Every day at Community High School, memories are made that we will remember forever. This year we switched into a new conference, which meant changes for everyone. The students here at WeGo have proven to all the new schools how we aren't a school to mess with. West Chicago Community High School may be new to the conference, but we sure have made our lasting impression. We have proved ourselves to be one of the closest schools, and showed how much WeGo really is a family. Here's to another great year Wildcats!

WeGo New Places

In order for the freshman to have a warm welcome, the WeGo in With Pride assembly creates an atmosphere where the freshman get a little taste of what WeGo is really like. Competition, pride, and sweat help to demonstrate this. With a little mixture of cottage cheese, sleeping bags, hula hoops and balloons, West Chicago Community High School kicked off the year just right!

WE GO IN WITH PRIDE

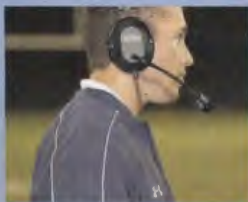

Homecoming Week

Homecoming week is all about the students coming together with their fellow classmates to prove how much school spirit West Chicago really has. We have different silly themes throughout the week during the school day and each night has a different activity. This year, we had dodgeball, movie night on the football field, the powder puff game, and of course the assembly and parade. At the assembly, the King and Queen are announced, and poms, cheerleading, steppers, and cheer club all show the school what they have. Homecoming week really pumps the student body and staff for another great year at WeGo.

Powder

This year's Powder Puff game was definitely one that kept everyone, even the players, on edge. Mr. Jennings said "It was the most exciting game I've seen in many years." The juniors and seniors were back and forth all game. With 14 seconds left on the clock, the score was tied at 42-42, everyone was planning on going into overtime, until the Juniors pulled off another touchdown. The class of 2015 took the victory, with a hard battle from the class of 2014.

HOME COMING DANCE

Queen **Erin Powell** and King **Alex Starkey** (pictured left) walk through the Homecoming crowd while being applauded for their win.

Homecoming is all about getting together with your friends and just dancing and having a good time. Homecoming kicks off the year in a positive, fun way. This year's theme was "Through the Decades." Each grade was a different decade. **Alex Starkey** and **Erin Powell** took king and queen this year, and were more excited than ever about their wins. From freshman to seniors, everyone had a great time at the Homecoming Dance.

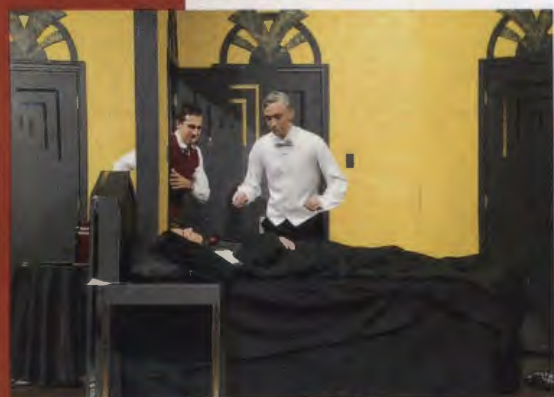

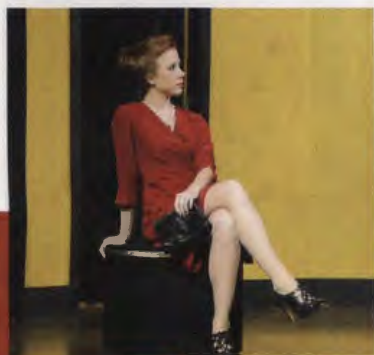

The Squad

This year, the Squad was louder and bigger than it has been in a while here at CHS. The Squad is our student section that cheers on our fellow classmates at sports events. This year we had our classic themes such as White Out and Neon Night, and new themes like Neon Green out to show support to a fellow student **Alex Villa** who was diagnosed with lymphoma. Everyone always has a blast showing our WeGo Pride, and the squad is the best place to do that.

