OPENING ASSEMBLY

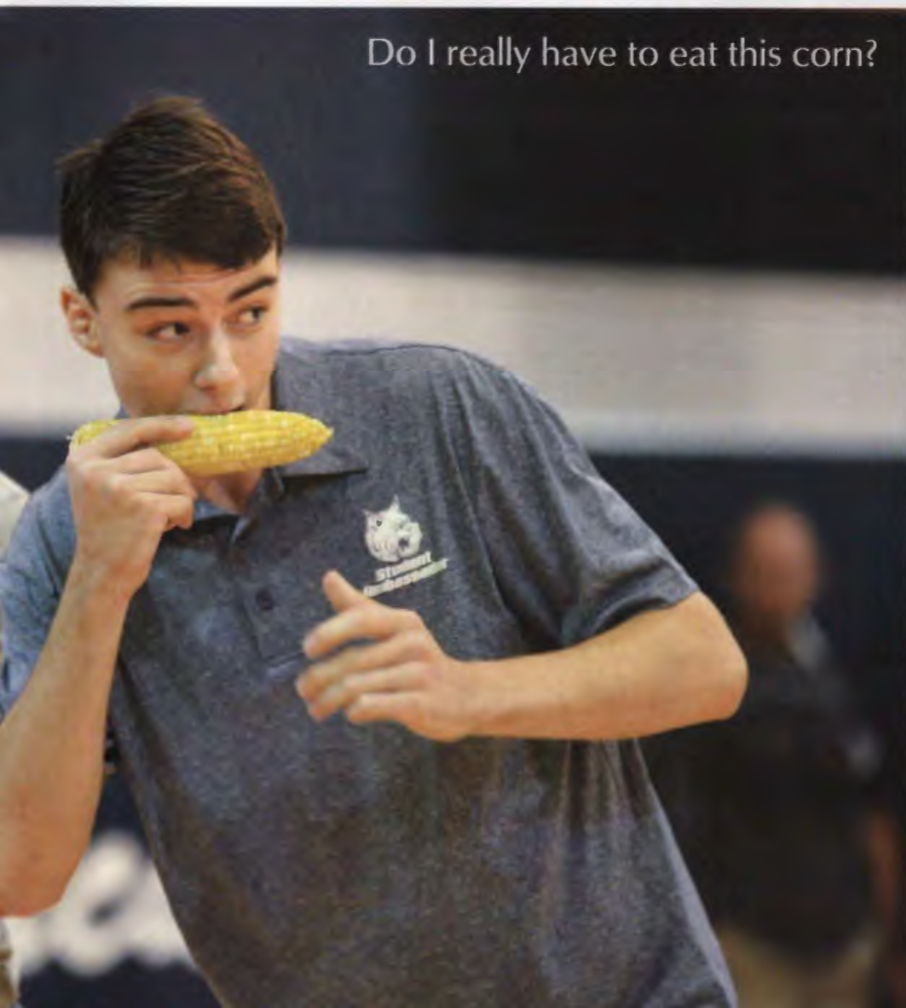

Keep it down, John

More, you want more?

Do I really have to eat this corn?

Mr. McKenna doing his thing to get students excited

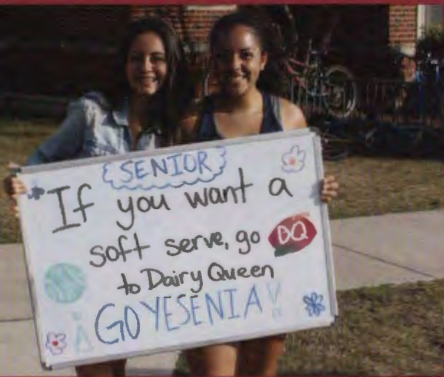

Ike showing leadership skills.

STUDENT LIFE

WEGO IN WITH PRIDE

Excited, nervous, optimistic, anxious, confident, and scared are many of the emotions Freshmen feel when they become part of WeGo. By the time they leave WeGo, they will be proud, ready, compassionate, enlightened, and empowered. Four years pass so fast, but the memories and experiences last a lifetime.

