. The teams conference record was 5 wins, 2 losses. The season was one of great spirit and desire along with hard work and determination. These inseparable parts came to a whole with the Conference Championship for the team. A great team effort concluded in a good season and a great deal of pride in the Sophomore Championship.

The Mouse That Roared

The Mouse That Roared is about the tiny country of Grand Fenwick which declared war on the United States of America and thereby received aid for rehabilitating their country. Mark Grammer who plays Tully, the simple-minded leader of the operation, believes he is supposed to win and captures the new peace weapon called the "Q Bomb," which was created by the U.S. By doing this he accidentally wins the war.

THE MAIN CHARACTERS

Tully	Mark Grammer
Benter	James Kenton
Count Mount Joy	Rick Popelka
Her Highness Gloriana the 12th	Diana Walker

Thespian One-act Plays

The One Act Plays were done completely by the Thespians themselves. The students picked the plays, sponsored the plays, and picked the directors. The three directors were Diana Walker, Frank Iuro, and Cindy Schramm. They should be praised for doing all three plays in 2 ½ weeks. The three plays picked were **The Birthday Party**, **Evening Star** and **Waiting for the Bus**.

Benter (Jim Kenton) and Count Mount Joy (Rick Popelka) each try to persuade Her Highness (Diana Walker) to his side.

The cast and crew of **The Mouse That Roared**.

The President (Martin O'Donnell) receives a "message" from the representatives of Grand Fenwick.

In Waiting For the Bus, Edith (Cindy Trennert) tries to talk sense to Benny (Dennis Davis) as Andrew (Steve Borchers) looks on.

Her Highness Gloriana the 12th in all her glory in the throne room.

Jim Kenton, Sue Mitz, and Rick Popelka in The Birthday Party.

Experiencing Modern Dance '71

Dance Production this year involved both senior and junior girls. The dance class began work in September and the program was presented to the public on Valentine's Day.

There were a variety of dances given throughout the program with a non-stop effort on the part of all performers. A group that involved juniors and seniors danced to "Tommy," which was a jazz performance. Seniors performed in "Soft Landing on the Moon," an abstract dance, and "Reevers," a folksy type dance. Eileen Keeley was program chairman this year; she did a solo to "Exodus" giving a beautiful interpretation of the meaning, not just the measures of music. Sally Colford also performed a solo; she danced to the Chicago's "Anybody Know What Time It Is?" Both Eileen and Sally played a large part in the choreography of all the dances performed by the girls.

A dance group from Fenton High School performed two dances during the program, one of the dances was to "Exodus" but their interpretation was not as moving as Eileen's. To end the program the entire group from We-Go performed the "Irish Jig," which left everyone in high spirits when it was time to leave. Mrs. Jakes, the class's instructor, received two dozen red roses during bows.

1971 Talent Show

"One More Time"

The Pep Club presented their 1971 Talent Show entitled "One More Time" on April 22. The show included such numbers as "Times Have Changed," "America," "Fire and Rain," "Yesterday," "Love," and "Bed of Roses." The non-musical talent in the show included: "The Department Store" and "The Movers" done by the Marx Brothers, and the Black-outs and "Honey Pie" done by the Acme Trucking Company. The 1971 Talent Show exhibited to the students and to the community the promising talent which is here at West Chicago High School.

Fernando, Pitsa and Naomi : International Visitors

This past school year we had the opportunity to play host to three foreign students. The AFS student was Fernando Teixeira from Brazil; he stayed with the James Prutzmans. The Rotary student was a girl from Greece, Pitsa Kallivokas; she stayed with the Harold Higgins. The third foreign student was Naomi Maeyoko from Japan. She spent the year in the home of her Uncle and Aunt, the Frank Watanabes.

All of them arrived here last summer and will be leaving in June for their homelands, which they all miss. They were asked whether they would remain here if given the opportunity, but the answer was "No" from all three. They each felt that they were more suited to live in their native lands. They all came here for educational purposes, but Naomi expressed her feelings more strongly than the others. She was here on her own to learn English because it has become a very important part of the Japanese education. She feels that she has benefitted greatly and that her year here will aid her when she takes her college entrance exams, which are very difficult.

When asked what they thought of our school system, their answers were all favorable; but again they felt that the system works here but it would not work in their countries. They all

expressed interest in the fact that our students are allowed to choose their courses of studies. In their own countries they are given a program which they must follow; they cannot choose as we can. They all felt that our classes are much easier than their own at home.