Lend Me a Tenor

This year's holiday assembly was poppin', just like the balloons in one of the holiday games. Presents and cheer were shared during another funtastic assembly. More amazing performances by cheerleading, poms, and steppers was just the joy needed to rile up WeGo. Right before a long winters escape from school, the students had a blast singing, running, and competing with fellow classmates.

WINTER ASSEMBLY

This year's Variety Show was full of amazing talent. From the insane dance moves to the incredible voices and hardcore drum and guitar solos, the audience loved every second. With the help from the hilarious hosts from FBLA, the audience got to tweet their thoughts about the show and the hosts read some of them in between skits! This really got the audience into the show and made it that much more enjoyable. Great job performers and a special thanks to FBLA for hosting an amazing show.

Variety Show

This show was an experience that WeGo will never forget. The performances were extraordinary and brought the play to life. The anticipation for the auditorium to go dark was intense and suspenseful leaving the audience to wonder and wait. It was a thrilling show that kept you on the edge of your seat. The actors' and actresses' hard work paid off and was shown. Good job WeGo for yet another fantastic show.

WAIT UNTIL DARK

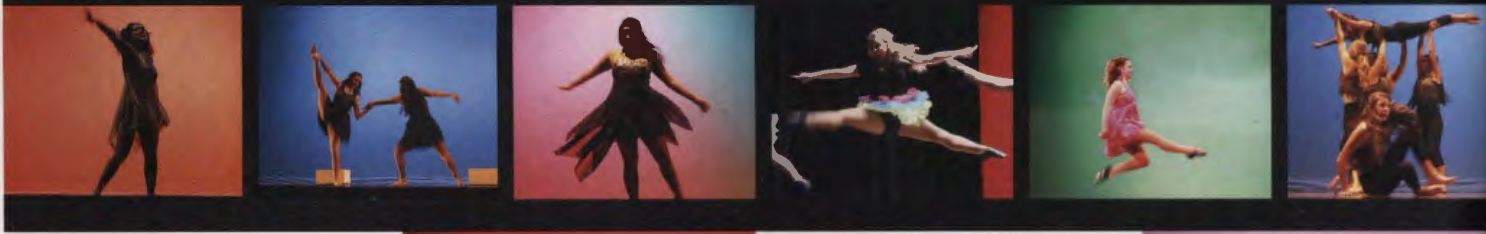

Snowball is a weekend retreat which students from all grades can go to learn about themselves and others. It's somewhere students can go to express their true feelings without being judged. **Amy Goldsmith** said "Snowball awakens all of the sincerity and courage in a person that too often gets lost in the pressure of high school. It taught me to live outside of my comfort zone, because that's where miracles happen." **Eric Noelke** said "Snowball is a place where everybody becomes a close family. It's the most relaxing, amazing, and inspiring weekend I have ever been to. That weekend shows the type of genuine, well-rounded and caring students that we have at our school, as well as the reason for us to be proud of our school." Snowball welcomes everybody, so never be afraid to join!

Snowball

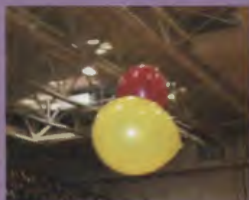

This year's Dance Production Show did a great job showing the talent that dancers here at WeGo have. Dance is obviously a huge part in these girls' lives and the Dance Production Show really shows everyone that. Flipping, jumping, leaping, and spinning, the dancers of the show had a blast performing. For the nine seniors, their last performance was one they will always remember as they left it all on the stage. Dance Production will always be a favorite here at WeGo.

Dance Production

The Spring Assembly was a true success! The first day of spring was celebrated the right way! Students against students even teachers against students, it was a wild time. From gulping down shamrock shakes to singing original songs from the Disney movie Frozen, WeGo cheered proud and made yet another fantastic impression! With Steppers stepping and spring team captains speaking about their teams, the spirit in this assembly was peptastic!