They told me I would make friends and get close to them. YES! I am doing it.

"I got this. By 2021 will rule this school!"

(We'll check in with him in 4 years)

Where am I supposed to go?

These backpacks are heavy

Mr. Jennings
rocking the mic
as only he can
do.

another

I know I
can do
this. I just
have to
get rid of
the
plunger.

It sounded like a good idea until we started walking.

HOMECOMING

We're West Chicago brave and bold
 We make up the fight our line to hold
 We're West Chicago don't you see
 So fight, fight, fight, for victory!
 Now here's to the teams who have won the right
 To carry our colors on the field in the fight
 Here's to the team, fight for me and you,
 For old West Chicago, white and blue

Why am I so happy? Coach Pater said there is no practice if we walked in the parade.

Madysen Simanonis and Drew Brady

What was your reaction to be named Homecoming Queen?

Madysen: I was super excited and surprised to be crowned queen, especially alongside my best friend, Drew Brady

What was your reaction to be named Homecoming King?

Drew: When that crown was placed on my head I was shook! I just couldn't stop thinking about how I came here freshman year not knowing anyone. Four years later and I won homecoming king? Crazy experience and one of the best days of my life. I couldn't stop smiling.;

Of course we won. We're seniors.

Zenen Cardenas giving important instructions for the next game.

Stephania, Yesenia, and Grace play pass the mic to see who has to talk.

Playing duck, duck, goose with the queen contestants.

HOMECOMING

Game night. Not just any game night. It is the Homecoming game. Alumni are back, there is a Halftime parade, and The Squad is at full force in "White-out Mode." This being an important game is an understatement. They fought hard and showed they are a force to be reckoned with. Unfortunately, they were upended on the Goal Line.

Coach Monken giving Alan Mahmic instructions for a winning play.

Jeff Zajac with another long gain.

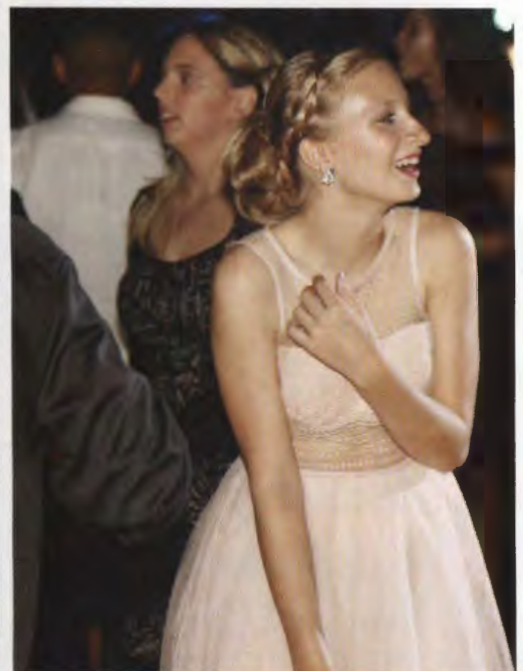

Matt Niziolek making a tackle in the open field.

DANCE TEAM

Dylan Davidson

Why did you join the dance team?

"I joined because the first time I saw them preform at the pep assembly they were really good and I knew that if I tried hard enough I would be just as good".

How does it feel like to be up in front of a huge crowd?

"It feels amazing because I love preforming for people".

Kamal Patel

What motivates you to run long distance everyday?

"The support of my coaches and the peers motivates me to run long distances."

BOYS CROSS COUNTRY

GIRLS CROSS COUNTRY

Maddie Brotnow

What is your favorite memory?

"Throughout my time on the cross country team, my favorite memories were always made at Loreda Taft where we spent the weekend working hard and having fun with various team bonding activities. We told ghost stories, got lost in the woods, and even had a talent show. These are the best memories from the season because it is where the team became a family."