Fernando and Naomi said they found people to be much warmer and friendlier here than at home. Pitsa said the opposite. She felt that the people here are friendly but not as warm and open as the people of her country.

Being from different regions of the world the students each had something to say about our diet here in the U.S. None of them had ever had any kind of pies (meat or fruit or dessert). Naomi was amazed at the amount of beef that we have here and decided that hamburgers were her favorite. Pitsa had never seen or heard of sandwiches either. She said they were all right — at the right time, but she was accustomed to having fully-prepared, cooked meals, every meal. Fernando said that he too was not familiar with food in the form of pies, but he liked them anyway. Beef was nothing new to him because it is a major product of Brazil.

Harried Harriers

The West Chicago Cindermen were upset with the results of their track meets this year. Varsity just couldn't get hold of a victory. Losing isn't encouraging, but they went on working and tried hard at each meet. Even though they lost meet after meet, they didn't lose faith in what they themselves could do. They tried hard, and that's what counts.

Rick Engstrom, Jon Voelz and Greg Haney are seniors on the team. Rick and Greg are both runners. Jon has been working at shot put. Don Voelz has helped the team out with pole vaulting. Next year, Mike Hanes will return as an event runner for the team's half-mile. Joe Strock has been running the mile for the team at 4.55.

The sophomores have shown to have had a better season. Bill Fredericks, Armando Romero, Rene Garcia, Frank Villa have done a great job in the team relay. Scott Dierking once again proved his skill as the runner for Cindermen, with 10.5 being his best time. Freshman Greg Hoffman is lead shot putter, with his best throw being 46 3/4.

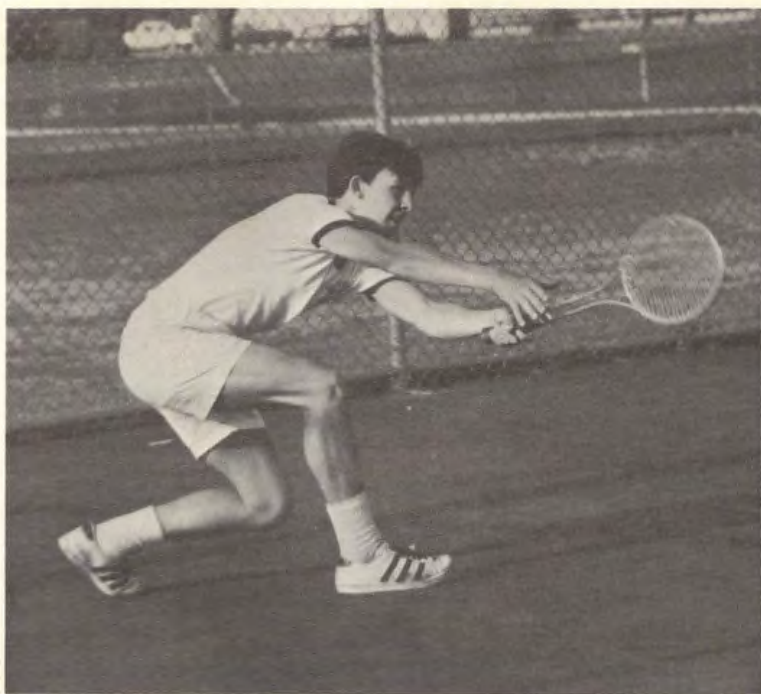

Golfers Look to Victory

"Desire, dedication to improve, receptiveness to constructive instruction and criticism," was the reply given by coach Mr. Swan when asked what makes a good golf team and golfer. The team has proven its desire by its results this season. Varsity with its top players, Mike Parsons, Jay Huff, Bill Hodson, Curt Rohwedel and Ken Kocher, has a record of 5 wins, 0 losses. The Sophomore record is 3 wins, 1 loss. Next year's teams look very good. The team will only be losing two of its 9 top golfers.