Spring Assembly

Show Me Whatchu Got

Family and Consumer Science Night

With all the wonderful Disney movies produced, WeGo would of course be the only school to perform with the same type of magic that is created in the original musical. It was a magical time for the audience, rediscovering the hidden secrets in Beauty and the Beast. The actors poured all their talents out into this play and it was evident. From costumes to falling flower pedals, these small but important details helped to make the performance that much more mystical. All the actors did a phenomenal job and were able to bring Beauty and the Beast alive.

Sports

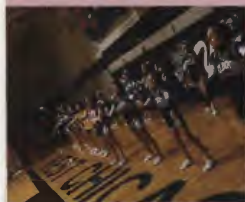

Football this year ended in a bang! Senior quarter back **Jordan Lelito** said, "The football team saw points on the board every game. We grew a lot as a program and Coach Bicker deserves the credit." Junior wide receiver **Alex Mitchell** said, "We made strides in the right direction for this program. We became brothers throughout the season." Both agree that winning the last game of the season and the Squad storming the field was their favorite memory. Good job this year boys!

Football

Before the year starts, the Cheerleading team starts their journey training all summer long for the competition season. The newest addition to the team, **Coach Klein** was willing to give it her all for the team to place during competition season. **Captain Gracie O'Malley** said "I am so proud of my team for sticking through it. We even made top five at our first competition which was a great accomplishment! It was an awesome year and I am definitely going to miss the sport, my teammates and coach." The team is looking forward to next year - big and new plans are ahead for the Cheerleading program!

Cheerleading

This year's Poms Team showed off their talent in a new conference, against new competition. **Cristin Zaputil** said, "I am so proud of how all of the girls worked and I really think we stepped it up. We made it to sectionals and had a great year. I wish the team the best of luck next year with Mrs. Wood as the new coach!" Great job this year girls and keep up the good work for next year!

WILSON

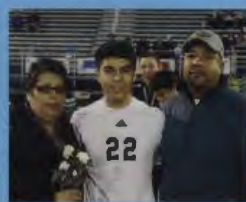

Girls Volleyball had yet another great year. With hard work and dedication they tried their hardest and were successful. The girls were able to have fun while still bringing home wins for WeGo. Team captain **Devan Orr** said that "We had very talented players this past year. Our strength was versatility. I felt like we are all passionate players and all wanted to do well." Good job Girls Volleyball.

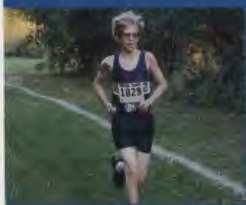

GIRLS VOLLEYBALL

Soccer had one great season this year. In a new conference the boys were willing to give it their all through practices and games. All of them were leaving on the field determination, dedication and pride. Senior, **Alfredo Villa** says "This season came with a lot of challenges ahead of us that we were not expecting. We had a great group of guys along with two freshman on the team that really stepped up to play at the varsity level." A game is not over until the last second and the referee blows the whistle. Alfredo's favorite memory "had to have been when I scored a goal against Naperville Central in our last game." This season was truly unforgettable. WeGo is very proud of the team for all the hard work that was shown on the field every night.

Boys Soccer

Boys Cross Country

The fall of 2013 was huge for the Boys' Cross Country team. Not only was it our first season competing in the UEC, it was also their first year training with Coach **Brian Puchalski**. Senior **Joe Sawicki** says "Coach Puchalski went above and beyond his first season as head coach to create meaningful goals, promote our team, and instill a sense of peak athleticism in every runner. Great things on the horizon for next year." All the boys will be looking forward to recruit many more people as well as break their own personal records for the upcoming season.

This year, girls were determined to break their personal records as well as run their hearts out. Senior **Gena Rodriguez** said "we improved so much from last year! The varsity team was just seconds away from each other's times, it was great! We did a lot of team bonding and we really became a big family. We worked our butts off and it paid off thanks to our hard and hot workouts from Maxson." The girls are looking forward to building a stronger team for next year.

