GIRLS CROSS COUNTRY

THE TEAM

Why would you recommend someone to join cross country?

"It's so much fun. The experience of running with other people and pushing them and yourself to get better just makes it such a fun sport."

-Cecilia Ayala (9th grade)

"It's a very great workout and you meet a lot of people. We take fun trips, like to Wisconsin and Chicago. So, overall, it's a great experience and you stay fit. I lost a lot of weight."

-Tyler Petrie (10th grade)

DANCE

Who is your favorite dancer?

My favorite dancer is Sophia Lucia. She was on Dance Moms for one season, but she could do many pirouettes and I thought that was pretty cool.

Why would you recommend someone joining dance?

It's a very welcoming team and even if you don't have experience in something, you can grow. When I joined, it's not like I had everything like my splits down!

What made you want to join the WeGo Swim Team?

"I previously swam in a club before and wanted to continue swimming in high school. I felt like I would improve a lot more if I joined our swim team"
-Devin Larimer (11th grade)

BOYS WRESTLING

What is your favorite memory from this year?

"Senior night against Bartlett during my match, everyone was chanting my name and I ended up winning my match by pin. We also beat Bartlett."

Joselyn Figueroa

Why did you join track?

"I've been doing it since middle school but I joined because I like to run and wanted to stay fit."

What is your favorite memory while being on the team?

"We went to get slushies with the team after a race and our coach bought them for us and they were huge"

What do you like most about track?

"It's a very supportive group of people on the team, the medals are nice to get, the baton race is fun, and it's a group effort"

Our last hike along Scott's Run, near our home in Virginia. A beautiful afternoon by the Potomac, crossing streams and throwing rocks. Beaming. A treasured moment in time. Little did we know. You've always been present, and you've come so far. We gave you the tools; you did the work. Live your life with purpose and hope. You continue to amaze us. We are proud to call you our son. Congratulations! Love, Mom and Dad

COLOPHON

The West Chicago Community High School Yearbook, was produced by the Yearbook Club at West Chicago Community High School in West Chicago, Illinois, and was printed by Herff Jones, Inc in Edwardsville, Kansas. Maureen Olofsson and Melissa Olofsson were the service representatives and Debbie Thomas was the Customer Service Advisor. The staff includes Lorena Arguello, Fernando Calvillo-Morales, Natalie Conner, Alexa Correa, Erik Diaz, Melanie Duran, Rudra Gor, Eric Hernandez, Marisol Luis, Annie Mendoza, Magdalena Schave, and Lam Truong. The Advisors were Alison Jonesi and Brigid Clark. A special thank you to Rose Campos, Dave Jennings, Brian Turnbaugh, Leslie Fireman, Lauren Stewart, Brittney Walker and everyone else who submitted photos for this publication!

The cover is a Four Color Litho, with gloss lamination. The book's 160 pages were printed on 80 pound gloss paper. The 2023 volume was printed in all color. The fonts was set to 10 pt AHJ Avalon Book Condensed, and AHJ Livingston Bold. Pages were submitted using HJ eDesign. Our portraits and some candids were provided by Lifetouch photography, as well as staff and some students on the yearbook staff. Approximately 320 copies of the book were sold at price range of \$45.00 to \$55.00. In the portrait sections of the book, students were placed into grade levels according to their student identification numbers, which corresponds to their anticipated graduation year based upon the year that students entered West Chicago Community High School.

Thank you

The Yearbook staff hopes that you enjoy perusing this book. Our dedicated team worked a full year creating this book and we hope that it represents the school year and the student body.

In August, we started with completely blank pages, we created the theme, designed every template, took many of the pictures in the book, and basically created the entire thing from scratch using the ideas of our student staff. It is a large task to try to incorporate every club, sport, and class into this book, and we tried our best to feature as many students as possible. This involved many interviews conducted, pictures taken, and pages edited. We did not leave anyone out on purpose as we attempted to capture the "world" of a typical student.

We also fully acknowledge that this book is imperfect. We did our best to avoid errors, but in a book of this size, that is an impossible feat. If you are a student who enjoys finding and pointing out our errors, please consider joining our staff next year. We could really use you! We would like to offer a special thank you to those students and staff who have supported our efforts this year. Some provided additional pictures; some provided information about their clubs and activities; some just checked on our progress throughout the year and expressed an interest in our club. Please enjoy our work. It was a pleasure to create this for you!