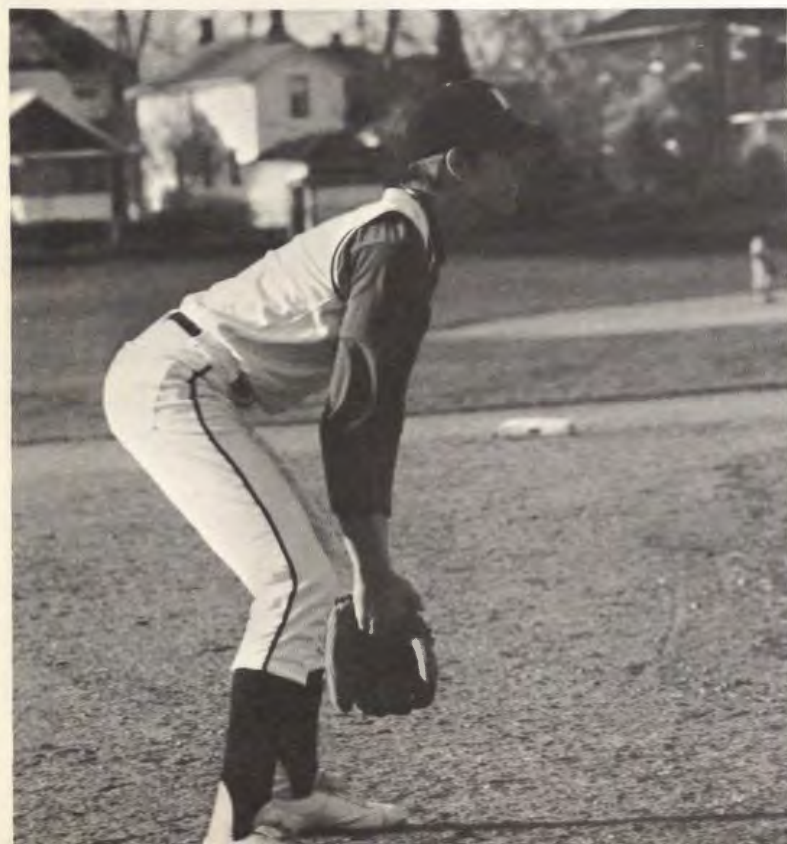

Zero — Love

As the saying goes, "You can't win them all," and this saying can be applied to the Tennis team, for it hasn't. So far this season, out of 10 matches they have had, only one has resulted in a We-Go victory. Despite the team's losing streak, they kept on trying with spirit and might.

Outstanding players were the co-captains for singles, Doug Schmult and Mike Ford, and Joe Butler co-captain for doubles.

Let's Go, You Guys!

The Wildcats started out the season with an undesirable record of eight straight losses. Then in the ninth game, the Cats managed to tie with Lake Park 4-4. In their 12th game, the score was We-Go 6, Geneva 4. Against Batavia's Bulldogs, the Cats gave great excitement to the fans when they had to go into nine innings and won with a score of 8-6.

Bob Muilenberg was the leading pitcher with four victories. His earned run average was 2.51 and he had 77 strike outs in 61 $\frac{1}{3}$ innings.

Wes Tredup was the leading hitter with a batting average of .329 and 14 runs batted in. Wes lead the team in doubles with six.

Besides being an outstanding catcher, Ron McGee was one of the leading hitters all season. Ron's average was .280 and he lead the team in extra base hits with three doubles and four triples.

All School Musical: Once Upon a Mattress — A Hit

Minstrel	Kevin Lambe
Queen Aggravain	Peggy Young
King Sextimus the Silent	Frank Iuro
Princess Winifred	Cindy Schramm
Prince Dauntless	Dennis Davis
Lady Larkin	Diana Walker
Sir Harry	Terry Bruce

On May 21, 22 and 23 the musical **Once Upon a Mattress** was presented in Weyrauch Auditorium. It was a successful play because of the combined effort of actors, dancers, the chorus, orchestra and crews, all under the direction of Miss Marge Skalba and Mr. Charles Greenberg, co-directors and Miss Pam Clark, student director. The orchestra was under the direction of Mr. Gene Haney. A total of 78 people all worked hard at practices.

But not everything went right the first time. For example, during the performance, when the Wizard (Randy Gibson) was mixing his brew, fire extinguishers were used for sound effects and, as luck would have it, on their third performance, they ran out.

And remember how everyone thought that Princess Winifred (Cindy Schramm) was going to fall off the bed when she was tossing and turning? Well, she came close to it a couple of times.

But all in all the play was a success. The audience showed their appreciation by giving a standing ovation after each performance — a West Chicago first.