Girls Cross Country

BOYS GOLF

The Boys Golf team surpassed their expectations this year. As player **Ryan Orr** said, "At conference, we ended up winning our division which was a huge breakthrough moment as a team. Our hard work finally paid off. We were really close as a group and we were all really good friends." Congrats to the Boys Golf team and all of their accomplishments!

This year Girls Golf team did extraordinary. They made it to sectionals, and captain **Hanna Netisingha** made it passed sectionals and moved on to state. The girls made Coach Mike proud. Captain **Haley Carney** said that "Each golfer has grown so strong. Everyone has worked very hard and showed improvement. Our girls golf team not only went to sectionals for the second time but made great memories that will last forever." Good job this year Girls Golf!

GIRLS GOLF

Boys Tennis

"This season went exceptionally well for us. Coming into the year with a new, young coach was really enigmatic as to how everything would transpire. That being said, we were all clairvoyant enough to know that if we worked hard enough we would have a great season. Starting in open gyms in the winter, our mentality was "Get to the next point" meaning that we couldn't focus on any one play too much. Under the guidance of our new coach we were able to win three team matches along with many individual success. Most importantly, I think our coach's knowledge and passion for the game really inspired all of us to work harder and love the game. It was a great experience and I cannot wait for next year." -Jacob Urban

The girls on the Tennis team this year were closer than ever, which made their season that much more fun. Tennis player **Josie Steinbrecher** said "Even though tennis is an individual sport, the team is such a close family. We support each other win or lose and that's the whole idea of team." Great season girls, keep up the hard work!

Girls Tennis

The Boys Basketball team this year did an extraordinary job. Hard work and determination helped them win so many games. The Squad was there to support the team at every home game and even some away games. The boys made it to regionals this year and played their hearts out, leaving it all on the court playing Glenbard North. Captian Mitchell Henke states "It was a great year, everyone stepped up and did their part to make it a successful year. It was great to have such a great season senior year. The Squad was amazing; it was always loud and made us want to play our best. Ill always remember this basketball season."

Boys Basketball

Not only was it a great year for girls basketball but also for **Coach Walner** having 400 wildcat victory games. Senior **Shelly Molskow** says "This season was a lot of fun! Coming into the Upstate Eight was a challenge because we did not know anything about the other teams; but we worked really hard the whole season." Every girl giving it their all in practices and showing it on the court beating Waubonsie Valley in overtime for senior night. Senior **Natalie Warkins** says "It was an awesome group of girls and it was fun to be around them during and outside of basketball. We improved a ton throughout the season and survived the tough winter as a team!" They are all looking forward to next years season and bringing home more wins.