Ted Monken

What is the most important thing to be a football player?

"Get in the weight room and gain strength. There is no greater way to become a better player."

FOOTBALL

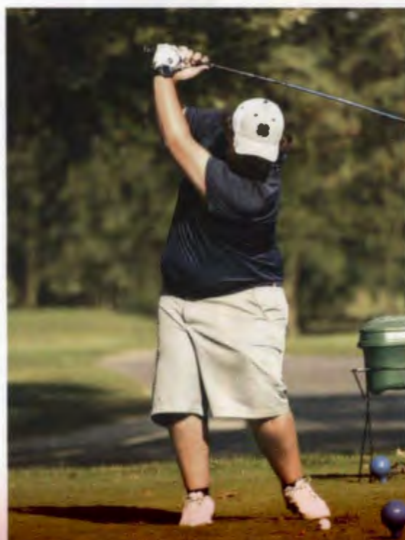

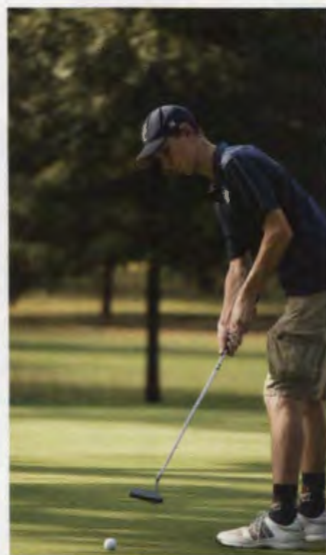

FO BOYS GOLF

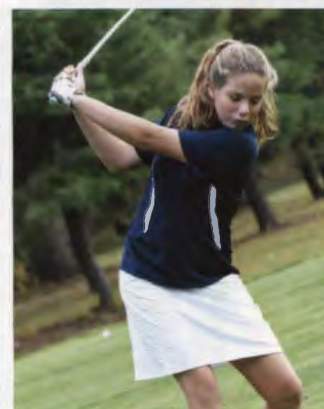

GIRLS GOLF

BOYS SOCCER

Ricardo Porcayo

What did you feel after winning the Regional Championship?

"All I could feel was relief. Everyone on that field played their hearts out. It would've been a shame if our boys didn't get rewarded for all their hard work throughout the season. Winning on our home field, surrounded by our friends and family, made the experience that much better."

GIRLS SWIMMING

GIRLS TENNIS

"My team wasn't just my team, they were my family"

(Steph Kapateneas, 12)

"Being captain this year was something that I am forever grateful. These girls really made me feel happy and excited when it came to practices. Everyday was worth remembering"

(Yessenia Munoz, 12)

"Being part of the girls tennis team throughout high school was a great experience. We had ups and downs, but we were always there for each other, cheering for one another. This team

"Being part of the girls tennis team throughout high school was a great and memorable experience. Yes we did have our ups and downs, but we were always there supporting and cheering for one another.

(Yessica Gonzalez, 12)

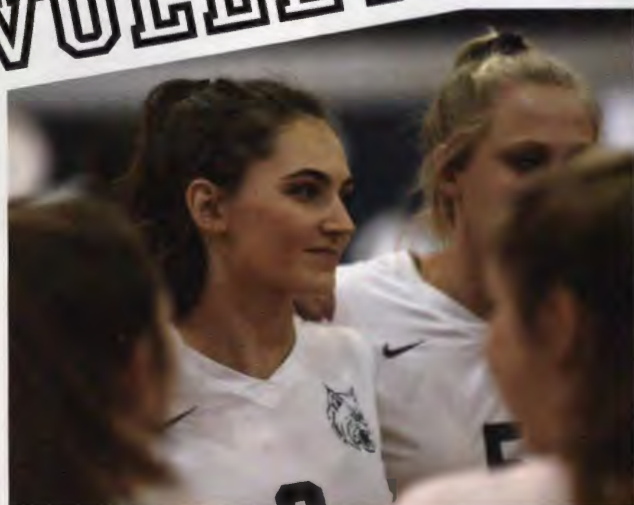

Pam Pater

Was your first season as Head Coach what you expected to be?