To celebrate, the cast and crews went to chorus member Linda Schuett's house for the cast party. Afterwards they played football and crack-the-whip and had a snake dance down Washington Street.

Vernon "Babe" Jahns Retires After 41 Years of Service

As he walked down the hall, peace and quiet suddenly reigned. Who was this small, smiling man in the gray suit who commanded such power? None other than our own Dean of Boys, Mr. Vernon R. Jahns. He could look at students and make them feel guilty, even if they weren't doing anything wrong. Yet, for those students who have known him, he has been a kind and very understanding man.

He was the youngest of five children in his family, so people began calling him "Babe." The name has stuck ever since, until today that is what all his friends call him. He attended Northern State Teachers College in DeKalb, and Northern Illinois University for a two year diploma and his B.E. When he first came to West Chicago, he began teaching at the junior high, where he taught shop for thirteen years. World War II interrupted his teaching, and he went to work in an airplane facto-

ry. Upon returning, he came to teach at the high school. He has not always been the dean, though. His coaching brought our Frosh-Soph Football Team its first conference title. He also taught shop, driver's education, and did administrative work.

He has enjoyed the twenty-seven years he's been with us because he loves teenagers and always enjoyed teaching. As Mr. Jahns said, "The association with the students makes it all worthwhile." He feels that the students respected his job and didn't resent him personally. They just "took their lumps and came back for more!"

He realizes that there are many problems in this school. He feels the most prominent ones are truancy, smoking and vandalism. He feels it isn't that the problems have changed through the years, we just hear more about them. They are harder to solve, however. The town has grown so that he doesn't know all the students and their parents. It is difficult to contact the parents because both are often times working.

If anyone knows Mr. Jahns very well or has ever stopped to talk to him in the hall, they know that he has a delightful sense of humor. When asked whether he will miss working, he replied, "I'll miss the challenge of the day to day, but not the other part!"

Besides teaching and being Dean, Mr. Jahns has been very active as a citizen. Here in West Chicago he has been involved in the Boy Scouts, Community Fund, and the West Chicago Indians, a baseball team. (He also played semi pro basketball with the Elburn Collegians.) He is a man with hobbies, memories, ideas and hopes. He enjoys fishing, hunting, lapidary work and all kinds of shopwork. After his retirement, he has no special plans. He would just like to take it easy and "play it by ear." He has hopes of traveling, vacationing at his cabin in Michigan, visiting his children, and working at his own leisure. He is looking forward to being able to get up and go anywhere, whenever he wants to. In a year, he has expectations of a trip to Alaska — driving up through Washington and Canada, coming back on a scenic boat trip through the glaciers in the Pacific Ocean.

He has many wonderful memories to take with him and cherish. Our school has been a big part of his life and he will not forget it, just as we will never forget him.

We wish him much happiness and enjoyment in his retirement!

Prom "Remembrances"

This year's prom was held May 29 at Pheasant Run. Approximately 100 couples danced to the music of Lou Wells and his orchestra. Cindy Klingman was crowned Prom Queen. Her attendants were Kim Atkinson, Ann Carey, Ann Higgins, and Susan Kleinedler.

NHS and NM Winners

Scholarship, leadership, character, and service are the four qualities that are looked for in National Honor Society members. Seniors that maintain a B average are eligible for membership. All teachers who have taught here for at least one year are given the names of these students. The teachers indicate which students they feel deserve NHS membership.

January 13 was the initiation of those elected in November. Before their parents and friends, initiates received their pins from Miss Charlotte Ekern and Mr. David Ream. Other teachers who helped in the planning of the evening were Miss Patricia Peterson and Mr. Howard Holcombe. Following the initiation, refreshments, made by the home economics department, were served in the library.

Six seniors scored high on the National Merit Test which they took in February of their junior year. Scoring in the upper two percent of seniors in the nation and receiving Letters of Commendation were: Thomas Davis, Walter Dempsey, Michael Lynch, David Reynolds, and Marcia Utech. Carol Kloubec, scoring well on the National Merit Test, took the Scholastic Aptitude Test. After this final test she was placed among the upper one percent of seniors in the nation and received a Certificate of Merit.

NATIONAL HONOR SOCIETY

Hoppe, Cynthia Valeske, Nancy Ulbricht, Sandra Chasteen. **THIRD ROW:** Thomas Davis, Mark Prutzman, Jeffrey Baker, Michael Lynch, Larry Mesner, Walter Dempsey.