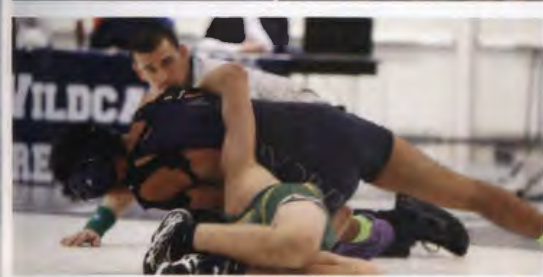

GIRLS BASKETBALL

Hockey

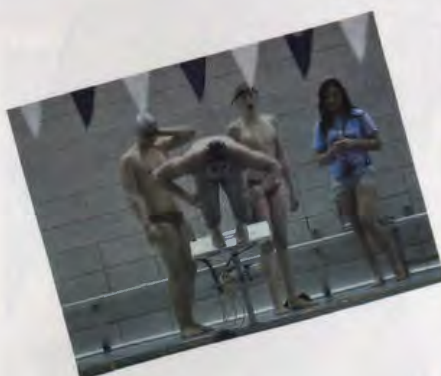

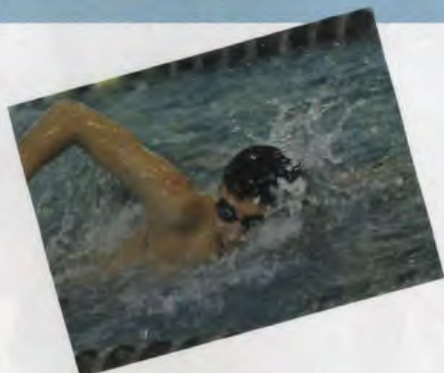

Wrestling

Boys Swimming

There were many new faces for the swimming team this year. A lot of goals were set and many of them were accomplished. A new conference means that the boys had to give it their all during every meet. Senior **Tony Resendiz** says "This season was one of the best we have had in a long time with many coming out to support us against these new teams, we were able to come out on top. I had high hopes for all the guys and all lived up to their expectations. I really wish I was able to stay one more year and yet all good things must come to an end. Good luck to those next year!" The boys are ready to break new records and have a successful year next season.

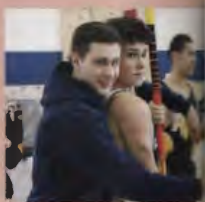

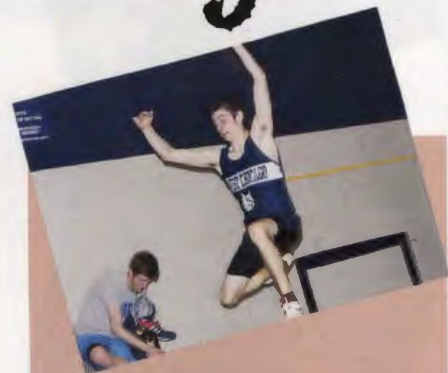

Senior **Nicole Reitz** states "This year we cooped with Batavia so it was an exciting season. With all the new freshmen and Batavia girls, this year was one of our bigger teams which allowed us to be really competitive in meets. We finished our season 4-2 in dual meets and one of our biggest highlights was winning the Maine East Relays Meet. After the regular season, our JV girls went on to swim at the Upstate 8 Conference Meet, where there were many lifetime best swims, including **Miranda Otwirk** placing 2nd in the 50 freestyle. Then the Varsity girls went on to Sectionals, where there were many amazing swims, a few nearly missed state cuts. Freshman **Myanna Cook** from Batavia qualified for state in the 100 backstroke. It was a great season."

Girls Swimming

Boys Track

"Well the season went well with a couple state qualifiers, some track meets won, and countless personal bests. The workload was increased significantly this year and payed off on the track as a lot of times were faster than previous years. My favorite memory has to be the sectional track meet since thats the last meet for most of the seniors and we gave our farewells and advice to the younger guys. Next year's athletes should just keep up the hard work and dedication throughout the actual season as well as preseason."

-Sean Young

Girls Track this year really stepped it up. The girls worked out and trained year round which really showed when the Fresh/Soph girls broke two records! Two of the Varsity captains are continuing to run in college. "This year the team really increased our team bonding activities. I'm very excited to see new athletes this next season." stated one of the team captains **Liz Carillo**. Great season girls! Very best of luck to the two running in college, and best of luck to the girls next season!

Girls Track

Boys Volleyball

"This season was a tough, yet great one. We got to test our strengths and weaknesses and next year we will be a lot more prepared. My teammates this year were like family. There was never a dull moment, which I loved. We had such great chemistry on and off the field which made this season unforgettable. I wish we could have just one more game because it all flies by right before your eyes." -
Kayla Kirkwood

Senior Girls

Baseball this year did amazing! The boys took on the new conference and ended up winning the whole thing! They also brought home a Regional Championship for the first time since 2006. Senior captain **Ryan Koester** said "We had great team chemistry. A lot of us have been playing together since we were eight, and we always wanted to make something happen in high school, and we did that this year. This season and team is something that I'll never forget." Great season boys!