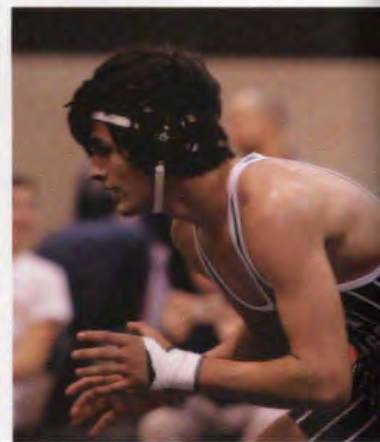

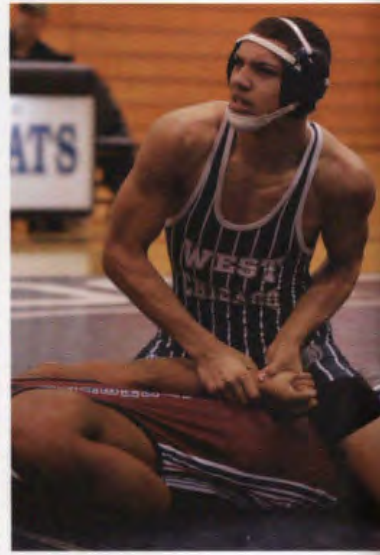

"It was definitely a learning year but I loved it. We had our ups and downs but the team and program exceeded my expectations. The athletes are wonderful and I can not wait to see what the future holds."