David Reynolds

Carol Kloubec

Michael Lynch

Marcia Utech

Walter Dempsey

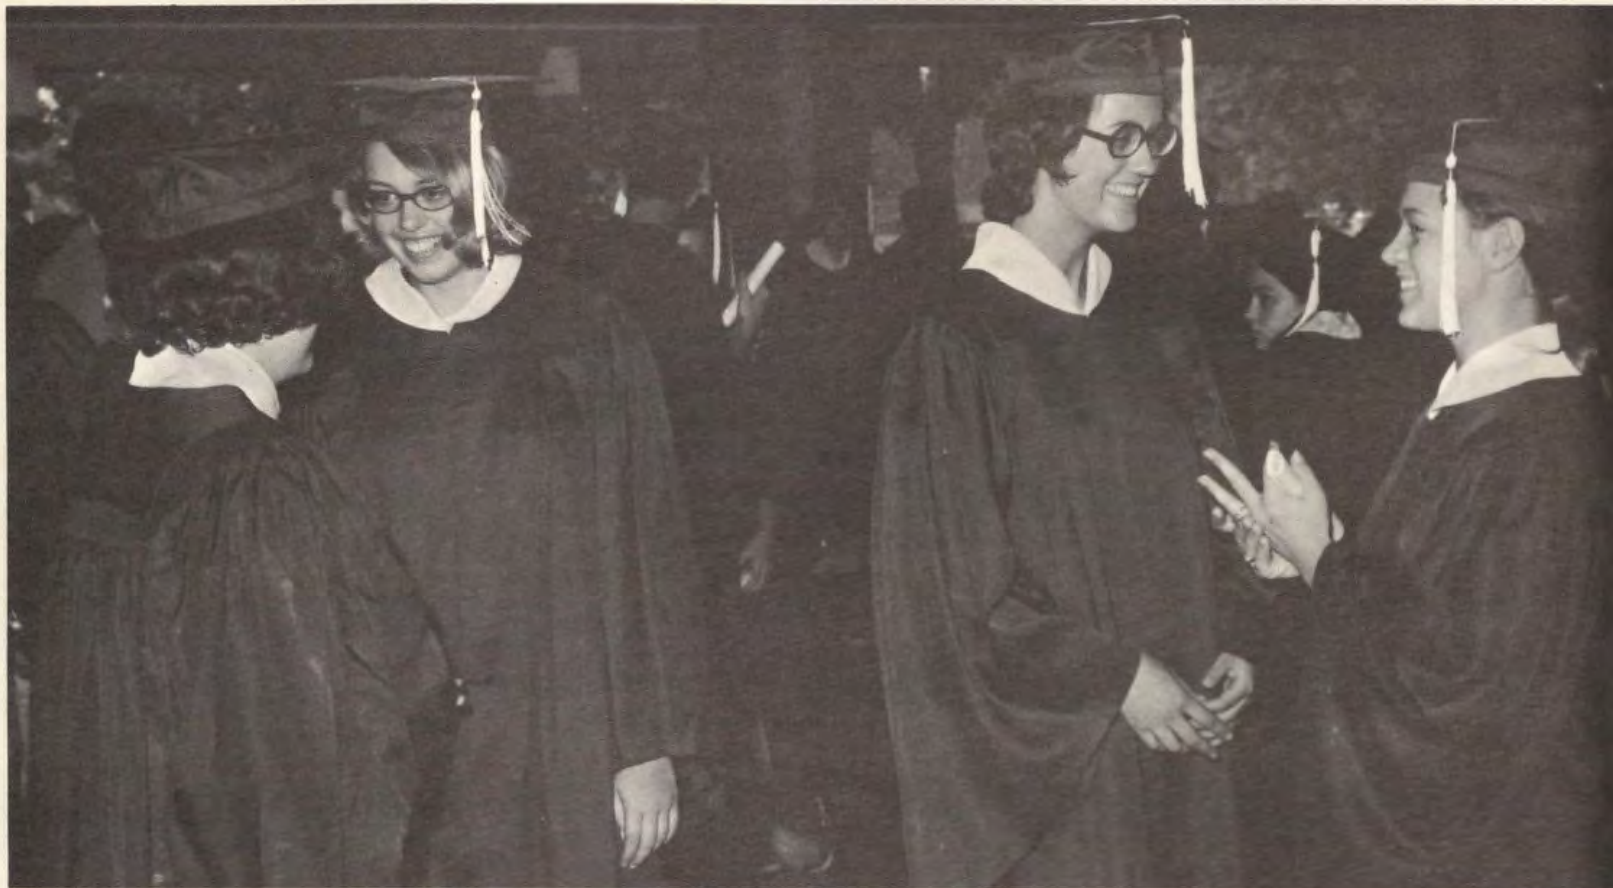

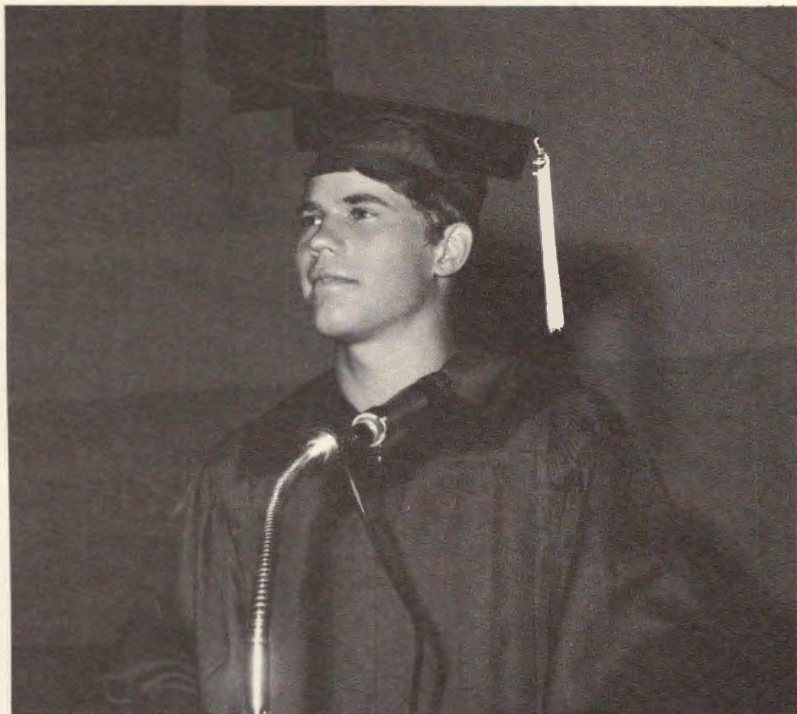

Thomas Davis

Class of 1971 Graduates

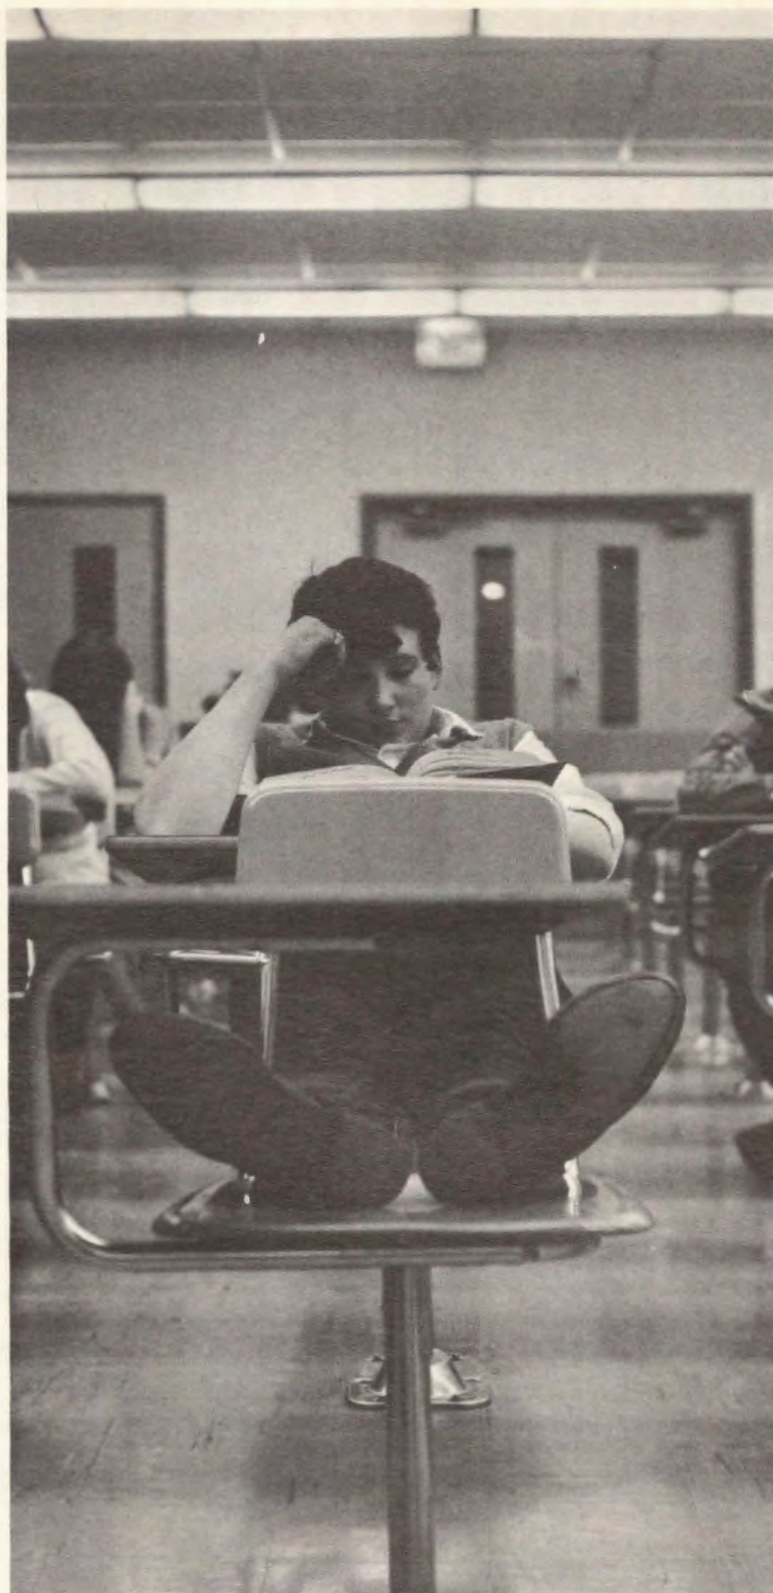

Graduation procedures began with a combined Baccalaureate/Honors Convocation, held June 9 at 8:00 in the Bishop Gym. Reverend Howard Westlund spoke on the topic "Who Cares?" The orchestra played the processional and recessional, and A Cappella Choir sang "The Last Words of David." The awards were presented, and the foreign-exchange students reminisced about their year in West Chicago. Carol Kloubec and Marcia Utech were named Valedictorians.

Graduation was held June 11 in the Bishop Gym at 8:00. Mr. Ernest E. Hanson, Vice President of Student Personnel at Northern Illinois University, was the commencement speaker. His topic was "Youth of the 70's." The concert band played the "William Tell