THE BEST

Believe. That was the word of the year for the softball team this year. The girls worked harder than ever to prove to the new conference that West Chicago is not a school to mess with. Because there were only two seniors, the juniors really had to step it up. Being a young team definitely had its disadvantages, but they never let that be an excuse.

Throughout the season the girls all became a family on and off the field. The girls definitely had a good year this year and are more than ready to take on the teams next year. Great year this year softball players!

Softball

Lacrosse this year was better than ever before. Captain **Jason Umphrey** said, "Our team thrived on energy and physicality, it was great to be a part of one of the best teams West Chicago has seen in a long time." Another captain **Colin Lelito** said, "This year was really special winning the Sticks and Stones tournament and conference. Out of my 4 years on varsity this was definitely the most fun. I couldn't have asked to spend my senior season with a better group of guys." Congrats on a great season boys!

Lacrosse

Badminton

This year the Badminton team left their name down at Eastern Illinois University. Three girls **Amy Dinh**, **Evelyn Almonte** and **Molly Ricci** out of six qualified for state. After four years, this is the first time WeGo sends off the team down to state. Captain **Karla Soto** says "I am so proud of every girl that gave it their all on the court. I am looking forward to take on first place next year in conference; I know that we are capable of taking it all." The hard work the girls put in this year was left on the court. Badminton left a mark in West Chicago this year. Great job girls!

Broadcasting

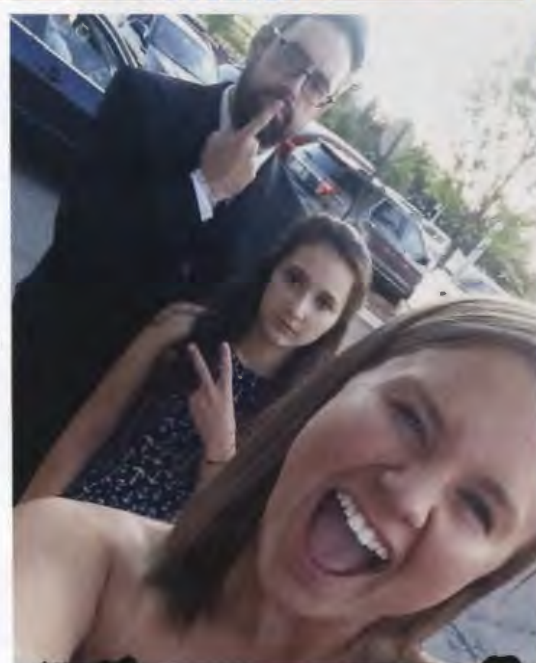

Students in CHS's Broadcast Production program are given loads of hands-on opportunities to experiment with the art of storytelling as they conceive of, film, edit, and submit original short films and episodic news programs for the school's in-house television program, WeGo Through the Tube. This year's crop of BP faithful enjoyed a strong showing at the annual CTEC Video Festival and made a number of memorable films, to boot! Kudos, Broadcasts!

Yearbook is a great way to get involved at WeGo! You get to meet up once a week and make the book that students will keep for the rest of their lives as a memory of their high school years. The yearbook staff is really like a family. This year, the staff consisted of Advisers **Mr. Jennings** and **Mr. McKenna**, President/Photographer **Kayla Goffinet**, Vice President/Photographer **Alex Dimas**, and Editors **Karla Soto**, **Jenny Wood**, **Delaney Tardio**, **Kyle Thatch**, and **Anne Cloutier**.

Class of

2014!

This year's prom was at Brookfield Zoo! The guests took buses to the zoo, had a chance to ride the carousel, see all the animals, and of course eat some delicious food and dance the night away. Juniors **Brendan Walsh** and **Jacquelyn Stancik** were crowned Prom King and Queen this year, and they could not have been more excited. Prom this year was again another amazing way to end the school year, and another great memory that we will always have.