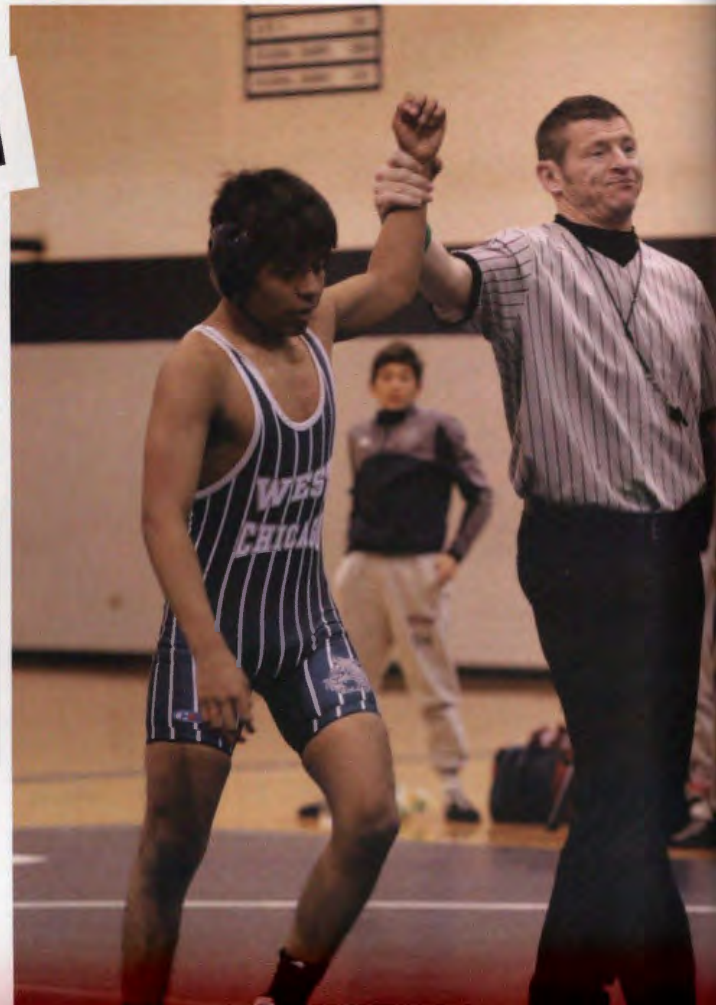

GIRLS VOLLEYBALL

WRESTLING

Malik Milazzo

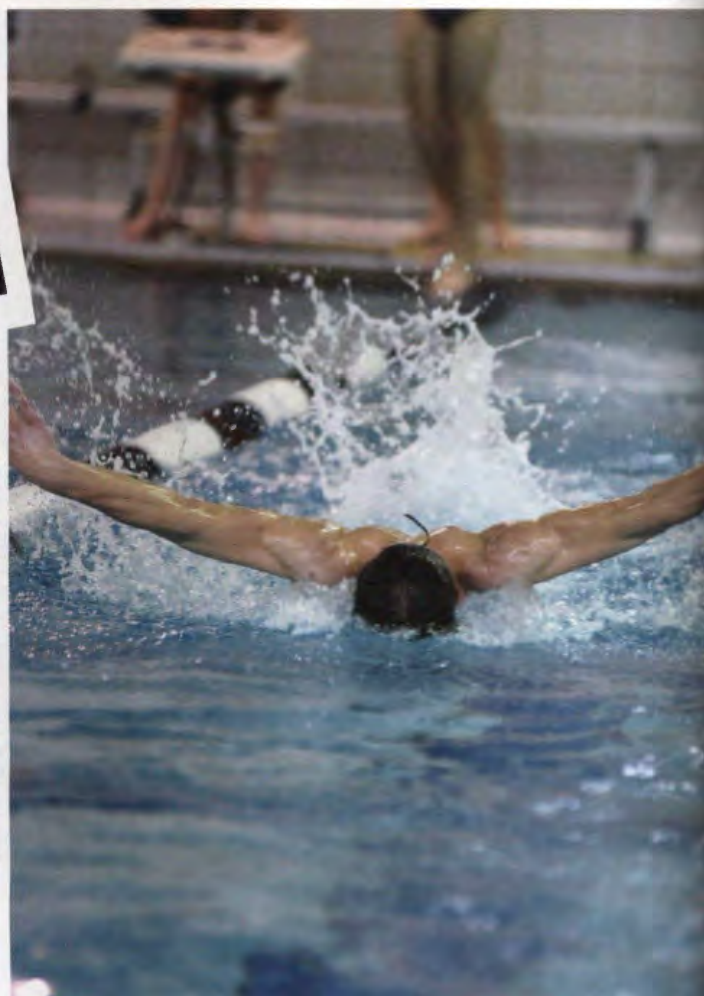

What was most special about qualifying for the State Tournament?

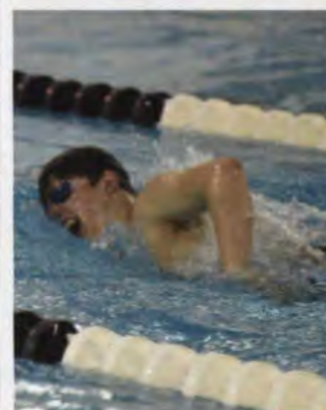

"All of my hard work and perseverance paid off and the fact that I had my coaches, teammates, and family come and support me was an amazing experience that I am appreciative of. Blue Collar."

BOYS SWIMMING

GIRLS BASKETBALL

Jason Gimre

What helped you break the school record for 3 pointers?

"My teammates were able to get me open and give me the ball. Working hard and staying dedicated throughout the off season and regular season."

BOYS TENNIS

GIRLS TRACK & FIELD

Zenén Cardenas

What does it mean for you to hold the school record in the 400?

"It's super cool, but it's just a small step in a super long journey. I've been training since freshman year, and this record is awesome to have. However, the record is just one milestone. I need to be faster than I am right now, so this record is just another pr for me. However, it's really amazing to do still, as I know that no one has ever run that fast, and it lets me know that I'm still getting faster like I need to be. This specific record isn't too important, but the record that will be set at the end of the year will be a memory that I'll never forget; one that is evidence of four years of long, hard work that I'm proud to flaunt."