Overture" as their special music of the night. Walter Dempsey, the 1971 class president, presented the class gift, a contribution to the Weyrauch Memorial Fund. Superintendent Jerald Saimon presented the class. Principal Richard Howard read the names of the graduates as Mr. Robert Westrom, president of the Board of Education, presented the diplomas to the 265 graduates.

Challenge for 1970-1971 has been put together by a staff that has done a great job. The staff consisted of many first-year students. Wendy McClurg, who is a senior, took on the entire Activities section with the aid of Barbara Walker, a junior. Between them they managed to cover all the clubs and activities that have any foundations in our school.

Donna Taylor, Janet Tredup, and Jan Plefka undertook the huge, but necessary, section of Underclassmen. Through good organization and steady work the section was completed before the deadline. All the girls took on many other small but valuable tasks for the yearbook, such as copy and two-page layouts.

Debbie Moore and Paul Westlund were the staff's photographers this year, giving a hand to cover any unexpected events that came up too quickly for the Walingier studio to send someone out.

Sally Colford took on the curriculum section this year.

Cindy Valeske is a four-year veteran of the Challenge staff. This year Cindy added much to the book with her artistic talents which are a value to any staff. Cindy took the responsibility of designing the cover and preparing the opening section of the book which expresses this year's theme-Contrasts.

The 1971 **Challenge** staff dedicates this book in memory of Addie Pineda, a two-year staff member who served as Sports Editor this year and was to have been Editor-in-Chief of the 1972 **Challenge**. For her enthusiasm, hard work, and friendship, we have appreciated her and will miss her.

De Fiene, Editor
